RULE 30(B)(6) VIDEOTAPED DEPOSITION OF AMERICAN
SOCIETY OF HEATING, REFRIGERATING, AND AIR-CONDITIONING
ENGINEERS, INC.

BY AND THROUGH ITS DESIGNEE,

STEPHANIE REINICHE

MONDAY, MARCH 30, 2015
9:10 a.m.

VERITEXT LEGAL SOLUTIONS
1075 PEACHTREE STREET
SUITE 3625
ATLANTA, GEORGIA

Reported By:
SHARON A. GABRIELLI, CCR B-2002
Job No. 2035289

1 A I moved from Michigan to Georgia. 09:21
 2 Q And what was your first job that you took 09:29
 3 once you moved to Georgia? 09:23
 4 A ASHRAE. 09:25
 5 Q Okay. Did you move to Georgia to work at 09:26
 6 ASHRAE? 09:28
 7 A No. 09:29
 8 Q Okay. And when was it that you started 09:29
 9 working at ASHRAE? 09:21
 10 A November 2003. 09:23
 11 Q Okay. How was it that you came to start 09:23
 12 working at ASHRAE? 09:24
 13 A I applied online. I -- I saw a job posting, 09:27
 14 at that time it was for a procedures administrator, and 09:21
 15 I submitted a résumé. 09:23
 16 Q Had you ever heard of ASHRAE before that 09:21
 17 point? 09:23
 18 A No. 09:23
 19 Q Were you familiar with the air-conditioning, 09:24
 20 heating and cooling industry prior to that point? 09:26
 21 A No. 09:21
 22 Q What was it that made you qualified for the 09:22
 23 job at ASHRAE? 09:26
 24 A I suppose because it was -- at that time, it 09:20
 25 was about procedures and process, and so just legal 09:23
 Page 18

1 background and ability to -- to write and things like 09:27
 2 that. 09:29
 3 Q And what -- how long were you a procedures 09:24
 4 administrator at ASHRAE for? 09:20
 5 A I want to say until December 2004. 09:27
 6 Q And were you promoted at that time? 09:24
 7 A Yes. 09:25
 8 Q And what was -- what position were you 09:26
 9 promoted to? 09:29
 10 A Standards administrator. 09:20
 11 Q And how long did you hold the title of 09:26
 12 standards administrator for? 09:22
 13 A I think it was about three years. 09:24
 14 Q And were you promoted after three years? 09:21
 15 A Yes. 09:23
 16 Q And what title were you promoted to? 09:24
 17 A Assistant manager of standards 09:27
 18 administration. 09:28
 19 Q And how long did you hold that position for? 09:27
 20 A A year or two. 09:20
 21 Q And were you promoted again after that point? 09:26
 22 A Yes. 09:29
 23 Q And what title were you promoted to? 09:20
 24 A Manager of standards. 09:22
 25 Q And how long did you hold that position for? 09:29
 Page 19

1 A That title, till 2014. 09:21
 2 Q And so were you promoted once again in 2014? 09:27
 3 A Yes. 09:20
 4 Q And what is the title that you were promoted 09:21
 5 to? 09:23
 6 A Senior manager of standards. 09:24
 7 Q And is that the title that you hold today? 09:21
 8 A Yes. 09:24
 9 Q Okay. And do you have any other roles at 09:24
 10 ASHRAE, other than senior manager of standards? 09:24
 11 A No. 09:29
 12 Q Have you served on any of the committees in 09:29
 13 ASHRAE? 09:21
 14 A No. 09:23
 15 Q Have you -- what involvement in the design of 09:24
 16 standards have you played? 09:21
 17 A I oversee the development of all the 09:23
 18 standards at ASHRAE. 09:26
 19 Q And what does that involve? 09:26
 20 A It involves a lot of things. It involves 09:27
 21 reviewing all the documentation for membership, 09:22
 22 overseeing the documentation for public reviews, could 09:27
 23 be change proposals, could be minutes, the publication 09:24
 24 drafts, editing and reviewing those, working with the 09:20
 25 appeals. 09:27
 Page 20

1 Q And when you say you oversee the 09:25
 2 documentation for membership and for public reviews and 09:29
 3 change proposals and publication drafts, what does that 09:23
 4 entail? 09:26
 5 A It can entail -- well, making sure that the 09:28
 6 document for membership, that the documentation is all 09:22
 7 complete, meaning every -- all the, you know, parts are 09:25
 8 filled out, everything is properly signed. And it 09:29
 9 could involve talking with the chairs of project 09:23
 10 committees to help them make sure their committee is 09:29
 11 balanced. 09:24
 12 Q What do you mean by making sure the project 09:27
 13 committees are balanced? 09:20
 14 A Under our ANSI rules, our committees have to 09:22
 15 be balanced, meaning for nonsafety standards, no more 09:25
 16 than 50 percent of the people can be in any one 09:29
 17 interest category; and for safety standards, no more 09:23
 18 than one-third in each interest category. 09:26
 19 Q And what is an interest category? 09:22
 20 A It's -- it describes the -- the role a person 09:25
 21 plays typically in their job or their duties that 09:22
 22 they're doing, and that shows their bias for that 09:25
 23 particular standard that's being developed. 09:20
 24 Q Could you list for me the interest 09:27
 25 categories? 09:29
 Page 21

1 A For which standard? 09:21
 2 Q So the interest categories are different for 09:23
 3 particular standards? 09:25
 4 A They can be, yes. 09:26
 5 Q Okay. Do you know the -- off the top of your 09:27
 6 head the interest categories for the 90.1 standards? 09:20
 7 A I can list some of them, but I would have to 09:26
 8 look at a roster to verify they're all correct. 09:28
 9 Q Okay. 09:22
 10 A There's compliance, industry, utility, 09:22
 11 general, and I think user. 09:21
 12 Q And what does -- what are the -- those 09:27
 13 categories? Excuse me, let me rephrase. 09:25
 14 What -- what kind of a person would a -- 09:29
 15 would fall into the compliance category? 09:22
 16 A I would need to look at the application that 09:26
 17 shows the definition to give you an exact person, the 09:28
 18 exact definition; but for example, somebody that's 09:22
 19 involved in codes would be a compliance person. 09:26
 20 Q When you say someone who's involved in codes, 09:20
 21 like what -- what kind of role do you mean by that? 09:24
 22 A A code official. 09:27
 23 Q A code -- 09:29
 24 A A building code person; that type of person. 09:20
 25 Q Would that be something like a regulator? 09:23

Page 22

1 A Could be. 09:26
 2 Q Okay. So that would -- that would encompass 09:27
 3 somebody in a government position, then, would be under 09:21
 4 compliance? 09:27
 5 MR. CUNNINGHAM: Object to form. 09:28
 6 THE WITNESS: I would have to look at 09:29
 7 the roster to see how a government employee 09:20
 8 would be listed. It depends on where they 09:22
 9 work, what they do. Without looking at an 09:26
 10 individual, I can't tell you for sure that 09:20
 11 they would go under compliance. 09:21
 12 Q (BY MR. BECKER) Okay. What other categories 09:24
 13 could a government official go under, other than 09:25
 14 compliance? 09:28
 15 A Depending on the -- it depends on what the 09:29
 16 definition is. I really probably should look at the 09:21
 17 definitions to tell you for sure. 09:24
 18 Q And where would the definitions be found? 09:25
 19 A The definitions would be as part of the 09:28
 20 application. 09:20
 21 Q The membership application? 09:21
 22 A Yes, sir. 09:22
 23 Q You also said that one of your jobs is to 09:21
 24 make sure that documentation is complete. What does 09:24
 25 that involve? 09:27

Page 23

1 A For which part of the process? After 09:29
 2 membership? 09:22
 3 Q Let's talk about membership applications. 09:23
 4 A So for membership applications, there is an 09:27
 5 application form that would list the -- you know, what 09:20
 6 project committee they're applying for, their name, 09:24
 7 what interest category they believe they should be 09:27
 8 categorized. And then they would have -- then there is 09:33
 9 a signature at the bottom and their voting status, what 09:35
 10 they would like to be on that committee. 09:39
 11 There's a bias/conflict of interest form, 09:32
 12 which gives background on where they've worked for the 09:36
 13 last five years, other organizations that they've been 09:30
 14 involved with, who pays their way to participate, and 09:34
 15 any public statements they would have made in regards 09:38
 16 to the particular standard they're applying for, and 09:31
 17 that, too, is signed. 09:34
 18 And then there's a biographical record that 09:36
 19 is done through the ASHRAE website which gives their 09:38
 20 background, like where they -- you know, their degrees 09:33
 21 and things like that, whether -- other committees 09:38
 22 they've been involved in within ASHRAE, awards; things 09:31
 23 like that. 09:36
 24 Q Are you the person who makes sure that all of 09:36
 25 these fields are filled out? 09:39

Page 24

1 A I have a staff person that does that, but 09:31
 2 then they are reviewed by another committee. And when 09:32
 3 there's a question, then I'm the one that helps work 09:35
 4 with that. 09:39
 5 Q And what is the name of the staff person who 09:30
 6 checks these forms? 09:32
 7 A It's varied over the years. 09:35
 8 Q What is the name of the person today? 09:37
 9 A Katrina Shingles. 09:30
 10 Q And is there -- does Katrina Shingles have a 09:36
 11 specific position? 09:31
 12 A She's a secretary. 09:32
 13 Q Is there a specific position for the person 09:38
 14 who has always checked the -- the forms? 09:32
 15 A It's been a secretary or an administrative 09:37
 16 assistant. 09:30
 17 Q And you said there's also a committee that 09:37
 18 looks over that? 09:39
 19 A Yes. There's a staff liaison, and then there 09:30
 20 is -- in addition to that, and then there is -- 09:34
 21 depending -- the process has changed slightly. There 09:37
 22 could be up to two oversight committees. 09:30
 23 Q And you said that the process has changed. 09:33
 24 When did the process change? 09:37
 25 A This year. 09:30

Page 25

1 A Not exactly. A -- a standard could become a 10:03
 2 code, because 90.1 is a standard and it could be the 10:05
 3 code. It depends on whoever is wanting to make the 10:08
 4 code -- or make the rule. 10:01
 5 Q And what does the policy, procedures and 10:04
 6 interpretation subcommittee do? 10:08
 7 A They review proposals for new projects, new 10:09
 8 standards or guideline projects to be developed by 10:04
 9 ASHRAE. They are the body that reviews any proposed 10:07
 10 changes to any of the procedures related to standards 10:01
 11 and interprets the -- any of our rules. 10:05
 12 And then the other thing is they form 10:01
 13 interpretation sub -- interpretation committees when an 10:04
 14 interpretation request is submitted on a standard that 10:07
 15 we don't have a standing standard project committee 10:09
 16 for. 10:02
 17 Q I'm sorry, just to back up a moment. Do you 10:09
 18 know how it is that standards become codes? 10:03
 19 MR. CUNNINGHAM: Object to form. 10:00
 20 THE WITNESS: It -- either they're 10:02
 21 proposed into a code and the code accepts 10:05
 22 them, or a local jurisdiction decides to use 10:07
 23 a standard and that's -- and use that as 10:02
 24 their code. 10:04
 25 Q (BY MR. BECKER) And when you say "they're 10:08
 Page 46

1 proposed into a code and the code accepts them," do you 10:00
 2 mean that a -- that something like NFPA might make a 10:02
 3 code, and they're proposed into that code that NFPA has 10:08
 4 made? 10:02
 5 A So NFPA references 90.1, and that becomes 10:03
 6 part of whatever -- I can't remember the number of the 10:06
 7 NFPA code that references 90.1, but that becomes part 10:09
 8 of that code. If they -- through their process, it 10:02
 9 gets accepted. 10:08
 10 Q And what does the international liaison or 10:04
 11 intersociety subcommittee do? 10:08
 12 A They're dealing with relationships between us 10:00
 13 and sometimes other standards developers, but the 10:02
 14 majority of their work is in the -- is in the oversight 10:06
 15 of the development of international standards. 10:10
 16 Q What involvement does ASHRAE have in the 10:15
 17 development of international standards? 10:17
 18 A We are the secretariat for several of the 10:19
 19 international standards organization technical 10:15
 20 committees. We are also the secretariat for the U.S. 10:18
 21 TAG, which is the technical advisory groups within the 10:11
 22 U.S. 10:16
 23 Q And, finally, you mentioned the executive 10:11
 24 committee. What does the executive committee do? 10:13
 25 A That is the -- the chairs of each of the 10:15
 Page 47

1 subcommittees, the chair and the vice chair standards 10:18
 2 committee and the board -- the board ExO to standards. 10:12
 3 And then I'm the staff liaison for that group, other 10:18
 4 staff attend, but they -- they just talk about the 10:12
 5 issues about the subcommittees and then, you know, 10:15
 6 strategic planning; that type of thing. 10:18
 7 Q So the committee members that are part of the 10:14
 8 standards committee, are these all ASHRAE employees? 10:18
 9 A No. 10:11
 10 Q Are any of them ASHRAE employees? 10:13
 11 A No, just me as a staff liaison, and then 10:15
 12 another staff person that does the minutes. 10:18
 13 Q So these are -- are these members of 10:11
 14 industry? 10:16
 15 A They're -- they're balanced as well. The 10:19
 16 board has slightly different interest categories that 10:12
 17 they use. There are -- they're members -- they're -- 10:15
 18 they are members of ASHRAE, but they're from all over. 10:19
 19 MR. CUNNINGHAM: Could I just ask, are 10:13
 20 we talking about the project committee here? 10:14
 21 Are we talking about the executive committee? 10:16
 22 Are we talking about the previous questions? 10:18
 23 MR. BECKER: The standards committee as 10:19
 24 a whole. 10:10
 25 MR. CUNNINGHAM: The standards 10:11
 Page 48

1 committee. 10:12
 2 MR. BECKER: Yeah. 10:13
 3 MR. CUNNINGHAM: For a specific 10:13
 4 standard? I just wanted to make sure we're 10:14
 5 clear here. 10:15
 6 Q (BY MR. BECKER) How many standards 10:11
 7 committees are there? 10:12
 8 A There's project committees, and those overdo 10:13
 9 the standards, but the standards committee is one. 10:17
 10 Q There's just one standards committee? 10:19
 11 A With the -- right, with the subcommittees. 10:11
 12 Q And what's the difference between the 10:17
 13 projects committees and the standards committees? 10:19
 14 A A project committee is the one that is -- is 10:11
 15 the group that's responsible for writing the standard. 10:13
 16 Standards committee is an over -- oversight committee. 10:18
 17 THE COURT REPORTER: "Is an oversight"? 10:15
 18 THE WITNESS: Yes. 10:19
 19 Q (BY MR. BECKER) And are any ASHRAE employees 10:13
 20 members of the project committees? 10:16
 21 A No. 10:18
 22 Q Are the members of the project committees 10:13
 23 people from various interest categories -- 10:19
 24 A Yes. 10:13
 25 Q -- as you had defined previously? 10:13
 Page 49

<p>1 A Yes. 10:16</p> <p>2 Q And are the project committee membership -- 10:16</p> <p>3 memberships balanced based off of those interest 10:11</p> <p>4 categories? 10:14</p> <p>5 A Yes. Whatever interest categories the 10:16</p> <p>6 project committee has, then they're balanced based on 10:18</p> <p>7 the number of project committees. That doesn't mean, 10:12</p> <p>8 you know, if there's 30 people and you have five 10:14</p> <p>9 interest categories, there's six in each. It means no 10:17</p> <p>10 more than 50 percent in one interest -- interest 10:14</p> <p>11 category. 10:17</p> <p>12 Q So why is it that these people who are not 10:13</p> <p>13 ASHRAE employees participate in the project committees? 10:10</p> <p>14 MR. CUNNINGHAM: Object to form. 10:16</p> <p>15 THE WITNESS: I would say because either 10:18</p> <p>16 they really like that topic, it may affect -- 10:10</p> <p>17 you know, it may be because it affects 10:14</p> <p>18 something that they do in their business. 10:16</p> <p>19 They may be in the -- in the code arena and 10:18</p> <p>20 they want to make sure it's written so that 10:13</p> <p>21 you can adopt it in code. It could be a 10:16</p> <p>22 number of reasons why they choose to 10:18</p> <p>23 participate. 10:10</p> <p>24 Q (BY MR. BECKER) And why is it that they'd 10:16</p> <p>25 want to participate for a standard that would be 10:18</p> <p style="text-align: right;">Page 50</p>	<p>1 this when we first tried to -- started trying 10:15</p> <p>2 to schedule my deposition. I'm guessing 10:19</p> <p>3 February. 10:11</p> <p>4 Q (BY MR. BECKER) And have you reviewed the 10:14</p> <p>5 topics of examination that's starting on page 4? 10:16</p> <p>6 A Yes. 10:13</p> <p>7 Q And you're aware that you are here as a 10:17</p> <p>8 30(b)(6) designee for ASHRAE with regards to particular 10:19</p> <p>9 topics of examination? 10:16</p> <p>10 A Yes. 10:17</p> <p>11 Q And that means that -- that you are expected 10:17</p> <p>12 to prepare and be knowledgeable as to those particular 10:10</p> <p>13 topics, correct? 10:13</p> <p>14 A Yes. 10:14</p> <p>15 Q And those topics are, topic number 1, "The 10:16</p> <p>16 process and activities of developing the works at 10:11</p> <p>17 issue, including participation of government and 10:14</p> <p>18 private sector personnel in standards development." 10:17</p> <p>19 A Yes. 10:10</p> <p>20 Q And did you prepare for that topic? 10:11</p> <p>21 A Yes. 10:13</p> <p>22 Q And have you been using your knowledge of 10:17</p> <p>23 that topic in the answers that you had given me earlier 10:19</p> <p>24 today concerning the standards committee and project 10:13</p> <p>25 committee? 10:18</p> <p style="text-align: right;">Page 52</p>
<p>1 adopted into code? 10:12</p> <p>2 MR. CUNNINGHAM: Object to form. 10:14</p> <p>3 THE WITNESS: My -- my guess would be 10:17</p> <p>4 that, you know, it's going to affect their -- 10:18</p> <p>5 their business somehow or the -- you know, or 10:12</p> <p>6 the jurisdiction in which they work. 10:16</p> <p>7 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 10:12</p> <p>8 you what's been previously marked as Exhibit 1076. 10:13</p> <p>9 This is Defendant Public.Resource.Org's Amended Notice 10:19</p> <p>10 of Rule 30(b)(6) Deposition of American Society of 10:13</p> <p>11 Heating, Refrigeration, and Air-Conditioning Engineers, 10:18</p> <p>12 Inc. And this document had been previously introduced 10:18</p> <p>13 in Mr. Comstock's deposition. 10:13</p> <p>14 A Okay. 10:16</p> <p>15 Q Have you seen this document before, 10:17</p> <p>16 Ms. Reiniche -- excuse me, Ms. Reiniche? 10:19</p> <p>17 A Yes. 10:18</p> <p>18 Q And when did you first see this document 10:16</p> <p>19 before, to your recollection? 10:10</p> <p>20 MR. CUNNINGHAM: So I'm -- Matt, this 10:11</p> <p>21 question is obviously fine, but I just want 10:13</p> <p>22 to caution the witness to not go into the 10:15</p> <p>23 substance of any communications that may have 10:18</p> <p>24 occurred between you and counsel. 10:13</p> <p>25 THE WITNESS: I probably would have seen 10:15</p> <p style="text-align: right;">Page 51</p>	<p>1 A Yes. 10:19</p> <p>2 Q And have you been using your knowledge with 10:11</p> <p>3 regards to that topic as it applies to the other 10:13</p> <p>4 answers that you've provided me about the ASHRAE's 10:16</p> <p>5 operations? 10:19</p> <p>6 A Yes. 10:10</p> <p>7 Q And the other topics that you have prepared 10:10</p> <p>8 for today include topic number 2, correct? 10:12</p> <p>9 A For the copyright? 10:11</p> <p>10 Q For topic number 2, "All elements of the 10:12</p> <p>11 chain of title of copyright ownership, including 10:15</p> <p>12 copyright authorship and ownership of component parts 10:19</p> <p>13 of the works at issue in this case"? 10:13</p> <p>14 A Yes. 10:14</p> <p>15 Q And you've also prepared for topic number 3, 10:17</p> <p>16 "The authority of persons executing copyright 10:10</p> <p>17 assignment forms in favor of you to convey the 10:13</p> <p>18 copyright rights in their works or expression, 10:17</p> <p>19 including but not limited to evidence of authority of 10:19</p> <p>20 employees to assign copyrights they do not own 10:12</p> <p>21 individually"? 10:15</p> <p>22 A Yes. 10:16</p> <p>23 Q On to page 5. You've also prepared for topic 10:13</p> <p>24 number 6; is that correct? 10:17</p> <p>25 A Yes. 10:11</p> <p style="text-align: right;">Page 53</p>

<p>1 A Do you mean everyone on the roster, or do you 10:42 2 mean just project committee? 10:45 3 Q For everyone on the roster. 10:40 4 A For -- yes, for everyone on the roster. 10:44 5 Q And so are there people outside of the 10:40 6 project committee that would be contributing text to 10:43 7 Standard 90.1 at that time? 10:46 8 A Yes. 10:48 9 Q And would all of the people who were 10:40 10 contributing text to Standard 90.1 at that time be 10:43 11 listed on these pages of the roster? 10:46 12 A No. 10:48 13 Q So what other people would have been 10:49 14 contributing text to Standard 90.1 at that time? 10:42 15 A Commenters on -- draft goes out for comment 10:46 16 and those who submitted a continuous maintenance change 10:40 17 proposal. 10:43 18 Q And where does -- excuse me. 10:44 19 Does ASHRAE keep lists of commenters? 10:53 20 A We have lists of commenters. For this year, 10:58 21 I don't know, because our record retention policy 10:54 22 wouldn't require us to keep records this far back. 10:56 23 Q What was the ASHRAE's record retention 10:59 24 policy? 10:52 25 A We follow the ANSI policy of keeping records 10:53 Page 58</p>	<p>1 Q And would that have meant that the -- the 10:58 2 records for the 2007 edition of 90.1 would have been 10:52 3 destroyed at the time of the 2010 publishing? 10:59 4 A If they were destroyed, then yes. 10:52 5 Q You had mentioned before the term "continuous 10:59 6 maintenance change." What does that mean? 10:53 7 A Standard 90.1 is on continuous maintenance, 10:56 8 so anyone at any time can propose a change to the 10:59 9 standard. It could be a project committee member or 10:53 10 the public. If it's the public, then there's a 10:56 11 continuous maintenance change proposal form that gets 10:51 12 submitted. 10:54 13 Q And similarly, for the continuous maintenance 10:56 14 change proposal forms, would those also have been 10:51 15 destroyed? 10:54 16 A They could have been destroyed. 10:56 17 Q Who would know whether or not these documents 10:52 18 for the 2010 prior editions of ASHRAE Standard 90.1 10:55 19 were or were not destroyed? 10:50 20 MR. CUNNINGHAM: I'm going to object 10:54 21 that the line of questioning about document 10:56 22 retention policy is outside the scope of the 10:58 23 30(b)(6) topics. 10:52 24 You can answer. 10:54 25 THE WITNESS: Okay. I would -- I -- 10:57 Page 60</p>
<p>1 back to the last prior revisions. 10:50 2 Q And what is the last prior revision for 10:50 3 Standard 90.1? 10:50 4 A 2013. 10:50 5 Q So does that mean that ASHRAE would not have 10:51 6 records for the 2010 addition of 90.1? 10:51 7 A Not necessarily. We -- if they're 10:51 8 electronic, we probably still have them. There may be 10:51 9 some in paper format that are in Iron Mountain. I 10:51 10 can't guarantee that all the prior stuff is still 10:51 11 there, especially if it's not in electronic format. 10:51 12 Q And what is Iron Mountain? 10:51 13 A It's an off-site storage facility. 10:51 14 Q And does the -- your same answer that you 10:51 15 don't necessarily have records as to the 2007 and 2004 10:51 16 edition of Standard 90.1 also apply? 10:51 17 A That would be correct. Some -- if it's 10:51 18 electronic, then we probably still have it. But if 10:51 19 it's paper, it may or may not still be at Iron 10:51 20 Mountain. 10:51 21 Q At what point would ASHRAE have destroyed 10:52 22 these documents for Standard 20 -- 90.1 2010 edition, 10:52 23 if it had done so? 10:52 24 A If we destroyed it, we could have destroyed 10:52 25 it at the time of 2013 publishing. 10:52 Page 59</p>	<p>1 there is a log of files that we keep that are 10:53 2 at Iron Mountain. I have access to those 10:54 3 logs, can find out what's there. I would not 10:54 4 know what was or was not destroyed unless I 10:54 5 brought every single box back from Iron 10:54 6 Mountain, assuming they are all labeled 10:54 7 correctly. 10:54 8 Q (BY MR. BECKER) Ms. Reiniche, looking at 10:54 9 Exhibit 1119 on page 2, where it says that ASHRAE was 10:55 10 ordered to produce lists of project committee members, 10:55 11 does Exhibit 1120 provide that list of project 10:55 12 committee members for Standard 90.1? 10:55 13 MR. CUNNINGHAM: Objection to form. 10:55 14 THE WITNESS: This is only at one point 10:55 15 in time, so this isn't every single one. 10:55 16 This is at one point. 10:55 17 Q (BY MR. BECKER) But would it provide that 10:55 18 for that one point in time? 10:55 19 A Yes. 10:55 20 Q Ms. Reiniche, I'm handing you what has been 10:56 21 marked as Exhibit 1121 -- 10:56 22 A Okay. 10:56 23 Q -- which reads "ASHRAE Roster." Could you 10:56 24 tell me what this is? 10:56 25 A This is the roster that would have been -- 10:56 Page 61</p>

<p>1 THE WITNESS: To my knowledge, it is 11:01 2 probably something we keep it's a -- if it 11:04 3 was entered in the database. At the time, we 11:06 4 had the database that tracks them. And 11:09 5 provided there's not an issue with the 11:01 6 database, then it would be kept. 11:04 7 Q (BY MR. BECKER) And what database are you 11:05 8 referring to? 11:06 9 A We have a continuous maintenance change 11:07 10 proposal access database. 11:09 11 Q And do you know when ASHRAE first started 11:02 12 using that database? 11:05 13 A Around 2003. 11:08 14 Q What kind of information does that database 11:04 15 contain? 11:07 16 A What you see in this report, which is the 11:07 17 proposer, the number, proposal date, when it was 11:00 18 received. And then there -- there will be a date that 11:03 19 isn't shown on here that tells when the committee would 11:07 20 have responded so that we can close out the proposal. 11:01 21 Q And does the database also contain the 11:06 22 content of the proposal itself? 11:00 23 A No. 11:02 24 Q Where would someone find the content of the 11:04 25 proposal itself? 11:07</p> <p style="text-align: right;">Page 66</p>	<p>1 A No. 11:07 2 Q Why is that? 11:07 3 A They just aren't using it -- there may have 11:07 4 been one way back when they did everything in paper, 11:07 5 but we don't use a Task Sheet 9 now. 11:07 6 (Exhibit 1133 marked for identification.) 11:08 7 Q (BY MR. BECKER) I'm handing you what's been 11:08 8 marked as Exhibit number 1133. This is Bates number 11:08 9 ASHRAE0002469. Could you tell me what this document 11:08 10 is? 11:08 11 A These are proposals received for continuous 11:08 12 maintenance of ASHRAE Standard 90.1 2004 dated as of 11:08 13 January 4th, 2005. 11:08 14 Q For both Exhibit 1132 and 1133, it appears 11:08 15 that the dates that the proposals were received -- 11:08 16 excuse me, let me say that again. 11:08 17 For Exhibits 1132 and 1133, it appears that 11:08 18 the date of the document in the top right corner is 11:08 19 subsequent to the year of the standard itself; is that 11:09 20 correct? 11:09 21 A You mean -- 11:09 22 Q Let me clarify. For -- for Exhibit 1132, 11:09 23 that exhibit pertains to Standard 90.1 2001, but the 11:09 24 document itself is from January 5th, 2004; is that 11:09 25 correct? 11:09</p> <p style="text-align: right;">Page 68</p>
<p>1 A If it was -- when we were saving 11:09 2 electronically, then there will be a -- what we call a 11:03 3 task sheet that we save on our network drive where 11:06 4 they're saved. And then if not, it's in paper. It 11:09 5 would have been sent to Iron Mountain. 11:03 6 Q And what would be the title of the document 11:06 7 that would have this -- one of these proposals in it? 11:09 8 A On the network drive? 11:05 9 Q Yeah. 11:06 10 MR. CUNNINGHAM: Object to form. 11:09 11 THE WITNESS: It's probably Task Sheet 6 11:01 12 would be the title. 11:05 13 Q (BY MR. BECKER) And what does -- are there 11:06 14 other task sheets? 11:03 15 A Yes. 11:04 16 Q And what are the other task sheets? 11:05 17 A There's a Task Sheet 1 for new projects; Task 11:08 18 Sheet 2 that was membership; Task Sheet 3 is title, 11:02 19 purpose and scope change. I don't believe we have a 4; 11:07 20 a Task Sheet 5, which is public review; Task Sheet 7, 11:02 21 which is publication; and Task Sheet 8, which is 11:07 22 appeals. And Task Sheet 10 might -- there might be a 11:03 23 Task Sheet 10 now. We might have switched the 11:07 24 continuous maintenance to that. 11:01 25 Q Is there a Task Sheet 9? 11:03</p> <p style="text-align: right;">Page 67</p>	<p>1 A That's correct. 11:05 2 Q And why is that? 11:05 3 A That would have been at the one-year mark -- 11:07 4 well, they have 13 months to -- to respond to 11:02 5 continuous maintenance change proposals within a year, 11:05 6 so this would have been printed prior to their January 11:07 7 2004 meeting, because we would want to know what the 11:01 8 status of the continuous maintenance change proposals 11:05 9 were at that time. 11:10 10 Q The proposals that were reflected here, would 11:11 11 those be -- if made effective, would those be made 11:16 12 effective in Standard 90.1 2001 or in a later version? 11:15 13 A A later version. 11:10 14 Q So the proposals reflected in Exhibit 1132, 11:19 15 would those, if they had been enacted, be enacted into 11:13 16 Standard 90.1 2004? 11:18 17 A Yes. 11:10 18 (Exhibit 1134 marked for identification.) 11:12 19 Q (BY MR. BECKER) I'm handing you what's been 11:10 20 marked as Exhibit 1134, Bates number ASHRAE0022821. 11:11 21 Could you tell me what this document is, please? 11:19 22 A This is the form to comment on a public 11:12 23 review draft for an addendum to 90.1 2004. 11:17 24 Q And do you see where it says "Number 2, 11:17 25 copyright release"? 11:10</p> <p style="text-align: right;">Page 69</p>

<p>1 A Yes. 11:12</p> <p>2 Q What is the significance of the copyright 11:12</p> <p>3 release? 11:12</p> <p>4 MR. CUNNINGHAM: Object to form. 11:12</p> <p>5 THE WITNESS: It -- the significance of 11:12</p> <p>6 it is when the commenter submits their 11:12</p> <p>7 comments, they are giving ASHRAE the 11:12</p> <p>8 nonexclusive rights to use whatever material 11:12</p> <p>9 they submit in their comments to change or 11:12</p> <p>10 modify the standard and then ASHRAE owns the 11:12</p> <p>11 copyright, and they don't. 11:12</p> <p>12 MR. BECKER: I'm sorry, Counsel, will 11:12</p> <p>13 you mind elaborating on the reason for your 11:12</p> <p>14 objection? 11:12</p> <p>15 MR. CUNNINGHAM: It calls for a legal 11:12</p> <p>16 conclusion. 11:12</p> <p>17 Q (BY MR. BECKER) Why does ASHRAE include the 11:12</p> <p>18 copyright release in this document? 11:12</p> <p>19 MR. CUNNINGHAM: Object to form. 11:12</p> <p>20 THE WITNESS: We include it so that we 11:12</p> <p>21 can include the material in -- in the 11:12</p> <p>22 document that they're commenting on without 11:12</p> <p>23 having to get copyright permission; because 11:13</p> <p>24 they're giving it, we don't have to go back. 11:13</p> <p>25 They're giving it when they sign it. 11:13</p> <p style="text-align: right;">Page 70</p>	<p>1 A This is a document to submit a continuous 11:11</p> <p>2 maintenance change proposal. 11:16</p> <p>3 Q Does this document contain a copyright 11:10</p> <p>4 release as well? 11:14</p> <p>5 A Yes. 11:15</p> <p>6 Q Could you please mark on the page where the 11:12</p> <p>7 copyright release is? 11:16</p> <p>8 (Witness complied with the request of counsel.) 11:13</p> <p>9 A There's two spots. 11:13</p> <p>10 MR. CUNNINGHAM: I'm going to go ahead 11:15</p> <p>11 and object again to form here, Matt. 11:19</p> <p>12 Q (BY MR. BECKER) And those two spots you've 11:18</p> <p>13 marked with a number 1 and number 2; is that correct? 11:19</p> <p>14 A That's correct. 11:12</p> <p>15 Q Why does ASHRAE use two copyright releases on 11:12</p> <p>16 this form? 11:19</p> <p>17 MR. CUNNINGHAM: Object to form. 11:10</p> <p>18 THE WITNESS: Actually, I think we 11:11</p> <p>19 allowed it so they could either sign it and 11:11</p> <p>20 send it in or they could put an electronic 11:14</p> <p>21 signature in. I just think there's a 11:17</p> <p>22 signature line that we missed when we made 11:18</p> <p>23 the form. 11:10</p> <p>24 Q (BY MR. BECKER) So this form should have 11:13</p> <p>25 a -- a signature line below the first copyright 11:14</p> <p style="text-align: right;">Page 72</p>
<p>1 Q (BY MR. BECKER) Does ASHRAE believe that it 11:10</p> <p>2 owns the copyright if somebody signs this form? 11:11</p> <p>3 A Yes. 11:16</p> <p>4 Q Would ASHRAE accept a form like this if it 11:12</p> <p>5 had not been signed and dated? 11:16</p> <p>6 A No. 11:18</p> <p>7 Q Do you know of any instance in which ASHRAE 11:11</p> <p>8 has accepted a form like this if it has not been signed 11:14</p> <p>9 and dated? 11:17</p> <p>10 A No. 11:18</p> <p>11 Q Do you have any reason to believe that this 11:11</p> <p>12 document produced by ASHRAE is not an authentic 11:13</p> <p>13 document? 11:16</p> <p>14 A No. 11:16</p> <p>15 Q And are you familiar with this document 11:11</p> <p>16 through your work at ASHRAE? 11:13</p> <p>17 A Yes. 11:16</p> <p>18 Q Is this one of the documents that you review? 11:19</p> <p>19 A Yes. 11:13</p> <p>20 (Exhibit 1135 marked for identification.) 11:16</p> <p>21 Q (BY MR. BECKER) I'm handing you what has 11:19</p> <p>22 been marked as Exhibit 1135, Bates number 11:12</p> <p>23 ASHRAE0022819. Do you recognize this document? 11:15</p> <p>24 A Yes. 11:19</p> <p>25 Q And what is this document? 11:19</p> <p style="text-align: right;">Page 71</p>	<p>1 release, but it does not? 11:10</p> <p>2 A Correct. 11:11</p> <p>3 Q And if this form were printed out and sent to 11:13</p> <p>4 ASHRAE, would ASHRAE reject it if someone had not 11:19</p> <p>5 signed below the first copyright release? 11:13</p> <p>6 A On this one, we would have allowed either the 11:17</p> <p>7 electronic signature if they printed it with the 11:10</p> <p>8 electronic or if they had signed it, because the 11:11</p> <p>9 language was the same. 11:14</p> <p>10 Q Would ASHRAE accept this document if someone 11:19</p> <p>11 had not typed in their name where it says "I, insert 11:14</p> <p>12 name"? 11:10</p> <p>13 A If -- if they did not sign it and did not 11:10</p> <p>14 insert their name, we would not accept it. 11:13</p> <p>15 Q Comparing documents Exhibits 1134 and 1135, 11:17</p> <p>16 is the copyright release in 1134 the same as the 11:12</p> <p>17 copyright release -- the first copyright release in 11:10</p> <p>18 1135? 11:13</p> <p>19 A There is missing -- oh, no, I just can't read 11:10</p> <p>20 right. No, they're the same. 11:17</p> <p>21 Q And comparing the first and second copyright 11:12</p> <p>22 release in 1135, can you say what the differences 11:16</p> <p>23 between those two are? 11:10</p> <p>24 MR. CUNNINGHAM: I'm just going to 11:11</p> <p>25 object. Matt, I think the document speaks 11:12</p> <p style="text-align: right;">Page 73</p>

1 for itself here. 11:14
 2 THE WITNESS: The -- the only difference 11:11
 3 is one we allow electronic signature, and the 11:12
 4 other is just a hand -- is a handwritten 11:15
 5 signature. 11:10
 6 Q (BY MR. BECKER) Thank you. 11:11
 7 (Exhibit 1136 marked for identification.) 11:14
 8 Q (BY MR. BECKER) I'm handing you what's been 11:12
 9 marked as Exhibit 1136, Bates number ASHRAE0022823. Do 11:14
 10 you recognize this document? 11:10
 11 A Yes. 11:12
 12 Q And what is this document? 11:13
 13 A This is the -- the form to comment on a 11:14
 14 public review draft standard guideline or addendum. 11:17
 15 THE COURT REPORTER: Can we go off the 11:10
 16 record a second? 11:14
 17 THE VIDEOGRAPHER: Going off the record 11:17
 18 at 11:19. 11:18
 19 (Recess taken.) 11:27
 20 THE VIDEOGRAPHER: Going on the record 11:28
 21 at 11:22. 11:28
 22 Q (BY MR. BECKER) Ms. Reiniche, looking again 11:26
 23 on -- at Exhibit 1136, if you look at the second page 11:26
 24 of the exhibit, could you tell me what the significance 11:22
 25 of the date on the second page is? 11:27

Page 74

1 A That was when we were -- we must have made a 11:23
 2 revision. So if we changed anything, even if it's one 11:23
 3 word, we put a new revision date on a form. 11:23
 4 Q And returning to Exhibit 1135, is that also 11:23
 5 what "revised 1/30/2006" means at the bottom of that 11:23
 6 document? 11:23
 7 A Yes. 11:23
 8 Q And returning to Exhibit 1134 at the back of 11:23
 9 that document where it says "REV 03-01-2004," is that 11:23
 10 also what that date means? 11:23
 11 A Yes. 11:24
 12 Q Thank you. 11:24
 13 (Exhibit 1137 marked for identification.) 11:24
 14 Q (BY MR. BECKER) Handing you what's been 11:24
 15 marked as Exhibit 1137. This is ASHRAE Bates number 11:24
 16 0022825. Do you recognize this document? 11:24
 17 A Yes. 11:24
 18 Q And what is this document? 11:24
 19 A This is a form for commenting on a public 11:24
 20 review draft to an ASHRAE standard, guideline or 11:24
 21 addendum. 11:24
 22 Q And does this document also contain the same 11:24
 23 copyright release -- excuse me, the same two copyright 11:24
 24 releases that had appeared on the previous exhibit? 11:24
 25 A Which one? 11:25

Page 75

1 Q 1136. 11:22
 2 A Yes. 11:25
 3 Q And which is the same as the copyright 11:26
 4 releases on Exhibit 1135; is that correct? 11:20
 5 A That's correct. 11:25
 6 Q And Exhibit 1137 says that it was revised on 11:21
 7 January 30th, 2006 on the back of the document; is that 11:26
 8 correct? 11:20
 9 A That's correct. 11:21
 10 (Exhibit 1138 marked for identification.) 11:28
 11 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 11:27
 12 you what's been marked as Exhibit 1138, Bates number 11:27
 13 ASHRAE0022820. Do you recognize this document? 11:21
 14 A Yes. 11:26
 15 Q And what is this document? 11:27
 16 A This is the form to submit a proposed change 11:28
 17 to an ASHRAE standard under continuous maintenance. 11:21
 18 Q And does this document contain the same two 11:27
 19 copyright releases that were featured in the previous 11:20
 20 exhibit, 1137? 11:24
 21 A Yes. 11:29
 22 Q And at the bottom of the page, does this 11:22
 23 document show that it was revised on March 9th, 2007? 11:24
 24 A Yes. 11:25
 25 (Exhibit 1139 marked for identification.) 11:21

Page 76

1 Q (BY MR. BECKER) I'm handing you what's been 11:26
 2 marked as Exhibit 1139. This is Bates number 11:26
 3 ASHRAE0022814. Do you recognize this document? 11:20
 4 A Yes. 11:24
 5 Q Could you tell me what this document is? 11:24
 6 A This is an Application for Project Committee 11:26
 7 Organizational Representative Membership form. 11:27
 8 Q Does this document include a copyright 11:27
 9 release under section 6? 11:20
 10 A Yes. 11:22
 11 Q Apart from referring to ASHRAE standard or 11:24
 12 guideline project committee, does this copyright 11:20
 13 release under section 6 of Exhibit 1139 appear the same 11:24
 14 as the copyright -- the first copyright release in 11:22
 15 Exhibit 1138? 11:23
 16 MR. CUNNINGHAM: Object to form. 11:26
 17 THE WITNESS: Actually, it differs. 11:20
 18 Q (BY MR. BECKER) How does it differ? 11:22
 19 A There's additional language included in 11:24
 20 Exhibit 1139. 11:29
 21 Q And could you tell me what that -- excuse me, 11:21
 22 could you tell me what that additional language is? 11:24
 23 A In the third sentence down, it adds, "to any 11:29
 24 contributions I make to documents prepared by or for 11:24
 25 such committee for ASHRAE publication." And -- and 11:28

Page 77

1 then the rest is all the same. 11:22
 2 Q Could you tell me on what date Exhibit 1139 11:21
 3 was revised? 11:21
 4 A October 2009. 11:23
 5 (Exhibit 1140 marked for identification.) 11:31
 6 Q (BY MR. BECKER) Handing you what's been 11:35
 7 marked as Exhibit 1140. Do you recognize this 11:35
 8 document? 11:32
 9 A Yes. 11:32
 10 Q Could you tell me what this document is? 11:32
 11 A This is the ASHRAE Standard Guideline Project 11:34
 12 Committee Application for Individual Membership. 11:38
 13 Q And does this Exhibit 1140 include a 11:31
 14 copyright release under section 5? 11:34
 15 A Yes. 11:36
 16 Q Could you tell me if this copyright release 11:30
 17 differs in any way from the copyright release on 11:35
 18 Exhibit 1139? 11:30
 19 MR. CUNNINGHAM: Object to form. 11:33
 20 THE WITNESS: The only difference is 11:31
 21 that on form 1139, it says "elected as an 11:34
 22 organizational member" versus 1140, which is 11:30
 23 "as a member." 11:33
 24 Q (BY MR. BECKER) Are Exhibits 1139 and 11:32
 25 Exhibits 1140 documents that individuals are required 11:35
 Page 78

1 to fill out in order to obtain membership with ASHRAE? 11:30
 2 A For project committees, yes. 11:37
 3 (Exhibit 1141 marked for identification.) 11:30
 4 Q (BY MR. BECKER) I'm handing you what's been 11:30
 5 marked as Exhibit 1141. Do you recognize this 11:31
 6 document? 11:36
 7 A Yes. 11:39
 8 Q Could you tell me what this document is? 11:30
 9 A This document is -- language includes our 11:33
 10 copyright information for electronic or -- or the 11:37
 11 signing. 11:31
 12 Q Does this document, Exhibit 1141, include the 11:36
 13 same two copyright releases that were seen in Exhibit 11:33
 14 1135? 11:39
 15 MR. CUNNINGHAM: Object to form. 11:38
 16 THE WITNESS: There's a few "and"s 11:36
 17 missing in the -- in -- in 1141 that are in 11:38
 18 1135. And in 1141, the signature line is 11:30
 19 included, which is not in 1135. But other 11:35
 20 than that, they're the same. 11:38
 21 Q (BY MR. BECKER) Thank you. 11:32
 22 Does this document appear to be redacted to 11:35
 23 you? 11:38
 24 A Yes. 11:38
 25 Q Do you know why this document is redacted? 11:39
 Page 79

1 A No. 11:32
 2 Q Does ASHRAE ordinarily keep a document that 11:38
 3 would look like this in its redacted form? 11:36
 4 A Actually, I -- I would -- correct. If it was 11:30
 5 redacted, it was probably because it had contact -- or 11:32
 6 contact information of the individual on here, and that 11:36
 7 would have been why it would have been redacted. 11:38
 8 (Exhibit 1142 marked for identification.) 11:35
 9 Q (BY MR. BECKER) I'm handing you what's been 11:34
 10 marked as Exhibit 1142. This is ASHRAE Bates number 11:35
 11 0001618. With the exception of the different Bates 11:39
 12 numbers, does this document appear to you to be 11:33
 13 identical to the previous exhibit, Exhibit 1141? 11:36
 14 A Yes. 11:32
 15 (Exhibit 1143 marked for identification.) 11:32
 16 Q (BY MR. BECKER) I'm handing you what's been 11:38
 17 marked as Exhibit 1143. Could you tell me what this 11:30
 18 document is? 11:35
 19 A This is the Form for Continuous Maintenance 11:36
 20 Change Proposal. 11:39
 21 Q And do you recognize this document? 11:30
 22 A Yes. 11:32
 23 Q And could you tell me when this document was 11:37
 24 last revised? 11:30
 25 A January 30th, 2006. 11:31
 Page 80

1 Q And does this document have the same two 11:37
 2 copyright releases as in Exhibit 1135? 11:37
 3 A Yes. 11:37
 4 (Exhibit 1144 marked for identification.) 11:37
 5 Q (BY MR. BECKER) I'm handing you what's been 11:38
 6 marked as Exhibit 1144. Do you recognize this 11:38
 7 document? 11:38
 8 A Yes. 11:38
 9 Q Could you tell me what it is? 11:38
 10 A This is the Form for Commenting in a Public 11:38
 11 Review Draft ASHRAE Standard, Guideline or Addendum. 11:38
 12 Q And looking at the second page of this 11:38
 13 document, could you tell me the date on which it was 11:38
 14 revised? 11:38
 15 A March 1st, 2004. 11:38
 16 Q And does this document have the same 11:38
 17 copyright release as Exhibit 1134? 11:38
 18 A Yes. 11:39
 19 (Exhibit 1145 marked for identification.) 11:39
 20 Q (BY MR. BECKER) Handing you what's been 11:39
 21 marked as Exhibit 1145. This is Bates number 11:39
 22 ASHRAE0001606. Could you -- do you recognize this 11:39
 23 document? 11:39
 24 A Yes. 11:39
 25 Q Could you tell me what this document is? 11:39
 Page 81

<p>1 A This is the Form for Commenting on a Public 11:39 2 Review Draft ASHRAE Standard, Guideline or Addendum. 11:32 3 Q And could you tell me the date on which this 11:37 4 was revised? 11:39 5 A March 1st, 2004. 11:33 6 Q And does this include the same copyright 11:34 7 release that was in the previous exhibit, 1144? 11:36 8 A Yes. 11:46 9 (Exhibit 1146 marked for identification.) 11:41 10 Q (BY MR. BECKER) I'm handing you what's been 11:49 11 marked as Exhibit 1146. Do you recognize this 11:40 12 document? 11:44 13 A Yes. 11:44 14 MR. BECKER: And this -- just for the 11:47 15 record, this document is Bates number 11:49 16 ASHRAE0001600. 11:41 17 Q (BY MR. BECKER) Could you tell me what this 11:45 18 document is? 11:47 19 A This is the Form for Submittal of a Proposed 11:48 20 Change to ASHRAE Standard Under Continuous Maintenance. 11:41 21 Q Could you -- could you tell me the 11:47 22 significance of the date in the bottom left-hand 11:49 23 corner? 11:43 24 A That would have been the date it was revised. 11:43 25 Q Does this document include the same copyright 11:43</p> <p style="text-align: right;">Page 82</p>	<p>1 A This is the Form for Commenting on a Public 11:43 2 Review Draft ASHRAE Standard, Guideline or Addendum. 11:43 3 Q Looking at the second page of this document, 11:43 4 could you tell me when this document was revised? 11:43 5 A January 30th, 2006. 11:43 6 Q Does this document under section 2, 11:43 7 "Copyright Release," have the same two copyright 11:43 8 releases that were in Exhibit 1135? 11:43 9 A In the first paragraph, in -- in the third 11:44 10 line down, instead of saying "the standard," like we 11:44 11 see in Exhibit 1135, in Exhibit 1148, it says "this 11:44 12 standard." 11:44 13 (Exhibit 1149 marked for identification.) 11:44 14 Q (BY MR. BECKER) I'm handing you what's been 11:44 15 marked as Exhibit 1149. Do you recognize this 11:44 16 document? 11:44 17 A Yes. 11:44 18 Q Could you tell me what this document is? 11:44 19 A This is the Form for Commenting on a Public 11:45 20 Review Draft, ASHRAE Standard, Guideline or Addendum. 11:45 21 MR. BECKER: For the record, I'll just 11:45 22 state that this is Bates number 11:45 23 ASHRAE0001610. 11:45 24 Q (BY MR. BECKER) Looking at the back of the 11:45 25 document, could you tell me the date on which this was 11:45</p> <p style="text-align: right;">Page 84</p>
<p>1 release under section 1 as was in Exhibit 1134? 11:41 2 A With the exception of splitting up a 11:41 3 sentence, it's exactly the same. There's an "and" in 11:41 4 1134 between "proposals" and "I understand" -- and "I 11:41 5 understand" that is not in 1146. 11:42 6 (Exhibit 1147 marked for identification.) 11:42 7 Q (BY MR. BECKER) I'm handing you what's been 11:42 8 marked as Exhibit 1147. This is Bates number 11:42 9 ASHRAE0001604. Do you recognize this document? 11:42 10 A Yes. 11:42 11 Q Could you tell me what this document is? 11:42 12 A This is a Continuous Maintenance Submittal 11:42 13 form. 11:42 14 Q And could you tell me when this document was 11:42 15 revised? 11:42 16 A January 30th, 2006. 11:42 17 Q Does this document include the same two 11:42 18 copyright -- copyright releases as in Exhibit 1135? 11:42 19 A Yes. 11:43 20 (Exhibit 1148 marked for identification.) 11:43 21 Q (BY MR. BECKER) I'm handing you what's been 11:43 22 marked as Exhibit 1148. Do you recognize this 11:43 23 document? 11:43 24 A Yes. 11:43 25 Q Could you tell me what this document is? 11:43</p> <p style="text-align: right;">Page 83</p>	<p>1 revised? 11:45 2 A January 30th, 2006. 11:45 3 Q Does this document, Exhibit 1149, have the 11:45 4 same copyright releases as in the previous exhibit, 11:45 5 1148? 11:45 6 A Yes. 11:45 7 (Exhibit 1150 marked for identification.) 11:45 8 Q (BY MR. BECKER) I'm handing you what's been 11:46 9 marked as Exhibit 1150. This is Bates number 11:46 10 ASHRAE0001605. Do you recognize this document? 11:46 11 A Yes. 11:46 12 Q And could you tell me what this document is? 11:46 13 A This is the Form for Submittal of a Proposed 11:46 14 Change to an ASHRAE Standard Under Continuous 11:46 15 Maintenance. 11:46 16 Q And could you tell me, looking at the bottom 11:46 17 right-hand corner, the date on which this was revised? 11:46 18 A March 9th, 2007. 11:46 19 Q And does Exhibit 1150 have the same two 11:46 20 copyright releases as Exhibit 1135? 11:46 21 A With the exception of an "and" that's in 11:47 22 paragraph -- in the second paragraph of 1135, where 11:47 23 it's between "proposals" and "I understand," it's the 11:47 24 same. 11:47 25 (Exhibit 1151 marked for identification.) 11:47</p> <p style="text-align: right;">Page 85</p>

<p>1 Q (BY MR. BECKER) I'm handing you what has 11:48 2 been marked as Exhibit 1151. Do you recognize this 11:40 3 document? 11:42 4 A Yes. 11:42 5 Q Could you tell me what this document is? 11:43 6 A This is an Application for Project Committee 11:45 7 Organizational Representative Membership. 11:47 8 Q And looking at the bottom left-hand corner, 11:41 9 could you tell me the date on which this was revised? 11:45 10 A October 2009. 11:48 11 Q Comparing the copyright release -- excuse me. 11:40 12 Is there a copyright release under Exhibit -- 11:45 13 excuse me, section 6 of Exhibit 1151? 11:47 14 A Yes. 11:41 15 Q And comparing that copyright release on 11:43 16 Exhibit 1151 with the copyright release on 11:47 17 Exhibit 1139, can you tell me if they are identical? 11:42 18 A They are identical. 11:41 19 Q Thank you. 11:46 20 (Exhibit 1152 marked for identification.) 11:48 21 Q (BY MR. BECKER) Handing you Exhibit 1152, 11:41 22 Bates number ASHRAE0001616. Do you recognize this 11:43 23 document? 11:49 24 A Yes. 11:49 25 Q Could you tell me what this document is? 11:43</p> <p style="text-align: right;">Page 86</p>	<p>1 MR. BECKER: For the record, I'll note 11:57 2 that this is Bates number ASHRAE0001612. 11:58 3 Q (BY MR. BECKER) Are users of the ASHRAE 11:56 4 website required to fill in their name into the box 11:58 5 that says "Name of whoever is logged in to comment 11:54 6 would be entered here"? 11:57 7 MR. CUNNINGHAM: Objection to form. 11:59 8 THE WITNESS: In order to comment, any 11:52 9 member of the public would have to enter 11:55 10 their name as it would appear above that line 11:58 11 and hit "I agree" in order to comment in the 11:50 12 online comment database. 11:54 13 Q (BY MR. BECKER) Could you tell me who checks 11:55 14 that box for names? 11:58 15 A You can't go forward. If you click "I do not 11:51 16 agree," you cannot submit a comment. 11:53 17 Q If -- does somebody check whatever names are 11:56 18 put in there to make sure that they match with the 11:50 19 person who's submitting the comments? 11:53 20 A Do you mean can I physically tell if you were 11:58 21 signed in as somebody else and put their name in there? 11:52 22 Q Yes. 11:56 23 A I cannot physically tell that. 11:58 24 Q And if -- if I went on to the ASHRAE website 11:51 25 and I put in my name as just the letter Z and clicked 11:56</p> <p style="text-align: right;">Page 88</p>
<p>1 A This is the ASHRAE Standard Guideline Project 11:44 2 Committee Application for Individual Membership. 11:47 3 Q And could you tell me the date on which this 11:56 4 was revised? 11:57 5 A October 2009. 11:58 6 Q Comparing the -- excuse me. 11:52 7 Is there a copyright release at section 5 of 11:59 8 Exhibit 1152? 11:52 9 A Yes. 11:54 10 Q Comparing the copyright release on section 5 11:56 11 of Exhibit 1152 with the copyright release from 11:58 12 Exhibit 1151, could you tell me if there are any 11:52 13 differences between the two? 11:56 14 A The difference is on 1151, it's for an 11:55 15 organizational member; and 1152, it's a member. 11:59 16 Q Thank you. 11:56 17 (Exhibit 1153 marked for identification.) 11:56 18 Q (BY MR. BECKER) I'm handing you what's been 11:58 19 marked as Exhibit 1153. Do you recognize this 11:54 20 document? 11:50 21 A Yes. 11:51 22 Q Could you tell me what this document is? 11:54 23 A This is how you would enter a comment on the 11:55 24 online comment database with entering the -- your name 11:58 25 into that field and "I agree" in order to go forward. 11:52</p> <p style="text-align: right;">Page 87</p>	<p>1 "I agree," would it allow me to proceed? 11:53 2 A No. 11:56 3 Q And how does it stop me from proceeding? 11:57 4 A There is a name -- where you see "Name of 11:50 5 whoever is logged in to comment would be entered here," 11:53 6 the system generates the letters -- for example, for 11:56 7 mine, it would say Mrs. Stephanie R-E-I-N, is where it 11:51 8 ends up stop -- it goes to a certain amount of 11:55 9 characters. That's what I enter there and hit "I 11:58 10 agree." 11:51 11 Q So it might not allow you to enter your full 11:53 12 name? 11:56 13 A Correct. You have to enter whatever it shows 11:56 14 above there, because it's -- you know, it's got so 11:58 15 many -- the coding is such to so many characters. 11:52 16 Q And where would it show the person's name? 11:57 17 A Where you see "Name of whoever is logged in 11:59 18 to comment would be entered here," their name would 11:52 19 appear there. 11:56 20 Q Okay. Does this Exhibit 1153 include a 11:56 21 copyright release? 11:56 22 A Yes. 11:57 23 Q And is that the second paragraph on 11:51 24 Exhibit 1153? 11:54 25 A Yes. 11:56</p> <p style="text-align: right;">Page 89</p>

<p>1 Q And does this copyright release on 11:52 2 Exhibit 1153 appear identical to the second copyright 11:55 3 release on Exhibit 1135? 11:50 4 A Other than the fact you can't do the "I, 11:53 5 insert name," it starts with "I, hereby," it's the 11:56 6 same. 11:50 7 (Exhibit 1154 marked for identification.) 11:53 8 Q (BY MR. BECKER) I'm handing you what's been 11:50 9 marked as Exhibit 1154. Do you recognize this 11:50 10 document? 11:54 11 A Yes. 11:56 12 MR. BECKER: For the record, this is 11:58 13 Bates number ASHRAE0022827. 11:59 14 Q (BY MR. BECKER) Could you tell me what this 11:53 15 document is? 11:54 16 A This is the -- where you would go to log in 11:54 17 at the online comment database, and it shows me as 11:50 18 being logged in, because my name appears, 11:53 19 Mrs. Stephanie C. R-E-I-N. 11:57 20 Q And does this document, Exhibit 1154, include 11:59 21 a copyright release? 11:54 22 A Yes. 11:55 23 Q And is this copyright release identical to 11:56 24 the copyright release in Exhibit 1153? 11:58 25 A Yes. 11:59</p> <p style="text-align: right;">Page 90</p>	<p>1 A No. 11:53 2 MR. CUNNINGHAM: Object to the form on 11:55 3 that. 11:56 4 Q (BY MR. BECKER) Does ASHRAE see a difference 11:51 5 between copyright releases and copyright assignments? 11:54 6 MR. CUNNINGHAM: Object to the form. 11:57 7 THE WITNESS: No. 11:58 8 Q (BY MR. BECKER) Do you see a difference 11:51 9 between copyright releases and copyright assignments? 11:52 10 MR. CUNNINGHAM: Object insofar as it's 11:56 11 outside the scope. 11:59 12 THE WITNESS: No. 11:51 13 Q (BY MR. BECKER) Is there any way in which 11:56 14 someone who contributed text to Standards 90.1 or to 11:58 15 the 1993 ASHRAE handbook would have given copyright 12:05 16 rights to ASHRAE, other than through the copyright 12:04 17 releases that we have discussed today? 12:09 18 MR. CUNNINGHAM: Object to form. 12:03 19 THE WITNESS: Do you mean because their 12:08 20 company submitted -- they took language from 12:01 21 a different document and put it in there? 12:03 22 Q (BY MR. BECKER) I mean, does ASHRAE believe 12:06 23 that it owns the copyright in contributions to 12:08 24 Standard 90.1 or to the 1993 ASHRAE handbook by virtue 12:05 25 of any copyright assignments or releases, other than 12:00</p> <p style="text-align: right;">Page 92</p>
<p>1 Q Ms. Reiniche, do you know when this copyright 11:50 2 release was first added to the ASHRAE website? 11:57 3 A It would have been when we started the online 11:54 4 comment database, which was around 2005 -- no, I'm 11:56 5 sorry, around 2008. 11:57 6 Q And for the online comment database, has it 11:54 7 always required individuals to enter their name and 11:58 8 click "I agree" -- 11:53 9 A Yes. 11:54 10 Q -- in order to gain access? 11:55 11 Ms. Reiniche, I will represent to you that we 11:59 12 have now produced before you as exhibits all of the 11:51 13 blank copyright releases that ASHRAE has produced to 11:55 14 Public Resource through discovery. 11:50 15 Are you aware of any other copyright releases 11:53 16 that ASHRAE uses in order to get copyright for 11:57 17 Standards 90.1 or for the 1993 ASHRAE handbook that 11:53 18 have not been produced to Public Resource? 11:50 19 A I'm not aware of anything that has not been 11:53 20 produced. 11:55 21 Q Is ASHRAE aware of any copyright releases 11:57 22 that have not been produced to Public Resource? 11:50 23 A No. 11:54 24 Q Is ASHRAE aware of any copyright assignments 11:57 25 that have not been produced to Public Resource? 11:51</p> <p style="text-align: right;">Page 91</p>	<p>1 those that we have discussed today? 12:04 2 A No. 12:08 3 Q And does ASHRAE believe that it owns 12:09 4 copyright in contributions to Standards 90.1 or to the 12:02 5 1993 handbook by virtue of any other means, other than 12:06 6 those copyright releases that we have discussed today? 12:01 7 A No. 12:05 8 MR. CUNNINGHAM: I'm going to object 12:08 9 insofar as the last few questions called for 12:09 10 legal conclusions. 12:01 11 MR. BECKER: I think that we can stop 12:01 12 for lunch here, if that works for the rest of 12:03 13 you. 12:05 14 THE VIDEOGRAPHER: Going off the record 12:06 15 at 12:01. 12:07 16 (Lunch recess.) 13:04 17 (Exhibit 1155 marked for identification.) 13:05 18 THE VIDEOGRAPHER: Going on the record 13:02 19 at 13:03. 13:03 20 Q (BY MR. BECKER) Ms. Reiniche, we're back on 13:03 21 the record now. 13:05 22 Did you have anything that you had remembered 13:06 23 or wanted to add to prior testimony today? 13:09 24 A No. 13:03 25 Q Thank you. 13:04</p> <p style="text-align: right;">Page 93</p>

<p>1 Now, Ms. Reiniche, I'm handing you what's 13:05 2 been marked as Exhibit 1155. It's Bates number 13:09 3 ASHRAE0001598. So, Ms. Reiniche, my sincere apologies. 13:07 4 I had missed this one last document that pertains to 13:04 5 the subject that we were discussing prior to lunch. 13:08 6 Can you tell me if you recognize this 13:02 7 document? 13:04 8 A Yes. 13:04 9 Q And can you tell me what this document is? 13:05 10 A This is an Application for Membership on 13:09 11 ASHRAE Standard or Guideline Project Committee. 13:01 12 Q And can you tell me if this document contains 13:03 13 a copyright assignment? 13:06 14 A Yes, under number 7. 13:08 15 Q Okay. And could you tell me if after seeing 13:09 16 this document if that changes any of your answers 13:01 17 earlier today? 13:05 18 A No, it does not. 13:05 19 Q Thank you. 13:07 20 Ms. Reiniche, could you walk me through at a 13:07 21 high level how ASHRAE standard -- standards are 13:00 22 created? 13:03 23 A Sure. So it starts with a title, purpose and 13:03 24 scope being submitted for consideration to be approved. 13:08 25 That would have been approved by the procedures, policy 13:03 Page 94</p>	<p>1 publication. If they need to make more changes, it 13:06 2 will go back to the public review process. 13:08 3 Q So in this process that you were describing, 13:01 4 it's the standards committee that would begin drafting 13:05 5 the document; is that correct? 13:08 6 A No. It's the project committee that drafts 13:09 7 the document. 13:01 8 Q And the process that you just described, is 13:01 9 that the process that's used for ASHRAE Standard 90.1? 13:06 10 A It would have when it was started. The 13:02 11 difference -- there's a little difference now because 13:04 12 it's on continuous maintenance. 13:06 13 Q And what -- what does that difference mean? 13:08 14 A The difference is the membership is on a 13:00 15 four-year rotating cycle, so one -- basically, roughly 13:04 16 one-third of the committee would roll off every four 13:08 17 years, so they're not -- everyone is not coming off at 13:01 18 the same time. And new members will be added, so 13:04 19 they're added continuously, typically once a year. 13:07 20 Then instead of the full draft going out, 13:02 21 their addenda are issued to go out for public review 13:07 22 and comment. They'd either come from stuff that has 13:00 23 been generated by the committee or through a continuous 13:03 24 maintenance change proposal. And then the rest of the 13:05 25 process would follow the same way. 13:07 Page 96</p>
<p>1 interpretation subcommittee, then forwarded to the 13:07 2 standards committee for approval. Depending on what 13:02 3 year, it would have had to go to tech council, but 13:06 4 always ends up at our board of directors to approve the 13:00 5 title, purpose and scope for a new standard project 13:03 6 committee or guideline. 13:07 7 Then after that, you would do a call for 13:09 8 members, people would submit the membership 13:02 9 applications, and then the committee chair would 13:05 10 recommend to the standards project liaison subcommittee 13:08 11 and standards committee their membership. 13:01 12 And then the committee would -- would begin 13:06 13 working on drafting the document. Then they would 13:00 14 approve it for public review. And then depending on 13:04 15 what type of committee, would dictate how much more 13:08 16 oversight. So standards project liaison subcommittee 13:03 17 or the SPLS liaison would -- would say it's okay to go 13:06 18 out for public review. It goes out for comment. 13:01 19 The committee reviews all the comments, 13:05 20 responds to all the commenters. And then the 13:07 21 commenters have to indicate their resolution status. 13:00 22 And then the committee needs to decide whether or not 13:03 23 changes need to be made to the standard -- to the 13:06 24 document based on the comments received, or if not -- 13:09 25 if not, it goes for -- they'll approve it for 13:02 Page 95</p>	<p>1 Q And the -- who drafts the title, purpose and 13:03 2 scope? 13:07 3 A The title, purpose and scope can be -- a new 13:02 4 one can be submitted by anyone. I could submit one; 13:05 5 you could submit one. The technical committee within 13:07 6 ASHRAE is usually how it's submitted. 13:01 7 Q And is the technical committee, are they 13:02 8 volunteers or are they employees of ASHRAE? 13:07 9 A Volunteers. 13:00 10 Q And the project committee as well is 13:01 11 volunteers, correct? 13:03 12 A That's correct. 13:04 13 Q How are ASHRAE employees involved in the 13:01 14 creation and maintenance of ASHRAE Standard 90.1? 13:05 15 A In the -- are you talking from now or are you 13:01 16 talking about when it was first started? 13:04 17 Q Let's -- let's go from when it first started 13:07 18 until now. 13:09 19 A So when the title, purpose and scope would 13:01 20 have been proposed, a staff member would -- would 13:03 21 review that to make sure it's in the correct format 13:05 22 and, if there is some questions, would actually send it 13:09 23 back to whoever had proposed it to make -- to correct 13:01 24 it or say if they're okay, if we met their intent, and 13:05 25 then send it forward to -- it probably when -- 19 -- 13:09 Page 97</p>

<p>1 Now, Ms. Reiniche, I'm handing you what's 13:05 2 been marked as Exhibit 1155. It's Bates number 13:09 3 ASHRAE0001598. So, Ms. Reiniche, my sincere apologies. 13:07 4 I had missed this one last document that pertains to 13:04 5 the subject that we were discussing prior to lunch. 13:08 6 Can you tell me if you recognize this 13:02 7 document? 13:04 8 A Yes. 13:04 9 Q And can you tell me what this document is? 13:05 10 A This is an Application for Membership on 13:09 11 ASHRAE Standard or Guideline Project Committee. 13:01 12 Q And can you tell me if this document contains 13:03 13 a copyright assignment? 13:06 14 A Yes, under number 7. 13:08 15 Q Okay. And could you tell me if after seeing 13:09 16 this document if that changes any of your answers 13:01 17 earlier today? 13:05 18 A No, it does not. 13:05 19 Q Thank you. 13:07 20 Ms. Reiniche, could you walk me through at a 13:07 21 high level how ASHRAE standard -- standards are 13:00 22 created? 13:03 23 A Sure. So it starts with a title, purpose and 13:03 24 scope being submitted for consideration to be approved. 13:08 25 That would have been approved by the procedures, policy 13:03 Page 94</p>	<p>1 publication. If they need to make more changes, it 13:06 2 will go back to the public review process. 13:08 3 Q So in this process that you were describing, 13:01 4 it's the standards committee that would begin drafting 13:05 5 the document; is that correct? 13:08 6 A No. It's the project committee that drafts 13:09 7 the document. 13:01 8 Q And the process that you just described, is 13:01 9 that the process that's used for ASHRAE Standard 90.1? 13:06 10 A It would have when it was started. The 13:02 11 difference -- there's a little difference now because 13:04 12 it's on continuous maintenance. 13:06 13 Q And what -- what does that difference mean? 13:08 14 A The difference is the membership is on a 13:00 15 four-year rotating cycle, so one -- basically, roughly 13:04 16 one-third of the committee would roll off every four 13:08 17 years, so they're not -- everyone is not coming off at 13:01 18 the same time. And new members will be added, so 13:04 19 they're added continuously, typically once a year. 13:07 20 Then instead of the full draft going out, 13:02 21 their addenda are issued to go out for public review 13:07 22 and comment. They'd either come from stuff that has 13:00 23 been generated by the committee or through a continuous 13:03 24 maintenance change proposal. And then the rest of the 13:05 25 process would follow the same way. 13:07 Page 96</p>
<p>1 interpretation subcommittee, then forwarded to the 13:07 2 standards committee for approval. Depending on what 13:02 3 year, it would have had to go to tech council, but 13:06 4 always ends up at our board of directors to approve the 13:00 5 title, purpose and scope for a new standard project 13:03 6 committee or guideline. 13:07 7 Then after that, you would do a call for 13:09 8 members, people would submit the membership 13:02 9 applications, and then the committee chair would 13:05 10 recommend to the standards project liaison subcommittee 13:08 11 and standards committee their membership. 13:01 12 And then the committee would -- would begin 13:06 13 working on drafting the document. Then they would 13:00 14 approve it for public review. And then depending on 13:04 15 what type of committee, would dictate how much more 13:08 16 oversight. So standards project liaison subcommittee 13:03 17 or the SPLS liaison would -- would say it's okay to go 13:06 18 out for public review. It goes out for comment. 13:01 19 The committee reviews all the comments, 13:05 20 responds to all the commenters. And then the 13:07 21 commenters have to indicate their resolution status. 13:00 22 And then the committee needs to decide whether or not 13:03 23 changes need to be made to the standard -- to the 13:06 24 document based on the comments received, or if not -- 13:09 25 if not, it goes for -- they'll approve it for 13:02 Page 95</p>	<p>1 Q And the -- who drafts the title, purpose and 13:03 2 scope? 13:07 3 A The title, purpose and scope can be -- a new 13:02 4 one can be submitted by anyone. I could submit one; 13:05 5 you could submit one. The technical committee within 13:07 6 ASHRAE is usually how it's submitted. 13:01 7 Q And is the technical committee, are they 13:02 8 volunteers or are they employees of ASHRAE? 13:07 9 A Volunteers. 13:00 10 Q And the project committee as well is 13:01 11 volunteers, correct? 13:03 12 A That's correct. 13:04 13 Q How are ASHRAE employees involved in the 13:01 14 creation and maintenance of ASHRAE Standard 90.1? 13:05 15 A In the -- are you talking from now or are you 13:01 16 talking about when it was first started? 13:04 17 Q Let's -- let's go from when it first started 13:07 18 until now. 13:09 19 A So when the title, purpose and scope would 13:01 20 have been proposed, a staff member would -- would 13:03 21 review that to make sure it's in the correct format 13:05 22 and, if there is some questions, would actually send it 13:09 23 back to whoever had proposed it to make -- to correct 13:01 24 it or say if they're okay, if we met their intent, and 13:05 25 then send it forward to -- it probably when -- 19 -- 13:09 Page 97</p>

1 90.1 was developed in, I think, 1975. They probably 13:05
 2 didn't have all the subcommittees that we have now, but 13:01
 3 would have went through the approving bodies up through 13:04
 4 the board that way. 13:07
 5 Q And would there have been a project committee 13:07
 6 as well for -- for the original 90.1? 13:09
 7 A Yes. 13:01
 8 Q And during that process, did staff members 13:09
 9 draft any of the text for 90.1? 13:15
 10 A From the beginning? 13:10
 11 Q Yeah. 13:12
 12 A Not unless they were making the edits to -- 13:13
 13 because of conformity and -- or conflicts or things 13:16
 14 like that. 13:19
 15 Q And would staff members have contributed any 13:12
 16 text to subsequent versions of 90.1? 13:18
 17 A In the same way, either in the discussions, 13:10
 18 if there's a conflict or stuff doesn't -- or through 13:13
 19 the editing and review of the material. 13:17
 20 Q And does ASHRAE have any record of that? 13:12
 21 A If it was done -- it would have been done via 13:17
 22 email, at the time email started. 90.1 started before 13:10
 23 the Internet, so if the -- if -- if the records still 13:15
 24 existed, it would have been in paper format. 13:10
 25 Q What is ASHRAE's purpose in creating these 13:11
 Page 98

1 standards? 13:14
 2 A It's to -- the purpose is to advance the 13:16
 3 building sciences. We have a long mission statement, 13:12
 4 but that's essentially what it is. 13:16
 5 Q Does ASHRAE's mission statement reflect its 13:15
 6 purposes in -- in developing these standards? 13:18
 7 A I would say yes. 13:13
 8 Q And how does ASHRAE advance the building 13:16
 9 sciences? 13:19
 10 A I would -- well, I would say through the 13:12
 11 development of the -- the standards that affect, you 13:15
 12 know, the energy efficiency of buildings, indoor air 13:18
 13 quality, indoor environmental quality. I'm sure 13:12
 14 there's other things that we create, courses and books 13:15
 15 that are outside the standards development process that 13:18
 16 we do as well. 13:11
 17 Q And why is it that individuals who are not 13:10
 18 employees of ASHRAE participate in the standard design 13:16
 19 process? 13:19
 20 MR. CUNNINGHAM: Object to form. 13:13
 21 THE WITNESS: I would say because for 13:14
 22 various reasons it could affect their 13:18
 23 company. Maybe they want to make the world a 13:10
 24 better place, maybe it affects the codes. It 13:13
 25 varies. It depends on the individuals. 13:16
 Page 99

1 Q (BY MR. BECKER) And by "the codes," are you 13:18
 2 referring to the standards that have been enacted into 13:19
 3 regulation? 13:14
 4 A That and -- and the international codes, the 13:14
 5 codes spelled by NFPA, IAPMO. 13:19
 6 Q Are there any other reasons why -- why 13:13
 7 individuals who are not employees of ASHRAE participate 13:16
 8 in the ASHRAE development -- standard development 13:19
 9 process? 13:13
 10 MR. CUNNINGHAM: Object to form. 13:14
 11 THE WITNESS: I'm sure there are. I 13:15
 12 just -- that's not a question I ask when 13:16
 13 people apply for membership. 13:19
 14 Q (BY MR. BECKER) Does ASHRAE draw -- draft 13:11
 15 model laws or ordinances? 13:14
 16 A Where we would start with the drafting for 13:16
 17 the law, is that what you mean? 13:11
 18 Q Does ASHRAE oversee the drafting of model 13:12
 19 laws and ordinances? 13:16
 20 A We submit comments on things that are coming 13:18
 21 out through -- through -- through the -- through 13:10
 22 Congress or that have been posted in the Federal 13:12
 23 Register; things like that. 13:15
 24 Q And what's the purpose of submitting comments 13:16
 25 in -- for things that are coming out in legislation and 13:19
 Page 100

1 regulation as you're describing? 13:11
 2 A The purpose is to -- to -- typically, you 13:14
 3 want stuff that's been done through consensus process 13:19
 4 and has the expertise, so that may be a reason. 13:13
 5 Another reason may be to make it consistent language 13:17
 6 with what's already out there in our standards or 13:10
 7 others; that type of thing. 13:14
 8 Q When you say "you want stuff that's been done 13:15
 9 through the consensus process," who is "you" in that 13:10
 10 sentence? 13:14
 11 A ASHRAE. 13:15
 12 Q ASHRAE. Okay. 13:15
 13 And why is it that ASHRAE wants things that 13:18
 14 have been done through the consensus process? 13:11
 15 A Because the -- the proper experts are 13:14
 16 participating in the development of those documents, 13:17
 17 it's -- it's been vetted in the industry, people have 13:10
 18 had a chance to comment. We've tried to reach 13:13
 19 resolution so, you know, an equal amount of people are 13:17
 20 unhappy. 13:10
 21 Q And you referred to an interest in expertise 13:14
 22 in the process of drafting legislation and regulation. 13:18
 23 Does that also reflect ASHRAE's interest in -- in 13:13
 24 having expertise reflected in that process? 13:17
 25 MR. CUNNINGHAM: Object to the form. 13:19
 Page 101

1 THE WITNESS: I'm not sure what you 13:11
 2 mean. 13:12
 3 Q (BY MR. BECKER) Okay. Just a moment ago, 13:13
 4 you said the purpose is to -- "typically, you want 13:16
 5 stuff that's been done through consensus process and 13:10
 6 has the expertise, so that may be a reason." So what 13:13
 7 did you mean by "has expertise" there? 13:18
 8 A So if you're writing, for example, something 13:12
 9 on how to create a widget, you want the people that 13:14
 10 know how to create a widget, the information coming 13:18
 11 from that versus someone who has -- in legislation may 13:11
 12 have a marketing degree that doesn't understand how to 13:16
 13 create that widget. 13:18
 14 Q And so for air-conditioning or heating, you 13:19
 15 would want somebody who has expertise in that area, 13:13
 16 rather than necessarily a legislator or a regulator who 13:17
 17 doesn't have expertise in that area; is that correct? 13:11
 18 A We would want the information to come through 13:15
 19 stuff that had been done by the expert to be reflected, 13:17
 20 that would be correct. 13:11
 21 Q And why is that important to have it come 13:12
 22 from an expert? 13:14
 23 A Because they're the ones that understand how 13:15
 24 to make that product or how to construct that building 13:17
 25 or how to make something more energy efficient; that 13:10
 Page 102

1 type of thing. 13:13
 2 Q Is there technical expertise that's necessary 13:14
 3 in order to understand that subject? 13:17
 4 MR. CUNNINGHAM: Object to the form. 13:19
 5 THE WITNESS: It depends on what you're 13:15
 6 writing. But I don't think you can do it 13:16
 7 just with -- just looking at something. You 13:19
 8 have to have some knowledge. 13:12
 9 Q (BY MR. BECKER) So for -- to make it 13:13
 10 concrete for Standard 90.1, is that a standard that 13:15
 11 would require technical expertise in order to know what 13:19
 12 its contents were and what should be enacted into law? 13:16
 13 MR. CUNNINGHAM: Object to the form. 13:19
 14 THE WITNESS: You need to understand 13:12
 15 how -- all of 90.1. It does help to have 13:15
 16 technical expertise in engineering. Whether 13:18
 17 or not something needs -- the technical 13:11
 18 expertise is needed to go into the law, I 13:13
 19 would still venture on the side of yes. 13:17
 20 Q (BY MR. BECKER) How does one identify a 13:10
 21 particular ASHRAE standard? Is there -- is there a 13:14
 22 particular naming convention that ASHRAE uses for its 13:19
 23 standards? 13:11
 24 A Each has a number, and so it's just 13:13
 25 sequential in number; whatever number we are last at is 13:16
 Page 103

1 the next number for a standard. There are a couple 13:19
 2 when they're tied together; for example, 90.1 has a 13:19
 3 90.2 and a 90.4, because they cover -- it's energy 13:19
 4 efficiency, but they cover a certain building type. 13:19
 5 Q And when referring to these standards, if 13:19
 6 they were referred to in, say, regulation, would it 13:19
 7 need to say ASHRAE 90.1 or could the regulation simply 13:19
 8 say 90.1 and would people know what that was referring 13:19
 9 to? 13:19
 10 MR. CUNNINGHAM: Object to the form. 13:19
 11 MR. FEE: Same objection. 13:19
 12 THE WITNESS: If you're within ASHRAE, 13:19
 13 you will know ASHRAE 90.1. If you just said 13:19
 14 90.1, I would probably want you to say 13:19
 15 ANSI/ASHRAE Standard 90.1 and the year, so 13:19
 16 you know which document they're talking 13:19
 17 about. 13:19
 18 Q (BY MR. BECKER) Would that be the correct 13:19
 19 way to cite the ASHRAE 90.1 standard? 13:19
 20 MR. FEE: Objection, form. 13:20
 21 THE WITNESS: I would include the title. 13:20
 22 The first reference you make as well still 13:20
 23 makes it clear. 13:20
 24 Q (BY MR. BECKER) Yeah. So people should say 13:20
 25 ANSI/ASHRAE Standard 90.1? 13:20
 Page 104

1 MR. FEE: Same objection. 13:20
 2 THE WITNESS: They should say 13:20
 3 ANSI/ASHRAE Standard 90.1, energy efficiency 13:20
 4 for -- oh, I just lost the blank -- my -- for 13:20
 5 buildings -- not -- except for residential 13:20
 6 buildings or something. 13:20
 7 Q (BY MR. BECKER) Thank you. 13:20
 8 Referring back to Exhibit 1155, on the back 13:21
 9 of that exhibit, Bates number ASHRAE0001599, it refers 13:21
 10 to interest categories; is that correct? 13:21
 11 A That's correct. 13:21
 12 Q And it has a -- an interest category that 13:22
 13 includes user; is that correct? 13:22
 14 A That's correct. 13:22
 15 Q And within the user interest category is a 13:22
 16 subcategory for a user government; is that correct? 13:22
 17 A That's correct. 13:22
 18 Q And that's for a representative of a 13:22
 19 government agency; is that correct? 13:22
 20 A That would be correct. 13:22
 21 Q And this document by the -- the date on the 13:22
 22 bottom left-hand corner, does that mean that this 13:22
 23 document was last revised on March 5th, 2001? 13:22
 24 A Yes. 13:22
 25 Q Thank you. 13:22
 Page 105

1 And if you refer to Exhibit 1151, please. 13:22
 2 A Okay. 13:23
 3 Q This also has, under section 5, a listing of 13:23
 4 check boxes for interest categories; is that correct? 13:23
 5 A That's correct. 13:23
 6 Q And for SSPC 90.1, those categories include 13:23
 7 compliance, designer, general interest, industry, user 13:23
 8 and utility; is that correct? 13:23
 9 A That's correct. 13:23
 10 Q And if you turn to the next page, Bates 13:23
 11 number ASHRAE0001614, that includes a -- the 13:23
 12 definitions of these interest categories; is that 13:23
 13 correct? 13:23
 14 A That's correct. 13:23
 15 Q And for compliance, would that category 13:23
 16 include regulators? 13:23
 17 A If you -- if you include them as federal 13:24
 18 officials, then yes. 13:24
 19 Q And who makes the determination for these 13:24
 20 particular interest categories? 13:24
 21 A Do you mean who decides which interest 13:24
 22 category a person belongs in? 13:24
 23 Q Yes. 13:24
 24 A The applicant suggests which interest 13:24
 25 category they belong in, then the chair of the -- of 13:24
 Page 106

1 the project committee will review that information, 13:23
 2 look at all their applicable paperwork, and then decide 13:26
 3 if that's correct. 13:29
 4 They may say no and put them in a different 13:21
 5 interest category. And then SPLS will look at that 13:24
 6 recommendation, and they could look at the same 13:20
 7 paperwork and determine that they're still not in the 13:22
 8 correct interest category and move them into a 13:26
 9 different one. 13:28
 10 Q And so has it happened that people have been 13:28
 11 moved from one interest category to a different one? 13:20
 12 A Yes. 13:27
 13 (Exhibit 1156 and Exhibit 1157 marked for 13:28
 14 identification.) 13:21
 15 Q (BY MR. BECKER) I'd like to hand you what's 13:21
 16 been marked as 1 -- Exhibits 1156 and Exhibits 1157. 13:23
 17 Exhibit 1156 is Bates number ASHRAE0026227. And then 13:27
 18 Exhibit 1157 is Bates number ASHRAE0026229. 13:23
 19 Do you recognize these documents, 13:24
 20 Ms. Reiniche? 13:26
 21 A Yes. 13:27
 22 Q And could you tell me what these documents 13:21
 23 are? 13:23
 24 A Document 1156 is an email conversation 13:26
 25 regarding a meeting that's -- that was going to occur 13:21
 Page 107

1 with the Department of Energy with senior leadership 13:24
 2 within ASHRAE. 13:29
 3 And document 1157 appears to be a draft, 13:22
 4 because -- since it's not signed, I can't say it's the 13:21
 5 official one, but a Draft Memorandum of Understanding 13:24
 6 Between the Department of Energy and ASHRAE. 13:27
 7 Q And does it appear to you that this draft, 13:22
 8 the Exhibit 1157, was the attachment to Exhibit 1156? 13:20
 9 A Well, I would say it probably is the exhibit, 13:20
 10 but since the document doesn't have a -- a thing that 13:24
 11 says DOEMOU.doc on it, I would have to assume that it 13:29
 12 is the same one. 13:25
 13 Q I'll -- I'll represent that -- that it is 13:25
 14 the -- the attachment. 13:27
 15 Could you tell me what -- what is the purpose 13:22
 16 of the Department of Energy Memorandum of Understanding 13:24
 17 with ASHRAE? 13:20
 18 A Its -- its basic purpose is to talk about 13:21
 19 ways that we're going to work together or towards 13:24
 20 goals. 13:28
 21 Q And does ASHRAE have a history of working 13:25
 22 together with the Department of Energy? 13:27
 23 A Yes. 13:21
 24 Q How long has ASHRAE been working with the 13:21
 25 Department of Energy? 13:27
 Page 108

1 MR. CUNNINGHAM: Object to the form. 13:22
 2 THE WITNESS: I would probably say since 13:22
 3 at least 90.1 has been as part of -- adopted 13:24
 4 into EPAAct as the minimum energy efficiency 13:26
 5 for commercial buildings. 13:21
 6 Q (BY MR. BECKER) Do you have any idea when -- 13:23
 7 approximately when that would have been? 13:24
 8 A I would -- I want to say '99, but I'm -- I 13:32
 9 need to check. 13:36
 10 Q What's the -- the -- what -- what is the 13:38
 11 purpose of ASHRAE's work with the Department of Energy? 13:33
 12 MR. CUNNINGHAM: Object to the form. 13:32
 13 THE WITNESS: To -- to advance the 13:38
 14 mission of ASHRAE, which is, you know, 13:30
 15 advance the art of building sciences. 13:32
 16 Q (BY MR. BECKER) And for -- for Exhibit 13:37
 17 ASHRAE -- excuse me, Exhibit 1156, you're listed among 13:39
 18 the recipients for this email; is that correct? 13:34
 19 A That's correct. 13:38
 20 Q And you're listed among the recipients for 13:39
 21 the -- the email that's further down in the chain in -- 13:32
 22 on that exhibit; is that correct? 13:38
 23 A That's correct. 13:39
 24 Q On Exhibit 1157, section 2, it refers to 13:38
 25 promoting and supporting implementation of ASHRAE 13:34
 Page 109

<p>1 standards through training programs, including 13:37 2 self-directed learning, building code interaction and 13:30 3 ASHRAE chapter oriented training. 13:33 4 What is the Department of Energy's role in 13:36 5 that? 13:38 6 A They -- Department of Energy provides 13:39 7 training not only ASHRAE, but other code bodies' codes, 13:33 8 so it would be supported through software development, 13:30 9 maybe at the DOE level, they give trainings on what's 13:35 10 in 90.1; things like that. 13:30 11 Q Does the Department of Energy provide funding 13:33 12 to ASHRAE? 13:37 13 A No. 13:37 14 Q Does the Department of Energy provide any 13:30 15 funds to ASHRAE? 13:34 16 A I suppose if someone is a -- a member and the 13:38 17 Department of Energy pays their membership fees to 13:32 18 ASHRAE to be a member of ASHRAE, then yes, but it goes 13:34 19 to membership. 13:37 20 Q On the second page of Exhibit 1157, 13:36 21 subsection 5 says, "Cooperating in promoting of 13:32 22 ANSI/ASHRAE standards adoption in the International 13:36 23 Standards Organization (ISO) standards." 13:39 24 What is that referring to? 13:32 25 A That must have been -- that would have been a 13:35 Page 110</p>	<p>1 the Department of Energy? 13:31 2 A No. 13:32 3 Q And section 10 refers to "Advancing and 13:34 4 supporting the professional development of DOE 13:36 5 personnel by facilitating membership, attendance, and 13:39 6 active participation at the local and society levels of 13:33 7 ASHRAE, especially as a member of technical committees 13:37 8 and standard project committees, and by providing a 13:30 9 venue for publication of research and practice." 13:33 10 What kind of publication is this referring 13:36 11 to? 13:37 12 A They're talking about research publication. 13:31 13 If the DOE does research, they're publishing it 13:34 14 somewhere. It's not referring to standards. 13:37 15 Q Does ASHRAE publish DOE research? 13:30 16 A Not that I'm aware of. 13:36 17 Q With regards to section 13, do you know what 13:32 18 they are referring to with regards to counter-terrorism 13:38 19 design features? 13:35 20 A No. 13:30 21 Q Do you know what -- under -- under section 13:34 22 14, the DOE Energy Efficient Building Systems Regional 13:38 23 Innovation Cluster Initiative is? 13:35 24 A I don't think that exists anymore, but 13:30 25 there's been a collaborative where they've worked 13:32 Page 112</p>
<p>1 new thing added. The Department of Energy hasn't done 13:37 2 anything that I'm aware of to promote the adoption of 13:30 3 ASHRAE -- ANSI/ASHRAE standards in ISO. 13:32 4 Q And for section 8, where it refers to 13:38 5 "Cooperating and promotion of ANSI/ASHRAE standards 13:30 6 adoption in building codes," what does that refer to? 13:36 7 A That could be supporting proposals that would 13:33 8 have been submitted to adopt 90.1 in -- in the 13:39 9 international code, because that's the federal minimum, 13:33 10 and they would have provided supporting testimony, 13:37 11 probably. 13:30 12 Q When you say "they would have provided 13:31 13 supporting testimony, probably," is that the Department 13:33 14 of Energy that would provide that? 13:36 15 A A -- a staff member from the Department of 13:37 16 Energy. 13:30 17 Q Okay. Are there any other ways that ASHRAE, 13:31 18 ANSI and the Department of Energy have cooperated in 13:39 19 promoting these standards adoption in building codes? 13:33 20 A I'm not aware of ANSI promoting standards 13:30 21 adoption in building codes, other than -- it's an 13:34 22 ANSI/ASHRAE standard going through their process. They 13:39 23 don't go to building codes. I can't think of anything 13:31 24 else with the Department of Energy. 13:36 25 Q Anything else with regards to just ASHRAE and 13:38 Page 111</p>	<p>1 together, and they just -- they talk about research and 13:34 2 things like that. 13:37 3 Q Was the Memorandum of Understanding Between 13:31 4 the DOE and ASHRAE, Exhibit 1157, eventually signed by 13:34 5 both ASHRAE and the Department of Energy? 13:34 6 A I need to go back and check to see if it was 13:37 7 signed. 13:30 8 Q How would you characterize the relationship 13:32 9 between the Department of Energy and ASHRAE? 13:34 10 A I mean, they work -- we work together. 13:32 11 That's probably on -- not all -- not all of these 13:35 12 projects, but I mean some things. 13:30 13 Q You mentioned that someone from the 13:30 14 Department of Energy would testify on behalf of ASHRAE 13:33 15 in terms of getting the Standard 90.1 adopted as a 13:38 16 building code. How does ASHRAE benefit from having 13:38 17 90.1 endorsed by the DOE? 13:32 18 MR. CUNNINGHAM: Object to the 13:35 19 characterization of prior testimony. 13:36 20 THE WITNESS: They don't testify on 13:30 21 behalf of ASHRAE. They testify on behalf of 13:31 22 the Department of Energy. 13:34 23 Q (BY MR. BECKER) Excuse me. 13:35 24 A So the benefit is then the IECC and 90.1 can 13:36 25 be the same. So it's a -- it's the benefit to having 13:35 Page 113</p>

<p>1 a -- one code. 13:39</p> <p>2 Q And are the IECC and Standard 90.1 the same? 13:32</p> <p>3 A They are not exactly the same. 13:36</p> <p>4 Q And how do they differ? 13:39</p> <p>5 A I would have to look at the versions and the 13:32</p> <p>6 comparisons. In some instances, 90.1 would be more 13:35</p> <p>7 stringent; in other, IECC. 13:30</p> <p>8 Q On balance, would you characterize the IECC 13:30</p> <p>9 as being more stringent than ASHRAE 90.1 or vice versa? 13:34</p> <p>10 A They have a different process. The IECC, 13:41</p> <p>11 while it's a consensus process, is not an ANSI 13:45</p> <p>12 consensus process, so it's comparing apples to oranges. 13:49</p> <p>13 Q What does ASHRAE do to educate governments 13:46</p> <p>14 and government officials about its work? 13:49</p> <p>15 A It has a staff person and/or leadership talk 13:42</p> <p>16 to the staff on the hill about what our process is, 13:49</p> <p>17 what standards we have, certification programs, classes 13:44</p> <p>18 and things like that. 13:44</p> <p>19 Q And are there particular staff people who 13:45</p> <p>20 talk to staff members on the hill? 13:47</p> <p>21 A Yes. 13:40</p> <p>22 Q And what individuals are these? 13:41</p> <p>23 A Mark Ames and Doug Read. And Jeff Littleton 13:45</p> <p>24 might talk to some, too. 13:49</p> <p>25 Q And you say ASHRAE has leadership that talks 13:49</p> <p style="text-align: right;">Page 114</p>	<p>1 within ASHRAE? 13:43</p> <p>2 A Yes. 13:43</p> <p>3 Q And is that located in Washington, D.C.? 13:43</p> <p>4 A Yes. 13:43</p> <p>5 Q And what is -- why is it that ASHRAE has a 13:43</p> <p>6 separate department for government affairs that's 13:44</p> <p>7 located in Washington, D.C.? 13:44</p> <p>8 A So they can -- it's easier to talk to people 13:44</p> <p>9 on the hill. It's been there as long as I've been 13:44</p> <p>10 there. 13:44</p> <p>11 MR. BECKER: All right. Let's take a 13:44</p> <p>12 break. 13:44</p> <p>13 THE VIDEOGRAPHER: Going off the record 13:44</p> <p>14 at 13:44. 13:44</p> <p>15 (Recess taken.) 13:53</p> <p>16 THE VIDEOGRAPHER: Going on the record 13:56</p> <p>17 at 13:56. 13:56</p> <p>18 Q (BY MR. BECKER) Ms. Reiniche, are you aware 13:56</p> <p>19 if DOE employees are on the 90.1 policy committee? 13:56</p> <p>20 A 90.1 policy committee? You mean on the 13:56</p> <p>21 project committee? 13:56</p> <p>22 Q Project committee, excuse me. 13:56</p> <p>23 A Yes. 13:56</p> <p>24 Q They are? 13:56</p> <p>25 A There is a staff person on there, yes. 13:56</p> <p style="text-align: right;">Page 116</p>
<p>1 to staff on the hill. Is that Jeff Littleton? 13:42</p> <p>2 A The -- it -- it could be Jeff, it could be 13:45</p> <p>3 whoever is the president for that given -- given 13:40</p> <p>4 society year or vice president that society year. It 13:43</p> <p>5 depends on the year, it depends on who they're talking 13:47</p> <p>6 to. 13:42</p> <p>7 Q And what are Mr. Ames' and Mr. Read's 13:42</p> <p>8 positions at ASHRAE? 13:47</p> <p>9 A Well, Mr. -- Mark's title is senior manager 13:49</p> <p>10 of government affairs. Doug's title was director. He 13:46</p> <p>11 has retired. 13:43</p> <p>12 Q And was -- was Doug's -- Doug Read's title 13:46</p> <p>13 just director or director of government affairs? 13:49</p> <p>14 A Director of government affairs. 13:42</p> <p>15 Q Are there other employees of ASHRAE who work 13:48</p> <p>16 with -- or who did work with Mr. Ames and Mr. Read on 13:43</p> <p>17 government affairs? 13:48</p> <p>18 A They have a secretary -- or an administrative 13:41</p> <p>19 assistant that works there. She doesn't talk to people 13:46</p> <p>20 on the hill. And they have a new person there, Jim 13:48</p> <p>21 Scarborough. He deals with local. 13:42</p> <p>22 Q Is that a local government that he works -- 13:40</p> <p>23 deals with? 13:43</p> <p>24 A Yeah, the grassroots chapters within ASHRAE. 13:44</p> <p>25 Q So is government affairs its own department 13:49</p> <p style="text-align: right;">Page 115</p>	<p>1 Q And have DOE employees been on the 90.1 13:53</p> <p>2 project committee -- committee in the past? 13:57</p> <p>3 A Yes. 13:59</p> <p>4 Q Okay. And so DOE employees provide -- they 13:50</p> <p>5 contribute to the development of 90.1; is that correct? 13:50</p> <p>6 MR. FEE: Objection to form. 13:54</p> <p>7 THE WITNESS: They participate in the 13:55</p> <p>8 process. I'm not aware of any draft 13:57</p> <p>9 language. 13:50</p> <p>10 (Exhibit 1158 marked for identification.) 13:51</p> <p>11 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 13:52</p> <p>12 you what's been marked as Exhibit 1158. This is a 13:53</p> <p>13 document with Bates number ASHRAE0005856. It's labeled 13:50</p> <p>14 "Marketing Task Force Report." 13:58</p> <p>15 A Okay. 13:50</p> <p>16 Q Are you familiar with this document, 13:53</p> <p>17 Ms. Reiniche? 13:55</p> <p>18 A Yes. 13:59</p> <p>19 Q Could you tell me what this document is? 13:50</p> <p>20 A This is a document that would have been 13:53</p> <p>21 presented to the project committee on priorities -- on 13:54</p> <p>22 trying to get things out in the marketplace. 13:56</p> <p>23 Q And could you tell me what -- do you know 13:53</p> <p>24 what Chris Mathis's position is at ASHRAE? 13:56</p> <p>25 A He is not a staff member at ASHRAE. 13:50</p> <p style="text-align: right;">Page 117</p>

<p>1 what portion of 90.1 it was commented on or, you know, 14:11 2 how it was developed, that type of thing. 14:16 3 Q And then two pages later on ASHRAE0003506, it 14:14 4 then has "Recommendations," and then parentheses 14:10 5 "repeated." And the first three recommendations are 14:14 6 "Make it free, make it beautiful, and make it 14:17 7 electronic." 14:10 8 Do you understand this as referring to ASHRAE 14:15 9 90.1? 14:17 10 A Yes. 14:17 11 Q Three pages later on ASHRAE0003509, it says, 14:17 12 "Paradigm Shift Issues." And then it says, "Decide if 14:15 13 we want to continue to live in this code minimum 14:19 14 world." And "code minimum" is underlined. 14:12 15 Do you know what this is referring to with 14:16 16 the term "code minimum world"? 14:18 17 A That means, you know, a minimum level for 14:15 18 your -- the development of -- in 90.1, energy 14:17 19 efficiency, or do you want to go beyond the code. 14:12 20 Q I'm sorry, what do you mean by "go beyond the 14:14 21 code"? 14:17 22 A Maybe towards the -- towards the development 14:18 23 of green standards or green codes. 14:10 24 Q And how do green standards and green codes 14:14 25 differ from Standard 90.1? 14:16 Page 126</p>	<p>1 Q And is that -- are you one of the recipients 14:12 2 of this email? 14:17 3 A Yes. 14:19 4 Q And what is this email? 14:14 5 A This is an email on having a discussion about 14:16 6 DOE comparing the IECC and 90.1 as equivalent. 14:14 7 Q At the bottom of -- near the bottom of the 14:18 8 page, Ryan Colker writes, "Folks, we are seeing some 14:13 9 indications from DOE that they are beginning to see the 14:18 10 IECC and 90.1 as equivalent (i.e., states can be in 14:11 11 compliance if they adopt the IECC without the reference 14:11 12 to 90.1.) As you can guess, this could have 14:14 13 significant impact on the future of 90.1." 14:10 14 What did Mr. Colker mean by that? 14:17 15 MR. CUNNINGHAM: Object to form. 14:10 16 THE WITNESS: That he's concerned that 14:13 17 if it's found to be equivalent, that it could 14:17 18 mean that the IECC would be referenced in 14:19 19 EPAAct instead of 90.1. 14:13 20 Q (BY MR. BECKER) And who is Ryan Colker? 14:17 21 A Well, at that time, he was the manager of 14:16 22 government affairs for ASHRAE. 14:18 23 Q Do you know if Mr. Colker is still at ASHRAE? 14:17 24 A He is not. 14:20 25 Q Do you know when he left ASHRAE? 14:20 Page 128</p>
<p>1 A Green codes and green standards typically are 14:14 2 not cost -- cost -- cost justified, where you can 14:16 3 propose doing some technology -- technological thing 14:12 4 that's expensive that, you know, a normal building 14:16 5 person wouldn't want to put -- you know, building owner 14:11 6 wouldn't want to put in their building versus a 14:14 7 minimum, which is not only is it energy efficient, but 14:18 8 it's cost -- cost effective. 14:11 9 THE COURT REPORTER: A building owner 14:12 10 would want to put in their building? 14:13 11 THE WITNESS: Would not want to put in 14:17 12 their building. 14:17 13 Q (BY MR. BECKER) At the bottom of that page, 14:17 14 it says, "How long will we have our EPAAct advantage?" 14:18 15 What is ASHRAE's EPAAct advantage? 14:12 16 A That were referenced in the EPAAct over 14:17 17 another minimum energy efficient commercial building 14:12 18 code. 14:15 19 (Exhibit 1160 marked for identification.) 14:13 20 Q (BY MR. BECKER) I'm handing you what's been 14:13 21 marked as Exhibit 1160. This is Bates number 14:14 22 ASHRAE0025561. 14:10 23 A Okay. 14:15 24 Q Do you recognize this document, Ms. Reiniche? 14:10 25 A Yes. 14:16 Page 127</p>	<p>1 A I want to say sometime in 2010. 14:25 2 Q And Doug Read responded to Ryan Colker by 14:25 3 saying, "I echo Ryan's concern. I suggest we take a 14:21 4 stance and clearly delineate the differences and 14:25 5 differentiate ourselves from the ICEC. Doug." 14:28 6 Did -- do you think that Mr. Read meant the 14:25 7 IECC? 14:28 8 A Yes. 14:20 9 Q And has ASHRAE taken a stance and clearly 14:22 10 delineated the differences between ASHRAE Standard 90.1 14:28 11 and the IECC? 14:24 12 A We have not done a comparison between the two 14:27 13 line for line, no. 14:23 14 Q Was that what ASHRAE was considering doing, 14:26 15 was doing a line-for-line comparison between the IECC 14:29 16 and ASHRAE Standard 90.1? 14:25 17 A They discussed it. 14:27 18 Q Has ASHRAE done anything else to 14:20 19 differentiate Standard 90.1 from the IECC in the minds 14:25 20 of the public? 14:22 21 MR. CUNNINGHAM: Object to the form. 14:24 22 THE WITNESS: I am not aware we've done 14:28 23 anything in the eyes of the public. We've 14:21 24 probably had discussions where we pointed out 14:23 25 the difference between the processes that are 14:27 Page 129</p>

<p>1 used to develop the two documents, but it's 14:29 2 not been, like, you know, a press release or 14:21 3 something like that. 14:25 4 Q (BY MR. BECKER) Was ASHRAE concerned that if 14:28 5 the IECC and ASHRAE's Standard 90.1 were seen as 14:20 6 equivalent, it would mean that there would be less 14:25 7 incorporation of standard -- ASHRAE Standard 90.1 into 14:20 8 laws and regulations throughout the United States? 14:26 9 A It would depend on if the EPAct changed. 14:23 10 If -- if the reference changed. That's possible. 14:26 11 Q Would that mean that if -- if the EPAct 14:20 12 changed -- 14:23 13 A If the reference in the EPAct was changed 14:23 14 from 90.1 to the IECC. 14:26 15 Q Then that would mean there would be less 14:22 16 adoption of Standard 90.1 into the laws and regulations 14:25 17 of jurisdictions in the United States? 14:20 18 A It's possible, yes. 14:24 19 Q And was ASHRAE concerned about that? 14:26 20 A If -- if that changed, they were. They were 14:23 21 concerned if it changed, yes. 14:29 22 Q Did it change? 14:21 23 A No. 14:23 24 Q Did the DOE ever publicly weigh the option of 14:22 25 changing the EPAct to IECC instead of ASHRAE 90.1? 14:22 Page 130</p>	<p>1 MR. BECKER: It has not been asked. 14:27 2 MR. CUNNINGHAM: Okay. I -- are you -- 14:27 3 is your position here that someone who, by 14:27 4 virtue of being on one of the committees, 14:27 5 essentially speaks for ASHRAE, such that you 14:27 6 can ask Ms. Reiniche to interpret their -- 14:27 7 their documents? 14:27 8 MR. BECKER: Well, if Ms. Reiniche has 14:27 9 an understanding of what this might mean, 14:27 10 particularly because of her senior role with 14:27 11 regards to the development of these standards 14:27 12 and so forth, then I would hope that 14:28 13 Ms. Reiniche can provide that information. 14:28 14 I think that a document such as this 14:28 15 discussing ASHRAE 90.1 2010 falls well within 14:28 16 topic number 1 that she's been designated on. 14:28 17 Q (BY MR. BECKER) I'm sorry, Ms. Reiniche. 14:28 18 Let's see. I asked why do you think there was a 14:28 19 distinction between this growing period and mature -- 14:28 20 maturity period for Standard 90.1? 14:28 21 MR. CUNNINGHAM: Same objection. 14:28 22 THE WITNESS: I think because the 14:29 23 growing period, there's one time frame where 14:29 24 I think they pulled residential out. I think 14:29 25 at one time it included residential. It does 14:29 Page 132</p>
<p>1 A Not that I'm aware of, there hasn't been 14:22 2 anything published where they were going to do that. 14:25 3 (Exhibit 1161 marked for identification.) 14:21 4 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 14:29 5 you what's been marked as Exhibit 1161. This is Bates 14:20 6 number ASHRAE0005677. Do you recognize this document? 14:25 7 A Yes. 14:29 8 Q Could you tell me what this document is? 14:24 9 A This is a presentation given by Stephen 14:27 10 Skalko, who is the chair of 90.1, at a conference on 14:21 11 energy codes 2010. 14:27 12 THE COURT REPORTER: Say that again. 14:27 13 "Who is the chair of 90.1," and -- 14:27 14 THE WITNESS: It's at -- given at an 14:27 15 energy codes conference in 2010 at -- in 14:24 16 Charlotte, North Carolina. 14:28 17 Q (BY MR. BECKER) On page 3 of this document, 14:23 18 Bates number ASHRAE0005679, it says at the top, 14:29 19 "Standard 90.1 Timeline," and it delineates between the 14:25 20 growing period from 1970 to 1999, and then the maturity 14:22 21 period from 1999 to 2010. What does that mean? 14:20 22 MR. CUNNINGHAM: Object to the form. 14:22 23 Matt, do we know if the Steven person, do we 14:23 24 know if he's an ASHRAE staff member? Do 14:28 25 we -- was that asked at any point? 14:21 Page 131</p>	<p>1 not include low-rise residential. 1999 would 14:23 2 have been when we started continuous 14:28 3 maintenance. 14:21 4 Without seeing Mr. Skalko's notes on 14:23 5 this, but based on my knowledge, I think that 14:26 6 these periods are times that -- in the 14:29 7 maturity period shows greater energy savings, 14:23 8 and that's what he's trying to demonstrate in 14:27 9 that timeline. 14:20 10 Q (BY MR. BECKER) Do you know who Mr. Steven 14:21 11 V. Skalko is? 14:23 12 A Yes. 14:25 13 Q And who is he? 14:25 14 A He is the past chair of 90.1. I think he 14:26 15 started after the 2010 version published. 14:23 16 Q And do you have any idea how long Mr. Skalko 14:32 17 has been a member of ASHRAE? 14:30 18 A I would have to look in the ASHRAE records, 14:32 19 but he's been a member longer than I've been there, so 14:35 20 over 11 years. 14:38 21 Q And for as long as you know, has Mr. Skalko 14:32 22 worked on ASHRAE 90.1? 14:36 23 A Yes. 14:32 24 Q And would you say that Mr. Skalko is -- is -- 14:32 25 would you say that Mr. Skalko knows a good deal about 14:39 Page 133</p>

1 ASHRAE Standard 90.1? 14:36
 2 A Yes. 14:38
 3 MR. FEE: Objection to form. 14:38
 4 (Exhibit 1162 marked for identification.) 14:34
 5 Q (BY MR. BECKER) I'm handing you what's been 14:34
 6 marked as Exhibit 1162. This is Bates number 14:35
 7 ASHRAE0026233. Do you recognize this document? 14:34
 8 A Yes. 14:38
 9 Q And could you tell me what this document is? 14:39
 10 A This is a Memorandum of Understanding between 14:31
 11 the Department of Energy and ASHRAE. It's not dated, 14:34
 12 but I would guess it's sometime in 2007 time frame, 14:35
 13 because that's when Terry Townsend was president of 14:39
 14 ASHRAE. 14:34
 15 Q And is this a signed copy of the Memorandum 14:35
 16 of Understanding between the DOE and ASHRAE? 14:39
 17 A Yes. 14:34
 18 Q Has ASHRAE had multiple Memorandums of 14:35
 19 Understanding with the Department of Energy? 14:30
 20 A Yes. 14:32
 21 Q When did ASHRAE first start having 14:34
 22 Memorandums of Understanding with the Department of 14:39
 23 Energy? 14:32
 24 A After EPAct was -- when 90.1 was made a 14:34
 25 reference in EPAct. 14:38
 Page 134

1 Q Could you remind me of when that was? 14:30
 2 A I think it was '99. 14:32
 3 Q Okay. 14:34
 4 A Around that time frame. 14:34
 5 Q Was that soon after EPAct? 14:35
 6 A I would have to look. 14:31
 7 Q Has ASHRAE -- ASHRAE and the DOE continued to 14:36
 8 enter into memorandums of understanding to the present 14:33
 9 day? 14:36
 10 A Yes. 14:37
 11 Q How regularly do they do so? 14:37
 12 A It -- it varies. It depended -- it depends 14:32
 13 on who's at -- who's in charge at the Department of 14:35
 14 Energy. We were just working on a new one. I'm not 14:38
 15 positive if it's signed yet. 14:33
 16 Q Is this typically an annual event? 14:37
 17 A Not always annual. Sometimes it's every 14:34
 18 couple of years. 14:36
 19 Q And is it sometimes an annual event, though? 14:37
 20 A Sometimes. 14:39
 21 Q And why would the -- why would the leadership 14:32
 22 of the Department of Energy reflect or change whether 14:33
 23 ASHRAE would enter into a memorandum -- memorandum of 14:38
 24 understanding with the Department of Energy? 14:30
 25 A I can't speak for the Department of Energy. 14:36
 Page 135

1 I don't know why they would choose to do that. I mean, 14:38
 2 my -- my guess is their goals are the same as ours, 14:31
 3 energy efficient buildings in the United States. So I 14:36
 4 would assume they would enter MOUs with whatever 14:38
 5 organizations would help them reach that goal. 14:32
 6 Q How is it that ASHRAE 90.1 came to be 14:35
 7 incorporated into EPAct? 14:30
 8 MR. CUNNINGHAM: Object to form. 14:36
 9 THE WITNESS: I am not positive on how 14:37
 10 that came about. I would have to check. 14:39
 11 Q (BY MR. BECKER) Did ASHRAE staff meet with 14:39
 12 the Department of Energy to help facilitate the 14:36
 13 incorporation of ASHRAE Standard 90.1 into EPAct? 14:31
 14 A I have -- I'll have to go back and double 14:36
 15 check in my records to see. 14:39
 16 Q Would it be customary for ASHRAE staff to 14:30
 17 meet with members of the Department of Energy prior to 14:37
 18 the incorporation of ASHRAE Standard 90.1 into EPAct? 14:32
 19 A It would be customary for ASHRAE staff with 14:38
 20 ASHRAE volunteer leadership to go to -- when they were 14:32
 21 requesting that type of thing. 14:36
 22 (Exhibit 1163 marked for identification.) 14:39
 23 Q (BY MR. BECKER) I'm handing you what's been 14:32
 24 marked as Exhibit 1163. This is Bates number 14:33
 25 ASHRAE0024558. Do you recognize this document? 14:38
 Page 136

1 A Yes. 14:36
 2 Q And what is this document? 14:39
 3 A This is a presentation that would have been 14:30
 4 made by the D.C. office to tech council and the chapter 14:32
 5 technology and transfer committee. I think that's what 14:33
 6 CTTC stands for. And it would have been made in -- at 14:36
 7 the ASHRAE meeting in Albuquerque, New Mexico, on 14:41
 8 June 26, 2010. 14:47
 9 Q And what is the purpose of this document, to 14:42
 10 your understanding? 14:44
 11 A The purpose of this document is for the D.C. 14:45
 12 office just to let the CTCC [sic] and tech council know 14:49
 13 what they've been doing in D.C. 14:44
 14 Q On the third page of Bates number 14:45
 15 ASHRAE0024560 titled "Participation Coalitions," it 14:48
 16 says, "High-Performance Building Congressional Caucus 14:45
 17 Coalition," in parentheses, "ask your representative to 14:49
 18 join." 14:43
 19 What is that referring to? 14:44
 20 A There is a high-performance building caucus 14:45
 21 coalition that meets in D.C. It deals with high 14:40
 22 performance buildings. Beyond -- that would be beyond 14:44
 23 the minimum code. 14:47
 24 Q Are these -- and who composes this coalition? 14:40
 25 A Oh, there's a lot of different standards 14:48
 Page 137

1 developers that are in part of it. It might even be in 14:41
 2 here, it tells you. There's a -- there's a long list. 14:46
 3 I don't have that memorized. I don't know if it -- oh, 14:41
 4 if you turn to page -- that says ASHRAE0024575, that 14:47
 5 shows you who's on the high -- what groups are involved 14:45
 6 in the high-performance building congressional caucus 14:40
 7 at that time. It includes the representatives and then 14:45
 8 the different standards developers that are involved. 14:47
 9 Q The code chairs and members that are listed 14:44
 10 on that page you just referenced, are these all members 14:46
 11 of Congress? 14:49
 12 A Yes. 14:40
 13 Q What's the purpose of participation in the 14:47
 14 high-performance building congressional caucus? 14:40
 15 A It's really pro -- promoting doing things for 14:43
 16 high-performance buildings, so stretch codes, green 14:47
 17 standards, pushing the envelope to make things even 14:41
 18 more energy efficient than the minimum code. 14:49
 19 Q And is this for the purpose of influencing 14:42
 20 these members of Congress so as to have them 14:46
 21 incorporate these standards into the law? 14:41
 22 MR. CUNNINGHAM: Object to the form. 14:47
 23 THE WITNESS: Not that I'm aware of. 14:48
 24 Q (BY MR. BECKER) What's the purpose of having 14:40
 25 the members of Congress involved? 14:41
 Page 138

1 A Education. 14:44
 2 Q And what is the benefit of educating the 14:45
 3 members of Congress? 14:48
 4 A So they understand things when things do come 14:49
 5 before them when they're making a decision of what to 14:42
 6 incorporate into law. 14:44
 7 Q So it's to help them with their decisions 14:46
 8 to -- as to what to incorporate into reference into the 14:49
 9 law? 14:42
 10 A Correct. 14:43
 11 Q And how does the high-performance building 14:49
 12 congressional caucus and the supporting coalition 14:44
 13 educate these members of Congress on issues related to 14:40
 14 incorporating these -- excuse me, incorporating 14:46
 15 standards into the law? 14:40
 16 MR. CUNNINGHAM: Object to the 14:43
 17 characterization of the prior testimony. 14:45
 18 THE WITNESS: They -- my recollection 14:47
 19 from the presentations made by the D.C. 14:49
 20 office was that they -- they have a lunch, 14:42
 21 they sit there and they talk, sometimes they 14:45
 22 have an educational session; things like 14:47
 23 that. 14:40
 24 Q (BY MR. BECKER) So they meet with the 14:44
 25 members of Congress? 14:46
 Page 139

1 A Yeah, about -- I'm not sure they still meet 14:47
 2 or how often they still meet. I think it was about 14:40
 3 once a month. 14:42
 4 Q Do they meet individually with the members of 14:49
 5 Congress or as a larger group? 14:41
 6 A If they're doing it as the high-performance 14:45
 7 building congressional caucus, they're meeting as a 14:48
 8 group. If they're advancing something within their 14:41
 9 organization, then the supporting coalition would 14:44
 10 probably be meeting individual with representatives. 14:47
 11 Q On page ASHRAE0024568, it says, 14:45
 12 "Legislation," with an image of the capitol building, 14:43
 13 and then it says, "ASHRAE Washington, D.C." 14:48
 14 A Um-hmm. 14:43
 15 Q Then on the following page it says, "American 14:43
 16 Clean Energy and Security Act, HR 2454 a/k/a 14:46
 17 Waxman-Markey, sets national building code energy 14:42
 18 efficiency targets." 14:49
 19 Then two bullet points down it says, "Uses 14:42
 20 ASHRAE 90.1-2004 and" E -- "IECC 2006 as baselines." 14:45
 21 Does ASHRAE advocate for the use of earlier 14:48
 22 versions of 90.1 in Standard -- excuse me, in -- in 14:45
 23 laws or regulations? 14:44
 24 A That's not what this refers to. 14:44
 25 Q What does that refer to? 14:46
 Page 140

1 A This refers to as part of EPAct the 14:48
 2 Department of Energy is required to determine how much 14:41
 3 more energy efficient 90.1 -- and when they're talking 14:45
 4 about the IECC 2006, they're talking about the 14:49
 5 residential code. That's where that falls in there. 14:44
 6 And they want to do it -- set it at a 14:48
 7 baseline, so each consecutive every three years. So 14:41
 8 for example, 90.1-2007 has to be more energy efficient 14:44
 9 than -- so much more energy efficient than 90.1-2004 14:49
 10 They measure that. If it's not more energy efficient, 14:44
 11 then they wouldn't adopt that. And then for 90.1-2010. 14:49
 12 They are just taking a baseline target to measure the 14:40
 13 amount of energy efficiency so that it's not in flux 14:43
 14 and cause market confusion. 14:48
 15 And the same with the IECC. That's -- but 14:40
 16 the IECC refers only to the residential, not to 14:42
 17 commercial in this instance. 14:46
 18 Q Does ASHRAE 90.1-2004 refer only to 14:44
 19 residential and not commercial in this instance? 14:49
 20 A No, 90.1-2004 is commercial. There's two 14:41
 21 codes in that reference, two different codes. 14:44
 22 Q So in this instance, if you had a -- a 14:47
 23 commercial building, then ASHRAE 90.1-2004 would be the 14:41
 24 baseline standard and not be IECC 2006? 14:48
 25 A No. 14:43
 Page 141

<p>1 Q How am I mistaken? 14:45 2 A What this proposed legislation was, was to 14:48 3 set the baseline for which the DOE uses to make the 14:43 4 determination on whether or not the next version of 14:47 5 90.1 is more energy efficient. So this was proposing 14:40 6 to use 90.1-2004 as the benchmark for each subsequent 14:44 7 version of 90.1. 14:48 8 And then -- and that's only commercial. And 14:40 9 then the IECC is for residential. They're referenced 14:43 10 as the residential. What's being advocated here is 14:48 11 that you use the IECC 2006 as the baseline for each 14:41 12 subsequent version of the IECC for residential moving 14:46 13 forward as for energy efficiency. 14:49 14 Q Okay. Does the IECC itself refer to 14:42 15 commercial buildings or is it only for residential 14:49 16 buildings? 14:42 17 A There -- there's different I-codes within the 14:46 18 IECC. So there's the IRC, which is residential, but 14:40 19 it's part of the whole body of codes. So the IECC for 14:43 20 residential is just the energy efficiency stuff for 14:40 21 residential home -- residential stuff. 14:44 22 Q On the following page, it says, "American 14:55 23 Clean Energy Leadership Act, S.1462." It says, 14:58 24 "Introduced by Senator Jeff Bingaman, D-NM. Updates 14:51 25 national building energy codes and standards at least 14:58 Page 142</p>	<p>1 the -- but we explained that once you -- as you get 14:50 2 above -- when you're going between the 30 and the 50 14:53 3 percent, it gets more and more difficult to have 14:55 4 cost-effective equipment and things like that and -- in 14:58 5 there. So it -- it wasn't put in the law. 14:52 6 Q On page ASHRAE0024581, it says, "Additional 14:58 7 Washington office activities." And it says for the 14:56 8 third major bullet point, "Building code adoptions," 14:56 9 and then under that, "Standard 90.1 and Standard 14:50 10 189.1/IGCC promotion." 14:54 11 Does this mean that the Washington office was 14:50 12 engaged in promoting the adoption of Standard 90.1 into 14:54 13 building codes? 14:50 14 A I don't remember. And without seeing it, if 14:55 15 he -- he didn't have notes with it, so I don't think it 14:59 16 was at a building code level. I think that's something 14:52 17 they were talking about expanding in the grassroots. 14:57 18 That was not done at that time. 14:52 19 Q So that's something -- is that something 14:53 20 that's done in -- at this time? 14:55 21 A We have started a grassroots program to reach 14:51 22 out when we are made aware of references to -- to 14:53 23 different standards. And we could ask volunteers in 14:58 24 those jurisdictions to go. 14:52 25 Q And when you say "a grassroots program," who 14:53 Page 144</p>
<p>1 every three years to achieve target energy savings of," 14:51 2 and then it -- four bullet points down from that, it 14:55 3 says, "If DOE determines ASHRAE's future revised model 14:50 4 codes will not meet targets, DOE will propose or 14:55 5 establish a modified code or standard that meets the 14:58 6 above targets. Uses 90.1-2004 as baseline for 14:50 7 commercial buildings IECC 2006 for residential." 14:56 8 When it references "Uses 90.1-2004 as 14:59 9 baseline for commercial buildings," is that in the same 14:53 10 capacity as the reference on the prior page that you 14:56 11 were just referring to? 14:59 12 A Yes. One is a bill proposed in the House; 14:51 13 one is a bill proposed in the Senate. 14:54 14 Q Did the Department of Energy propose or 14:53 15 establish a modified code or a standard that met the 14:56 16 above targets on page ASHRAE0024570? 14:50 17 A This is -- this proposed language is not 14:58 18 in -- in law at this particular time. This was -- this 14:51 19 was talking about what was being proposed at this point 14:55 20 in time in 2010. 14:50 21 Q What was the outcome? 14:53 22 A I don't -- I don't think they set -- I don't 14:56 23 believe that they set targets, because it's -- as part 14:59 24 of the -- these codes, it has to be cost effective. 14:56 25 And as ASHRAE explained -- and I'm not sure if it's 14:51 Page 143</p>	<p>1 is involved in the grassroots program? 14:57 2 A It's -- it's the individual ASHRAE chapters 14:50 3 within each state, and then each -- you know, there's 14:52 4 multiple chapters within a state. So whoever is 14:55 5 closest to wherever the decision is being made. 14:58 6 Q And so this is -- the grassroots program 14:52 7 works to advocate for building code adoptions -- 14:59 8 adoptions of Standard 90.1 into building codes -- 14:54 9 MR. CUNNINGHAM: Objection. 14:58 10 Q (BY MR. BECKER) -- in states and local 14:59 11 governments? 14:51 12 MR. CUNNINGHAM: Objection, 14:52 13 mischaracterization of prior testimony. 14:53 14 THE WITNESS: It could include Standard 14:54 15 90.1. It could include any other -- our 14:56 16 other standards as well. 14:59 17 Q (BY MR. BECKER) And at the bottom of this 14:54 18 page, it says, "Empowering chapters to engage state and 14:56 19 local policy-makers." Do you know what that 14:59 20 references? 14:52 21 A That's referencing what I was talking about, 14:53 22 the grassroots, and encouraging local chapters to talk 14:55 23 to their state and local policy makers. 14:51 24 Q And on the next page, it says, "Opportunities 14:55 25 for individual member participation. Contact state and 14:59 Page 145</p>

<p>1 marked as Exhibit 1174. Could you please tell me what 15:42 2 this document is? 15:42 3 A This is a subset, I think, of another email 15:42 4 exchange related to Exhibit 1170 where Mark indicates 15:43 5 that this correction was made by Jim Calm. 15:43 6 (Exhibit 1175 marked for identification.) 15:44 7 Q (BY MR. BECKER) I'm handing you what's been 15:44 8 marked as Exhibit 1175. Do you recognize this 15:44 9 document? 15:45 10 A Yes. 15:45 11 Q And could you tell me what this document is? 15:45 12 A This is a Certificate of Registration with 15:45 13 the United States Copyright Office for the 1993 ASHRAE 15:45 14 Handbook: Fundamentals Inch-Pound Edition. 15:45 15 Q What is the 1999 ASHRAE Handbook: 15:45 16 Fundamentals? 15:45 17 A It covers a variety of topics. I would have 15:45 18 to look at the inside cover to tell you every topic 15:45 19 that it covers. 15:45 20 Q What's the purpose of the 1993 ASHRAE 15:45 21 Handbook: Fundamentals? 15:45 22 A It's a -- it's a tool for engineers to use 15:45 23 when they're working with the topics covered in that 15:45 24 book. 15:45 25 Q Is the 1993 ASHRAE Handbook: Fundamentals 15:45 Page 158</p>	<p>1 A Yes. 15:44 2 Q Can you tell me what this document is? 15:44 3 A This document is the letter that gets sent to 15:46 4 the project committee that shows the public review 15:49 5 comments for BSR/ASHRAE/IESNA Addenda S, T, and X to 15:43 6 ANSI/ASHRAE/IESNA Standard 90.1-2007. 15:45 7 Q And if you look at the sixth, seventh, 15:40 8 eighth, ninth, and I believe tenth page of this 15:47 9 document, are those copyright releases on all of those 15:51 10 pages I mentioned? 15:59 11 A Yes. 15:57 12 Q And who are those copyright releases from? 15:57 13 A Larry Spielvogel. 15:50 14 Q Do you know who Larry Spielvogel is? 15:54 15 A Yes. 15:58 16 Q Who is Mr. Spielvogel? 15:58 17 A He is an ASHRAE member. 15:50 18 Q Has Mr. Spielvogel ever been an employee of 15:52 19 ASHRAE? 15:57 20 A No. 15:57 21 Q Do Mr. Spielvogel's proposed contributions 15:50 22 appear in this document? 15:54 23 A Actually, yes. 15:56 24 Q And where is that? 15:59 25 A Under -- on the page labeled ASHRAE0013966, 15:51 Page 160</p>
<p>1 referenced in ASHRAE Standard 90.1? 15:46 2 A I would have to look. 15:46 3 (Exhibit 1176 marked for identification.) 15:46 4 Q (BY MR. BECKER) I'm handing you what's been 15:46 5 marked as Exhibit 1176. This is Bates number 15:46 6 ASHRAE0001592. Could you -- do you recognize this 15:46 7 document? 15:46 8 A Yes. 15:46 9 Q And could you please tell me what it is? 15:46 10 A Well, the first page labeled ASHRAE001592 is 15:47 11 the certification -- Certificate of Registration with 15:47 12 the United States Copyright Office for ANSI/ASHRAE/IES 15:47 13 Standard 90.1-2010 IP Edition. 15:47 14 For the page labeled ASHRAE0001594, that is 15:47 15 the Certificate of Registration with the United States 15:47 16 Copyright Office for ANSI/ASHRAE/IESNA 15:47 17 Standard 90.1-2007 IP Edition. 15:47 18 For the page labeled ASHRAE001596, this is 15:47 19 the Certificate of Registration with the United States 15:47 20 Copyright Office for ANSI/ASHRAE/IESNA 15:48 21 Standard 90.1-2004 IP -- IP Edition. 15:48 22 (Exhibit 1177 marked for identification.) 15:48 23 Q (BY MR. BECKER) I'm handing you what's been 15:48 24 marked as Exhibit 1177. It's the document beginning 15:48 25 with ASHRAE0013961. Do you recognize this document? 15:48 Page 159</p>	<p>1 under 4 "Comment (Proposed Text)," it says, "Do not 15:52 2 approve and do not publish this addendum." 15:52 3 Q So these are his contributions, then, as to 15:52 4 say "Do not approve and do not publish this addendum" 15:52 5 that he's referring to? 15:52 6 A That is correct. 15:52 7 Q If you turn to the page ASHRAE0013973, is 15:52 8 that another signed copyright release on that page? 15:53 9 A Yes. 15:53 10 Q And in that instance, has it been signed and 15:53 11 also had the -- the name of the individual inserted? 15:53 12 A Yes. 15:53 13 Q And who is that individual? 15:53 14 A James Calm. 15:53 15 Q And what is Mr. Calm's relationship to 15:53 16 ASHRAE, if any? 15:53 17 A He's a member of ASHRAE. 15:53 18 Q And has Mr. Calm ever been an employee of 15:53 19 ASHRAE? 15:53 20 A No. 15:53 21 Q And Mr. Calm's contribution on the following 15:53 22 page, is that "Disapprove proposed revisions in 15:53 23 Addendum S"? 15:54 24 A That would be his comment, yes. 15:54 25 Q And then if you turn to ASHRAE0013982, is 15:54 Page 161</p>

<p>1 for time at the time. 16:58 2 Q (BY MR. BECKER) How did you know that she 16:50 3 was -- that Ms. Ramspeck was referring to 16:52 4 Public.Resource.Org when she said "Did you know that 16:56 5 there has been a big increase in the number of 16:59 6 copyrighted docs beginning in January"? 16:51 7 A Because I knew about the SMACNA things, and 16:57 8 so staff was watching to see what copyrighted documents 16:52 9 were out there, if they belonged to ASHRAE. 16:56 10 Q And so there was sufficient discussion of 16:56 11 Public.Resource.Org in February of 2013 that without 16:59 12 even referencing Public.Resource.Org, you knew that 16:54 13 Ms. Ramspeck was referring to Public.Resource.Org? 16:58 14 MR. CUNNINGHAM: Objection to the form. 16:51 15 THE WITNESS: At that time, we would 16:55 16 have discussed Public.Resource.Org, and I 16:56 17 would have known that's what she was 16:59 18 referring to. 16:51 19 Q (BY MR. BECKER) What is the purpose of the 16:59 20 IPRPC? 16:52 21 MR. FEE: Objection, lack of 16:54 22 foundation. 16:55 23 MR. CUNNINGHAM: Objection. 16:56 24 THE WITNESS: It's -- it's dealing with 16:59 25 intellectual property mostly, things -- or 16:52 Page 190</p>	<p>1 our Standard 188 posted on company websites 16:57 2 without seeking permission from me first to 16:51 3 post it after the public review period has 16:53 4 ended. And I've sent letters to ask them to 16:56 5 remove it, and they are removed. 16:58 6 Q (BY MR. BECKER) Is ASHRAE aware of 16:56 7 infringement or potential infringement on file-sharing 16:59 8 websites of ASHRAE standards? 16:53 9 MR. CUNNINGHAM: Same objection. 16:55 10 THE WITNESS: I'm not aware of those. 16:57 11 MR. BECKER: We can take a break here. 16:57 12 THE VIDEOGRAPHER: Going off the record 16:50 13 at 16:58. 16:52 14 (Recess taken.) 17:19 15 THE VIDEOGRAPHER: Going on the record 17:24 16 at 17:24. 17:26 17 Q (BY MR. BECKER) Ms. Reiniche, could you 17:25 18 please refer again to Exhibits 1175 and 1176. Those 17:26 19 are the certificates of registration from the copyright 17:22 20 office. 17:27 21 A Okay. 17:28 22 Q Ms. Reiniche, does ASHRAE claim to be the 17:20 23 author of standard -- of the editions of Standard 90.1 17:24 24 that are listed in Exhibit 1176? 17:20 25 MR. CUNNINGHAM: Objection to the 17:27 Page 192</p>
<p>1 things like patents and some, I guess, quasi 16:56 2 legal things. 16:56 3 Q (BY MR. BECKER) How much of the discussion 16:56 4 in IPRPC relates to Public.Resource.Org? 16:56 5 MR. FEE: Objection to form. 16:56 6 THE WITNESS: On the items I have either 16:56 7 seen in email or when I've been able to 16:56 8 participate remotely on their calls, minimal. 16:56 9 Q (BY MR. BECKER) Is ASHRAE concerned about 16:57 10 alleged copyright infringement by other entities other 16:57 11 than Public.Resource.Org? 16:57 12 MR. CUNNINGHAM: Objection to scope and 16:57 13 to the form. 16:57 14 THE WITNESS: Of course. We don't -- we 16:57 15 don't allow other people to post copyrighted 16:57 16 material or anywhere else. If -- when we're 16:57 17 made aware of it, we ask for it to be 16:57 18 removed. 16:57 19 Q (BY MR. BECKER) Where has ASHRAE seen 16:57 20 infringement of its standards? 16:57 21 MR. CUNNINGHAM: Same objection. 16:57 22 THE WITNESS: I'm -- I'm not privy to 16:57 23 every single time. I don't -- it's not 16:57 24 related to 90.1, but I know that there have 16:57 25 been public review drafts of, for example, 16:57 Page 191</p>	<p>1 form. 17:27 2 THE WITNESS: Yes. 17:28 3 Q (BY MR. BECKER) And does ASHRAE claim to be 17:20 4 the author of the 1993 ASHRAE Handbook: Fundamentals as 17:22 5 listed in Exhibit 1175? 17:28 6 MR. CUNNINGHAM: Same objection. 17:21 7 THE WITNESS: Yes. 17:27 8 Q (BY MR. BECKER) Is ASHRAE the sole author of 17:28 9 these works? 17:20 10 MR. CUNNINGHAM: Same objection. 17:20 11 THE WITNESS: It's the members of the 17:27 12 project committee as -- as part of their 17:29 13 membership that agreed to write the document 17:23 14 and -- and have it attributed to ASHRAE. 17:25 15 Q (BY MR. BECKER) And the members of the 17:29 16 project committee are not employees of ASHRAE, correct? 17:20 17 A That's correct. 17:23 18 Q And so what is the basis for ASHRAE's claim 17:28 19 that it's the author of these works? 17:21 20 MR. CUNNINGHAM: Objection to the form, 17:25 21 calls for a legal conclusion. 17:26 22 THE WITNESS: As a basis of the signed 17:20 23 copyright assignments that all the members 17:22 24 sign when they apply for membership, that the 17:25 25 commenters sign when they submit a comment 17:29 Page 193</p>

<p>1 and that the members that submit change -- or 17:21 2 the public that submits change proposals sign 17:26 3 when they submit a change proposal. 17:29 4 Q (BY MR. BECKER) Has ASHRAE ever compensated 17:24 5 any of the members of the project committee for the 17:26 6 sale of any of the works at issue? 17:23 7 A No. 17:26 8 Q Ms. Reiniche, is the project committee for 17:27 9 Standard 90.1 in charge of the selection and 17:23 10 arrangement of the content of Standard 90.1? 17:28 11 A Yes. 17:28 12 Q Is anybody else responsible for the selection 17:23 13 and arrangement of standard -- of the content of 17:27 14 Standard 90.1? 17:23 15 A The selection of the content, no. The 17:24 16 arrangement, they're not going to change the order, but 17:20 17 the formatting in terms of, you know, the two-column 17:22 18 format, it could switch from one to two column after 17:26 19 public review is done by public -- our publications 17:20 20 department. 17:23 21 Q And who made the decision to switch it from 17:24 22 one column to two column? 17:28 23 A That would have been Steve Comstock would 17:21 24 have decided to -- I believe the standard was 17:24 25 originally one column. When they go out for public 17:27</p> <p style="text-align: right;">Page 194</p>	<p>1 A These are the minutes from the 90.1 meeting 17:38 2 for sure from Saturday, January 24th, 2004. Then 17:34 3 from -- and it also includes the minutes from the 17:31 4 meeting on Sunday, January -- January 25th, 2004. Hang 17:35 5 on. They usually have more than -- another meeting. 17:35 6 And from Monday, January 26, 2004. 17:30 7 Q And could you please turn to page 8? 17:33 8 A 8? 17:39 9 Q Yes. Section 10 on page 8 includes the 17:39 10 marketing task force ad hoc subcommittee update. And 17:30 11 it says in the second and third sentence, it says, "The 17:39 12 discussion included the question of who is the customer 17:33 13 for Standard 90.1. Chris stated that the subcommittee 17:37 14 has one customer that it has failed to fulfill the 17:32 15 needs of, and that is the Department of Energy, DOE." 17:37 16 Does ASHRAE consider the Department of Energy 17:33 17 to be a customer? 17:35 18 A It would be one customer. 17:38 19 (Exhibit 1194 marked for identification.) 17:31 20 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 17:38 21 you a document that has been marked as Exhibit 1194. 17:30 22 This is Bates number ASHRAE0006892. Can you tell me 17:34 23 what this document is? 17:33 24 A This document is an ASHRAE 90.1 questionnaire 17:34 25 summary combined -- compiled by Valerie Block, the 17:38</p> <p style="text-align: right;">Page 196</p>
<p>1 review, we put it in one column, because it's easier 17:20 2 for people to read one column, you know, and we don't 17:22 3 have to mess with the formatting. 17:25 4 Then because of the length, I believe they 17:29 5 switched to a two-column format for publication. 17:21 6 And -- and that's -- that's why they did it, so the -- 17:24 7 your printed copy isn't, you know, 3 inches thick 17:29 8 versus an inch and a half thick. 17:24 9 Q So when you say two-column format, you mean 17:27 10 the text appears in two columns on the page, as opposed 17:28 11 to just being a single column on the page? 17:23 12 A That's correct. 17:25 13 Q And is that the only change in arrangement 17:23 14 that's performed by ASHRAE staff? 17:27 15 A By publications, they might correct the 17:20 16 numbering of a section if the committee changed 17:23 17 something and the numbering was off, but it's just to 17:25 18 make it format correctly for -- on the publication 17:28 19 side. 17:23 20 (Exhibit 1193 marked for identification.) 17:24 21 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 17:30 22 you what's been marked as Exhibit 1193. This is Bates 17:31 23 number ASHRAE0001628. Do you recognize this document? 17:37 24 A Yes. 17:33 25 Q Can you tell me what this document is? 17:35</p> <p style="text-align: right;">Page 195</p>	<p>1 chair of the 90.1 marketing committee. 17:33 2 Q And can you tell me what the purpose of this 17:32 3 questionnaire summary was? 17:35 4 A The purpose of -- of the questionnaire or the 17:36 5 summary -- summary? 17:39 6 Q Of the summary itself. 17:31 7 A It was to give information to the committee 17:32 8 on what -- the opinions of the users of the standard 17:37 9 were. 17:31 10 Q And which committee was that? 17:32 11 A 90.1. 17:33 12 (Exhibit 1195 marked for identification.) 17:38 13 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 17:38 14 you what's been marked as Exhibit 1195. Bates labeled 17:30 15 ASHRAE0024267. Do you recognize this document? 17:35 16 A This is -- yes. 17:30 17 Q And can you tell me what this document is? 17:32 18 A This is a document where the president of 17:39 19 ASHRAE was asking for the committee on utilities and 17:38 20 energy to consider a building energy labeling program 17:33 21 that was being developed by ASHRAE. This is the 17:38 22 building energy quotient, but it's not -- it's not a 17:36 23 90.1 tool. 17:31 24 (Exhibit 1196 marked for identification.) 17:34 25 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 17:34</p> <p style="text-align: right;">Page 197</p>

1 you what's been marked as Exhibit 1196, ASHRAE Bates 17:35
 2 number 0024287. Do you recognize this document? 17:39
 3 A Yes. 17:30
 4 Q And could you tell me what this document is? 17:32
 5 A This is a letter from -- who would have been 17:34
 6 the president of ASHRAE at the time in 2009, Gordon 17:38
 7 Holness, to President Obama talking about as we're 17:33
 8 working towards energy efficiency, where we have agreed 17:31
 9 to try to -- the project committee to be 30 percent 17:35
 10 more energy efficient from 2004, version of 17:31
 11 Standard 90.1 to the 2010 version. 17:34
 12 And it also mentions our Building Energy 17:39
 13 Quotient BEQ program that provides people with energy 17:32
 14 use of buildings and to ask that the -- while they're 17:36
 15 implementing the executive order, that they look at 17:35
 16 considering using the building EQ program. 17:38
 17 (Exhibit 1197 marked for identification.) 17:39
 18 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 17:33
 19 you what's been marked as Exhibit 1197. Do you 17:34
 20 recognize this document? 17:37
 21 A Yes. 17:30
 22 Q And can you tell me what this document is? 17:31
 23 A This is an ASHRAE Facts and Stats document 17:35
 24 that D.C. folks would leave with congressional staff 17:39
 25 members. 17:37

Page 198

1 Q And what was the purpose of leaving this with 17:37
 2 congressional staff members? 17:30
 3 A Just to give you a -- give them information 17:31
 4 about what ASHRAE is, what our expertise is in, and 17:33
 5 about our standards, our research program, 17:30
 6 publications, continuing education; just ASHRAE as a 17:33
 7 whole. 17:37
 8 (Exhibit 1198 marked for identification.) 17:39
 9 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 17:34
 10 you what's -- what's been marked as Exhibit 1198, Bates 17:35
 11 number ASHRAE0024393. Do you recognize this document? 17:30
 12 A Yes. 17:37
 13 Q And what is this document? 17:37
 14 A This is another sort of fact sheet type thing 17:39
 15 that ASHRAE does to educate the staff members of the 17:32
 16 legislature about ASHRAE's role in energy efficiency 17:36
 17 and our views on how to get there. 17:31
 18 (Exhibit 1199 marked for identification.) 17:33
 19 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 17:42
 20 you what's been marked as Exhibit 1199. This is Bates 17:45
 21 labeled ASHRAE0024624. Do you recognize this document? 17:40
 22 A Yes. 17:40
 23 Q And what is this document? 17:41
 24 A These are -- this is an email that shows the 17:42
 25 notes from what would have been an ASHRAE leadership 17:45

Page 199

1 meeting with different organizations in Washington, 17:41
 2 D.C. 17:41
 3 Q And when you say what would have been an 17:41
 4 ASHRAE leadership meeting with different organizations 17:41
 5 in Washington, D.C., do you mean it was a meeting that 17:41
 6 did occur? 17:41
 7 A Yes. 17:41
 8 Q Is it clear to you who the participants of 17:42
 9 this meeting would have been? 17:42
 10 MR. FEE: Can I see this document before 17:42
 11 you get into this any further? 17:42
 12 Okay. 17:42
 13 THE WITNESS: Well, I can tell from the 17:42
 14 ASHRAE side, based on this email, that Lynn 17:42
 15 Bellenger, Ron Jarnigan, Tom Watson, Jeff 17:43
 16 Littleton, Doug Read, and Mark Ames would 17:43
 17 have been at these meetings. Some of them I 17:43
 18 can -- it appears from this that OSTP had 17:43
 19 Kevin Hurst there. 17:43
 20 Q (BY MR. BECKER) That's fine if you -- 17:43
 21 A I mean, I would have to -- I mean, some of 17:43
 22 them I can tell that -- you know, who was there, I can 17:43
 23 tell which organizations were there, but some I can 17:43
 24 tell by the way the notes were written who was there, 17:43
 25 and some I cannot. I can -- if it would be easier, I 17:44

Page 200

1 I can tell you what organizations appears. 17:44
 2 Q Yes, if you could say which organizations. 17:46
 3 A So -- and this -- my recollection of the 17:40
 4 leadership meetings, typically it's more -- more than 17:46
 5 one meeting, so they weren't all in one meeting 17:48
 6 together, so these would have been notes from all of 17:40
 7 their meetings. 17:42
 8 So they would have talked with the EPA, 17:45
 9 DOE -- sorry, the page is sticking -- FEMP, NEMA, ASE, 17:48
 10 AHRI, NASEO, N-A-S-E-O, and that looks to be it. 17:42
 11 Q Okay. So it's all of the organizations that 17:48
 12 are -- that are listed as individual acronyms at the 17:40
 13 top of each paragraph section? 17:40
 14 A Right. 17:41
 15 Q And would those have been separate meetings 17:44
 16 with each individually? 17:46
 17 A Some of them could have been clumped 17:47
 18 together, some of them could have been separate. It's 17:41
 19 hard to tell from this email string how those occurred. 17:43
 20 But sometimes they have it where they're going to meet 17:49
 21 with these three organizations and then these three 17:42
 22 organizations; something like that. 17:44
 23 (Exhibit 1200 marked for identification.) 17:49
 24 Q (BY MR. BECKER) I'm handing you what's been 17:45
 25 marked as Exhibit 1200. This is Bates labeled 17:46

Page 201

1 standards at issue here. 18:03
 2 THE WITNESS: This email relates to 18:06
 3 Standard 161-2007. That's indoor air quality 18:08
 4 for commercial aircrafts. And it's about a 18:04
 5 congressional committee considering an FAA 18:09
 6 reauthorization bill and wants to know if -- 18:01
 7 if the members of 161 are supportive of this 18:06
 8 bill. 18:01
 9 Q (BY MR. BECKER) And in the top email, 18:05
 10 Mr. Weber's communication, he says, "Ladies and 18:01
 11 Gentlemen, below is an email from Ryan Colker, manager 18:06
 12 of government affairs in the ASHRAE Washington office. 18:09
 13 ASHRAE is encouraging legislators to adopt ASHRAE 18:03
 14 Standard 161-2007 and intends on sending the attached 18:07
 15 letter early next week. Ryan would like to make the 18:03
 16 SSPC aware of the intentions and would like to know if 18:07
 17 their organizations are willing to support the 18:01
 18 adoption." 18:04
 19 Is one of the roles of government -- ASHRAE's 18:09
 20 government affairs office in Washington, D.C., to 18:02
 21 encourage legislators to adopt ASHRAE standards? 18:06
 22 A If it's relevant to a bill that the 18:01
 23 legislature is -- is drafting. 18:08
 24 Q Does that include encouraging legislators to 18:01
 25 adopt ASHRAE Standard 90.1? 18:04
 Page 210

1 A If it's related to a legislation that they're 18:07
 2 creating. 18:00
 3 Q So if -- for clarity, if the -- if standard 18:01
 4 ASHRAE 90.1 is related to the legislation that's being 18:09
 5 created, then the Washington office of ASHRAE might 18:03
 6 encourage the adoption of Standard 90.1 into that 18:08
 7 legislation? 18:03
 8 A Yes, in consultation with ASHRAE leadership 18:05
 9 and those with relevant technical expertise. 18:09
 10 (Exhibit 1207 marked for identification.) 18:09
 11 Q (BY MR. BECKER) I'm handing you what's been 18:07
 12 marked as Exhibit 1207. Could you please take a moment 18:08
 13 to read this document and tell me what it is? 18:02
 14 MR. CUNNINGHAM: Same objection as the 18:02
 15 last document. This is outside the scope and 18:03
 16 irrelevant, as it doesn't relate to the 18:06
 17 standards at issue. 18:08
 18 THE WITNESS: So this is an email where 18:05
 19 Mike Lubliner, who was involved in 62.2, said 18:09
 20 he was talking with HUD and about having them 18:05
 21 adopt 62.2 and asked -- and discussing with 18:00
 22 Steve Emmerich, who I believe was the chair 18:06
 23 at that time, about who could speak on that. 18:08
 24 And then they asked Mark Weber if we 18:03
 25 could -- who is the staff liaison for 62.2, 18:07
 Page 211

1 if we could get comp copies to send to HUD to 18:01
 2 consider it, and Mark indicated that's 18:04
 3 probably very likely. 18:07
 4 And then they ask for the -- where to 18:00
 5 send it, to Rhonda from -- Rhonda Dickerson, 18:03
 6 who I'm assuming is from HUD. And instead of 18:08
 7 using the paper comment -- paper format, they 18:02
 8 sent a PDF copy that -- indicating it wasn't 18:08
 9 to be distributed outside of the HUD 18:12
 10 manufacturing housing consensus committee and 18:15
 11 not to reprint without ASHRAE permission. 18:18
 12 Q (BY MR. BECKER) You are a recipient of this 18:13
 13 email; is that correct? 18:15
 14 A Yes. 18:17
 15 Q What does HUD stand for? 18:10
 16 A Housing Urban Development. 18:14
 17 Q And is that a federal agency? 18:17
 18 A Yes. 18:11
 19 Q Is it common for ASHRAE to provide copies of 18:10
 20 ASHRAE standards to members of government when they are 18:16
 21 considering incorporating that standard into 18:10
 22 legislation or regulation? 18:14
 23 A If it's been requested, we typically will 18:17
 24 provide a copy for them to review, yes. 18:10
 25 Q And that would be a complimentary copy, 18:13
 Page 212

1 correct? 18:11
 2 A That is correct. 18:11
 3 (Exhibit 1208 marked for identification.) 18:11
 4 Q (BY MR. BECKER) Ms. Reiniche, I'm handing 18:11
 5 you what's been marked as Exhibit 1208. This has been 18:11
 6 produced as ASHRAE0024209. Do you recognize this 18:12
 7 document? 18:12
 8 MR. CUNNINGHAM: Object to this document 18:12
 9 as it also appears to relate to standards 18:12
 10 other than those that are at issue in this 18:12
 11 case. 18:12
 12 THE WITNESS: Yes, I recognize the 18:12
 13 document. 18:12
 14 Q (BY MR. BECKER) And what is this document? 18:12
 15 A This is a document from Terry Townsend, who 18:12
 16 would have been the president of ASHRAE in 2007, to 18:13
 17 Andrew Fanara from EPA Energy Star Program. And it's 18:13
 18 about a draft report to Congress on server and 18:13
 19 datacenter energy efficiency. 18:13
 20 And he's talking about the -- how ASHRAE is 18:13
 21 involved in that and the majority of this deals with 18:13
 22 our technical committee 9.9, which is missing critical 18:13
 23 facilities and the work they've done in the different 18:13
 24 publications they have, thermal guidelines for data 18:13
 25 processing equipment. And -- and then they had 18:13
 Page 213

5 I, SHARON A. GABRIELLI, HEREBY CERTIFY that
6 the foregoing deposition was taken down by me in
7 stenotype, and the questions and answers thereto were
8 transcribed by means of computer-aided transcription,
9 and that the foregoing represents a true and correct
10 transcript of the testimony given by said witness.
11 I FURTHER CERTIFY that I am not kin or
12 counsel to the parties in the case; am not in the
13 regular employ of counsel for any of said parties; nor
14 am I in any way financially interested in the result of
15 said case.
16 IN WITNESS WHEREOF, I have hereunto set my
17 hand this 10th day of April, 2015

Videotaped 30(b)(6) deposition of American Society for Testing & Materials, through DANIEL SMITH, held in the offices of Veritext Philadelphia, 1801 Market Street, Ten Penn Center, Suite 1800, Philadelphia, Pennsylvania 19103, commencing at 10:43 a.m., July 24, 2015, before Linda Rossi Rios, a Federally Approved RPR, CCR and Notary Public.

PAGES 1 - 292

1 giving your best testimony today?
 2 A. No.
 3 Q. Mr. Smith, what do you do for a
 4 living?
 5 A. I work for ASTM International.
 6 Q. And when you say you work for
 7 ASTM International, what do you mean?
 8 A. I'm the vice --
 9 MR. FEE: Objection. Vague.
 10 You can answer.
 11 THE WITNESS: I'm the vice
 12 president of technical committee
 13 operations.
 14 BY MR. BECKER:
 15 Q. And what is technical committee
 16 operations?
 17 A. It's a division within ASTM.
 18 Q. What does technical committee
 19 mean?
 20 A. Technical committees develop
 21 standards.
 22 Q. When you say "standards," what
 23 do you mean by that?
 24 A. Consensus standards.
 25 Q. By "consensus standards," what

Page 14

1 do you mean by that?
 2 A. Documents.
 3 Q. Any documents?
 4 A. Specifications, test methods,
 5 practices, guides, classifications and
 6 terminology.
 7 Q. Does the term "standards" have
 8 any specific meaning to you?
 9 MR. FEE: Objection. Vague.
 10 THE WITNESS: I'm not sure what
 11 you mean by that.
 12 BY MR. BECKER:
 13 Q. Can you define what a standard
 14 is?
 15 A. Just what I said previously,
 16 it's a test method, a specification, a
 17 practice, a guide, classification or
 18 terminology.
 19 Q. And you say that the technical
 20 committees develop standards. How do --
 21 actually, let me back up.
 22 What is a technical committee?
 23 A. I'm not sure how to answer
 24 that. I'm not sure what you mean by that.
 25 Q. How would you define a

Page 15

1 technical committee?
 2 A. A group of experts that develop
 3 standards.
 4 Q. And who are those experts?
 5 A. Volunteers.
 6 Q. And are they only volunteers?
 7 MR. FEE: Objection. Vague.
 8 THE WITNESS: For the most part
 9 from my knowledge, they're all
 10 volunteers.
 11 BY MR. BECKER:
 12 Q. How does a technical committee
 13 go about developing standards as you say?
 14 A. They use our consensus process.
 15 Q. What is the consensus process?
 16 A. It's two levels of voting
 17 starting with the subcommittee and then the
 18 main committee.
 19 Q. What's the difference between a
 20 subcommittee and a main committee?
 21 A. A subcommittee is typically
 22 smaller with a more narrow interest. A main
 23 committee has broader interest.
 24 Q. So within a technical
 25 committee, then, there is -- is there just

Page 16

1 one main committee?
 2 A. A main committee is a technical
 3 committee.
 4 Q. And are there numerous
 5 subcommittees?
 6 A. Yes.
 7 Q. And how many subcommittees on
 8 average?
 9 A. It varies.
 10 Q. Could you give me a range by
 11 which it might vary?
 12 A. The best of my knowledge, maybe
 13 from 3 to 40, 50.
 14 Q. When you say there is a
 15 consensus process that involves voting in the
 16 subcommittee and then voting at the main
 17 committee level, can you elaborate on that
 18 process?
 19 MR. FEE: Objection. Vague.
 20 THE WITNESS: They vote on
 21 standards so the folks on that
 22 committee will vote on whether or not
 23 they agree or not agree with the
 24 content of the standard.
 25 BY MR. BECKER:

Page 17

1 Q. Is that agree or don't agree on
 2 the content of a draft standard or the
 3 finalized standard?
 4 A. A draft standard.
 5 Q. Could we just back up a little
 6 bit and could you walk me through how a
 7 standard is developed at ASTM?
 8 A. It varies, but it could be
 9 by -- it starts typically with a task group.
 10 Q. And what does the task group
 11 do?
 12 A. They'll develop the content of
 13 the draft.
 14 Q. And who composes the task
 15 group?
 16 MR. FEE: Objection. Vague.
 17 THE WITNESS: The task group is
 18 typically made up of volunteers who
 19 wish to serve on the task group.
 20 BY MR. BECKER:
 21 Q. Are -- is everyone in a task
 22 group an ASTM member?
 23 A. No, not necessarily.
 24 Q. In what situations would
 25 individuals who are not members of ASTM

Page 18

1 compose members of the task group?
 2 MR. FEE: Objection to form.
 3 THE WITNESS: I'm not sure what
 4 you mean by that. Could you repeat
 5 that or say that differently?
 6 BY MR. BECKER:
 7 Q. Let's see. Are -- let me back
 8 up just a moment.
 9 Are any members of the task
 10 group also members of ASTM?
 11 A. Yes.
 12 Q. But some members of the task
 13 groups are not members of ASTM?
 14 A. Could be. It's mostly members.
 15 Q. And why would individuals who
 16 are not members of ASTM be members of the
 17 task group?
 18 MR. FEE: Objection. Calls for
 19 speculation.
 20 THE WITNESS: From my
 21 experience, because they're interested
 22 in the standard that's being
 23 developed.
 24 BY MR. BECKER:
 25 Q. How large are task groups on

Page 19

1 average?
 2 A. It varies, but it could be
 3 anywhere from 3 to 30 approximately.
 4 Q. And you said that the task
 5 group develops the content or the original
 6 draft of a standard. Is that correct?
 7 MR. FEE: Objection. Lack of
 8 foundation.
 9 THE WITNESS: From my
 10 experience, that's what a task group
 11 does.
 12 BY MR. BECKER:
 13 Q. How is a task group initially
 14 formed?
 15 A. It's formed by a group of
 16 volunteers who want to develop a standard or
 17 a revision to a standard.
 18 Q. Do the members and -- excuse
 19 me.
 20 Do the ASTM members and
 21 nonmembers of ASTM who compose task groups
 22 generally have the same or similar interests?
 23 MR. FEE: Objection. Calls for
 24 speculation.
 25 THE WITNESS: I don't know. I

Page 20

1 would think they would have a variety
 2 of different interests.
 3 BY MR. BECKER:
 4 Q. Are there any characteristics
 5 other than ASTM membership that would
 6 distinguish ASTM members who are members of
 7 task groups and those members of task groups
 8 who are not ASTM members?
 9 MR. FEE: Objection to form.
 10 THE WITNESS: The members pay
 11 the \$75 membership fee. Nonmembers
 12 don't pay the membership. That's the
 13 only thing I can think of.
 14 BY MR. BECKER:
 15 Q. How does a task group go about
 16 developing the initial draft of a standard?
 17 A. They could do it in a variety
 18 of ways.
 19 Q. Could you give me some examples?
 20 A. They could do it through the
 21 use of our collaboration areas, an online
 22 space that allows them to develop the draft.
 23 Q. And in what other ways?
 24 A. They could do it through course
 25 of e-mail.

Page 21

1 Q. And in what other ways?
 2 A. Through a meeting.
 3 Q. And in what other ways?
 4 A. None other come to mind at this
 5 point.
 6 Q. Are there any differences in
 7 how a task group would develop a draft of a
 8 standard today versus how they might have
 9 developed a draft of a standard in the 1970s
 10 or 1980s?
 11 MR. FEE: Objection. Lack of
 12 foundation. Calls for speculation.
 13 You can answer.
 14 THE WITNESS: Just from common
 15 sense, we wouldn't have had our Web
 16 tools, they wouldn't have been able to
 17 use our Web tools or our virtual
 18 meeting technology in the '70s.
 19 BY MR. BECKER:
 20 Q. Do you know how task groups
 21 developed drafts in the 1970s and 1980s?
 22 A. I don't know firsthand, but my
 23 guess is they would have done it at meetings.
 24 Q. When did ASTM first provide the
 25 online collaboration areas for the use by

Page 22

1 task groups?
 2 A. Guessing, it was sometime
 3 probably in the early 2000s roughly.
 4 Q. How long have you been at ASTM
 5 for?
 6 A. About 23 years.
 7 Q. So you were at ASTM for roughly
 8 a decade, at least a decade prior to when the
 9 online collaboration area was first rolled
 10 out. Is that correct?
 11 A. Approximately.
 12 Q. So prior to when the online
 13 collaboration area was rolled out, how did
 14 task groups develop draft standards at ASTM?
 15 A. To my knowledge, it would have
 16 been at meetings.
 17 Q. Were these meetings organized
 18 by ASTM?
 19 A. Some of them.
 20 Q. But other meetings might not
 21 have been organized by ASTM, is that what
 22 you're saying?
 23 MR. FEE: Objection. Vague.
 24 THE WITNESS: They could. They
 25 could organize their own meetings

Page 23

1 outside of ASTM.
 2 BY MR. BECKER:
 3 Q. Do you know how drafts of
 4 the -- of ASTM standards were exchanged
 5 between task group members prior to the
 6 introduction of the online collaboration area
 7 by ASTM?
 8 A. My guess would be through mail
 9 and fax.
 10 Q. Do you know if that mail and
 11 fax of drafts was facilitated by ASTM?
 12 MR. FEE: Objection. Vague.
 13 THE WITNESS: I would imagine
 14 that some of them would have been
 15 facilitated by ASTM and others would
 16 not have been.
 17 BY MR. BECKER:
 18 Q. Prior to the introduction of
 19 the online collaboration area, were there
 20 specific forms that task group members were
 21 made to fill out when drafting drafts of ASTM
 22 standards?
 23 MR. FEE: Objection to form.
 24 THE WITNESS: I believe we had
 25 forms starting in about 2003 on our

Page 24

1 membership applications that required
 2 members to assign all rights to ASTM.
 3 BY MR. BECKER:
 4 Q. So the membership, the forms on
 5 the membership applications for ASTM that
 6 asked individuals to assign all rights to
 7 ASTM, as you said, started in 2003 and didn't
 8 exist prior to that date?
 9 A. I believe that's correct.
 10 Q. And this just concerned the
 11 membership applications. Correct?
 12 MR. FEE: Objection. Vague.
 13 THE WITNESS: We also had them
 14 on our renewal forms, membership
 15 renewal forms. And then we also had
 16 them on our work item registration,
 17 and then our collaboration.
 18 BY MR. BECKER:
 19 Q. What is a work item registration
 20 form?
 21 A. It's for essentially opening up
 22 a new work item.
 23 Q. What is a work item?
 24 A. Either a revision to a standard
 25 or development of a new standard.

Page 25

1 Q. And when was the language that
2 you say concerns assignments of rights
3 introduced to the work item form?
4 A. I think it was in about 2003,
5 '04, '05, somewhere in there.
6 Q. So somewhere in the 2003 to
7 2005 period, you're not certain precisely
8 when?
9 A. I believe so.
10 Q. But it didn't exist on those
11 forms prior to at earliest 2003?
12 A. That's correct.
13 Q. Who fills out a work item form?
14 A. A member.
15 Q. Is it only ASTM members who
16 fill out work item forms?
17 A. If a member would ask a staff
18 person to help facilitate filling out a form,
19 they may do that.
20 Q. What is a collaboration form?
21 A. The collaboration, if a member
22 wants to initiate a collaboration area, they
23 have to go through an online process to
24 initiate it.
25 Q. Just so I understand, is that

Page 26

1 to create the online collaboration area that
2 you had described earlier as being a location
3 online provided by ASTM where members of a
4 task group could go to help develop the draft
5 for a standard?
6 A. Yes.
7 Q. And so the collaboration form
8 was only introduced after the collaboration
9 areas had been provided by ASTM to its
10 members?
11 A. Yes.
12 Q. And when, again, did you say
13 that that was?
14 A. I think it was about 2003.
15 Q. People who are members of task
16 groups for developing standards but are not
17 themselves ASTM members, do they fill out
18 membership applications for ASTM?
19 A. No.
20 Q. And those individuals who I
21 just described a moment ago, do they fill out
22 renewal forms for ASTM?
23 A. No.
24 Q. And those individuals who I
25 just described a moment ago, do they fill out

Page 27

1 work item registration forms for ASTM?
2 A. No.
3 Q. And those individuals I
4 described a moment ago, do they fill out
5 collaboration forms for ASTM?
6 A. Yes.
7 Q. They do. Are they required to
8 fill out collaboration forms for ASTM in
9 order to participate in the development of a
10 draft of a standard?
11 MR. FEE: Objection. Vague.
12 THE WITNESS: Yes.
13 BY MR. BECKER:
14 Q. From approximately what year
15 forward have individuals who are members of
16 ASTM task groups but not themselves members
17 of ASTM been required to fill out
18 collaboration forms in order to participate
19 in the drafting of an ASTM standard?
20 A. To my knowledge, since the
21 beginning.
22 Q. When you say "since the
23 beginning," what do you mean?
24 A. When we had -- when we created
25 the form.

Page 28

1 Q. So that would be approximately
2 2003, you're saying?
3 A. Yes.
4 Q. Were individuals who were
5 members of task groups but not themselves
6 members of ASTM required to fill out any
7 forms in order to participate in the drafting
8 of an ASTM standard prior to 2003?
9 A. Not to my knowledge.
10 Q. Is there any means by which
11 ASTM claims that individuals who are -- who
12 were members of task groups but not
13 themselves members of ASTM have assigned any
14 copyrights that they might have in the drafts
15 of the standards that were created and
16 eventually published through ASTM -- to ASTM?
17 MR. FEE: Objection. Calls for
18 a legal conclusion. Instruct you not
19 to disclose any communications you
20 might have had with counsel regarding
21 that subject. If you have an
22 independent knowledge that is
23 responsive, you can answer that.
24 THE WITNESS: I don't know. Not
25 to my knowledge.

Page 29

1 a legal conclusion. Vague.
 2 Confusing. You can answer if you can.
 3 THE WITNESS: I think I'll
 4 answer it by just saying the purpose
 5 of this form is for when an individual
 6 wants to bring a document into ASTM to
 7 make it into an ASTM standard.
 8 BY MR. BECKER:
 9 Q. So this document is not
 10 required of every member of a task group who
 11 contributes original material to an ASTM
 12 standard draft?
 13 MR. FEE: Objection. Vague. To
 14 the extent it calls for a legal
 15 conclusion.
 16 THE WITNESS: This form would
 17 not be.
 18 BY MR. BECKER:
 19 Q. When is the last time, to your
 20 knowledge, that this form, Exhibit 1284, was
 21 used by ASTM?
 22 A. I don't know.
 23 Q. Do you have any guess as to
 24 what year this form was last used by ASTM?
 25 MR. FEE: Objection. Lack of

Page 38

1 foundation. Calls for speculation.
 2 THE WITNESS: I don't know.
 3 BY MR. BECKER:
 4 Q. Do you know any specific
 5 standards that this form was used in
 6 conjunction with?
 7 A. I don't know offhand, no. No
 8 specifics.
 9 Q. Does ASTM retain the signed
 10 copies that it receives of this Participation
 11 and Acknowledgement Form?
 12 A. I'm not sure.
 13 Q. Do you know how many of these
 14 Participation and Acknowledgement Forms have
 15 been signed and returned to ASTM?
 16 A. No.
 17 Q. Do you have any approximate
 18 guess as to how many of these Participation
 19 and Acknowledgement Forms have been signed
 20 and returned to ASTM?
 21 MR. FEE: Objection. Calls for
 22 speculation.
 23 THE WITNESS: No.
 24 BY MR. BECKER:
 25 Q. Do you know if this

Page 39

1 Participation and Acknowledgement Form has
 2 ever been signed and returned to ASTM?
 3 A. I don't know for sure, but I
 4 would guess it has been.
 5 Q. And what's your basis for
 6 guessing that it has been?
 7 A. I vaguely remember instances
 8 where we would have to use this.
 9 Q. And what instances were those?
 10 A. I can't remember.
 11 Q. What other information do you
 12 recollect in conjunction with those instances
 13 where you believe that you had to use this
 14 form as you describe it?
 15 MR. FEE: Objection. Vague.
 16 THE WITNESS: The only thing I
 17 can remember is members interested in
 18 bringing forward documents that they
 19 were interested in having become ASTM
 20 standard.
 21 BY MR. BECKER:
 22 Q. Prior to the introduction of
 23 the Participation and Acknowledgement Form in
 24 approximately 2002, was there any means by
 25 which ASTM had members of task groups who

Page 40

1 contributed original contents to the drafts
 2 of ASTM standards but were not themselves
 3 members of ASTM thereby transferred their
 4 copyrights to ASTM?
 5 MR. FEE: Objection. Calls for
 6 a legal conclusion. To the extent --
 7 you shouldn't disclose any
 8 communications you had with counsel
 9 regarding the subject matter. If you
 10 have independent information that you
 11 can share, go ahead and answer with
 12 respect to that.
 13 THE WITNESS: I'm not aware of
 14 any formal forms that we used prior to
 15 2003.
 16 BY MR. BECKER:
 17 Q. Are you aware of any informal
 18 means by which individuals such as those that
 19 I just described in my previous question
 20 might have transferred their copyright to
 21 ASTM?
 22 MR. FEE: Same objection and
 23 instruction.
 24 THE WITNESS: I'm not sure what
 25 you mean by "informal."

Page 41

1 BY MR. BECKER:
 2 Q. I'm simply asking because you
 3 say you're not aware any formal forms that
 4 are used prior to 2003. So I'm asking if
 5 there were any informal means by which ASTM
 6 believes that individuals transferred their
 7 copyright to ASTM prior to 2003?
 8 MR. FEE: Objection. Calls for
 9 a legal conclusion. You shouldn't
 10 disclose your communications with
 11 counsel on this subject, but if you
 12 have other information, you can answer
 13 about that.
 14 THE WITNESS: I don't believe --
 15 we didn't feel like we needed any
 16 formal, any formal assignment paper.
 17 BY MR. BECKER:
 18 Q. Why didn't ASTM feel like it
 19 needed any formal assignment paper?
 20 MR. FEE: Objection. Calls for
 21 a legal conclusion. You shouldn't
 22 disclose any communication you had
 23 with counsel regarding the subject,
 24 but if you have any other information
 25 that's responsive, you can answer

Page 42

1 about that.
 2 THE WITNESS: Because we felt
 3 that there was a basic understanding,
 4 there is a basic understanding today
 5 and there's been a basic understanding
 6 for as long as ASTM has been around
 7 that the reason they come to the table
 8 is for the sole purpose of developing
 9 an ASTM standard that will receive a
 10 logo, and that will be copyrighted and
 11 be distributed. Our members buy the
 12 resulting standards from ASTM. We've
 13 never, that I can recall, have had a
 14 member or a nonmember take issue with
 15 ASTM selling the resulting copyrighted
 16 standard to them and to others. I
 17 believe that the reason they come to
 18 the table is because they want --
 19 they're there for the sole purpose of
 20 having a standard that will have an
 21 ASTM logo on it.
 22 BY MR. BECKER:
 23 Q. Anything else?
 24 MR. FEE: Same objections and
 25 instructions.

Page 43

1 THE WITNESS: Not at this time.
 2 BY MR. BECKER:
 3 Q. The basic understanding that
 4 you just described, how is that basic
 5 understanding documented?
 6 MR. FEE: Objection. Again,
 7 instruct you not to disclose
 8 communications with counsel on that
 9 subject, but if you have other
 10 information, you can go ahead and
 11 disclose that.
 12 THE WITNESS: I'm not sure what
 13 you mean by "documented."
 14 BY MR. BECKER:
 15 Q. Are there any documents that
 16 reflect the basic understanding that you just
 17 described concerning the reasons for
 18 individuals contributing in the drafting of
 19 ASTM standards?
 20 A. No, we didn't feel like
 21 documentation was needed.
 22 Q. Does ASTM have any documents to
 23 support its position that there was a basic
 24 understanding between the members who --
 25 excuse me, let me rephrase that.

Page 44

1 Does ASTM have any documents to
 2 support its position that there was a basic
 3 understanding between the individuals who
 4 drafted ASTM standards and ASTM that the
 5 copyright in those standards were to belong
 6 to ASTM?
 7 MR. FEE: Objection. Instruct
 8 you not to disclose communications
 9 with counsel on that subject. If
 10 you're aware of other documents, you
 11 can go ahead and respond with respect
 12 to them.
 13 THE WITNESS: I'm not aware of
 14 any documents.
 15 BY MR. BECKER:
 16 Q. Just a moment ago you were
 17 describing the reasons why people participate
 18 in the drafting of ASTM standards. Could you
 19 describe some of the incentives for
 20 individuals to participate in the drafting of
 21 ASTM standards?
 22 MR. FEE: Objection. Lack of
 23 foundation. You can answer.
 24 THE WITNESS: In general, you
 25 can say that an individual would -- or

Page 45

1 BY MR. BECKER:
 2 Q. I'm simply asking because you
 3 say you're not aware any formal forms that
 4 are used prior to 2003. So I'm asking if
 5 there were any informal means by which ASTM
 6 believes that individuals transferred their
 7 copyright to ASTM prior to 2003?
 8 MR. FEE: Objection. Calls for
 9 a legal conclusion. You shouldn't
 10 disclose your communications with
 11 counsel on this subject, but if you
 12 have other information, you can answer
 13 about that.
 14 THE WITNESS: I don't believe --
 15 we didn't feel like we needed any
 16 formal, any formal assignment paper.
 17 BY MR. BECKER:
 18 Q. Why didn't ASTM feel like it
 19 needed any formal assignment paper?
 20 MR. FEE: Objection. Calls for
 21 a legal conclusion. You shouldn't
 22 disclose any communication you had
 23 with counsel regarding the subject,
 24 but if you have any other information
 25 that's responsive, you can answer

Page 42

1 about that.
 2 THE WITNESS: Because we felt
 3 that there was a basic understanding,
 4 there is a basic understanding today
 5 and there's been a basic understanding
 6 for as long as ASTM has been around
 7 that the reason they come to the table
 8 is for the sole purpose of developing
 9 an ASTM standard that will receive a
 10 logo, and that will be copyrighted and
 11 be distributed. Our members buy the
 12 resulting standards from ASTM. We've
 13 never, that I can recall, have had a
 14 member or a nonmember take issue with
 15 ASTM selling the resulting copyrighted
 16 standard to them and to others. I
 17 believe that the reason they come to
 18 the table is because they want --
 19 they're there for the sole purpose of
 20 having a standard that will have an
 21 ASTM logo on it.
 22 BY MR. BECKER:
 23 Q. Anything else?
 24 MR. FEE: Same objections and
 25 instructions.

Page 43

1 THE WITNESS: Not at this time.
 2 BY MR. BECKER:
 3 Q. The basic understanding that
 4 you just described, how is that basic
 5 understanding documented?
 6 MR. FEE: Objection. Again,
 7 instruct you not to disclose
 8 communications with counsel on that
 9 subject, but if you have other
 10 information, you can go ahead and
 11 disclose that.
 12 THE WITNESS: I'm not sure what
 13 you mean by "documented."
 14 BY MR. BECKER:
 15 Q. Are there any documents that
 16 reflect the basic understanding that you just
 17 described concerning the reasons for
 18 individuals contributing in the drafting of
 19 ASTM standards?
 20 A. No, we didn't feel like
 21 documentation was needed.
 22 Q. Does ASTM have any documents to
 23 support its position that there was a basic
 24 understanding between the members who --
 25 excuse me, let me rephrase that.

Page 44

1 Does ASTM have any documents to
 2 support its position that there was a basic
 3 understanding between the individuals who
 4 drafted ASTM standards and ASTM that the
 5 copyright in those standards were to belong
 6 to ASTM?
 7 MR. FEE: Objection. Instruct
 8 you not to disclose communications
 9 with counsel on that subject. If
 10 you're aware of other documents, you
 11 can go ahead and respond with respect
 12 to them.
 13 THE WITNESS: I'm not aware of
 14 any documents.
 15 BY MR. BECKER:
 16 Q. Just a moment ago you were
 17 describing the reasons why people participate
 18 in the drafting of ASTM standards. Could you
 19 describe some of the incentives for
 20 individuals to participate in the drafting of
 21 ASTM standards?
 22 MR. FEE: Objection. Lack of
 23 foundation. You can answer.
 24 THE WITNESS: In general, you
 25 can say that an individual would -- or

Page 45

1 a company or an individual would be
 2 interested in having an ASTM standard
 3 that they could say their product or
 4 service is in compliance with.
 5 BY MR. BECKER:
 6 Q. Are there any other reasons?
 7 MR. FEE: Objection.
 8 THE WITNESS: I'm sure there are
 9 other reasons, I just can't think of
 10 any right now.
 11 BY MR. BECKER:
 12 Q. Does ASTM have any forms by
 13 which companies have assigned any copyrights
 14 that they may have in the draft standards to
 15 ASTM?
 16 MR. FEE: Objection. To the
 17 extent it calls for a legal
 18 conclusion, I instruct you not to
 19 disclose communications with counsel
 20 on this subject, but if you have any
 21 documents to identify, go ahead.
 22 THE WITNESS: I'm not aware of
 23 any.
 24 BY MR. BECKER:
 25 Q. Does ASTM distinguish between

Page 46

1 companies and individuals in the -- in its
 2 understanding of the granting of copyright
 3 rights to ASTM?
 4 MR. FEE: Objection. Vague. To
 5 the extent I understand it, I think it
 6 calls for a legal conclusion. To the
 7 extent you think that requires you to
 8 disclose any communication from
 9 counsel, you shouldn't do so. If you
 10 understand you have non-privileged
 11 information that is responsive, go
 12 ahead and provide it.
 13 THE WITNESS: I'm not sure what
 14 you mean by that question.
 15 BY MR. BECKER:
 16 Q. Let me rephrase. If an
 17 individual fills out a form that ASTM
 18 believes assigns a copyright to ASTM but that
 19 individual is employed by a company and is
 20 acting in the scope of employment, does ASTM
 21 believe that a copyright is granted to it?
 22 MR. FEE: Objection. Calls for
 23 a legal conclusion. Calls for
 24 speculation. You shouldn't disclose
 25 any communications with counsel that

Page 47

1 you might think are responsive to
 2 that. If you have other information,
 3 you can go ahead and answer.
 4 THE WITNESS: My understanding
 5 is that the members join as
 6 individuals, and that when they come
 7 to an ASTM meeting, they're
 8 contributing their own knowledge to
 9 the ASTM standard.
 10 BY MR. BECKER:
 11 Q. When you say that's your
 12 understanding, is that also ASTM's
 13 understanding?
 14 A. Yes.
 15 MR. FEE: Same objections.
 16 THE WITNESS: Yes.
 17 MR. FEE: And instructions.
 18 BY MR. BECKER:
 19 Q. When you say "members join as
 20 individuals," does this also include
 21 individuals who are government employees?
 22 A. Yes.
 23 Q. Does ASTM believe that
 24 government employees who are acting within
 25 the scope of their employment by the federal

Page 48

1 government join as individuals when they join
 2 ASTM?
 3 MR. FEE: Objection. Calls for
 4 a legal conclusion. Calls for
 5 speculation. Instruct you not to
 6 disclose communications with counsel
 7 on this subject, but you can answer if
 8 you have other information.
 9 THE WITNESS: I'm not sure what
 10 the individual members believe. I
 11 believe our committees believe that
 12 the input they get on the standards
 13 are from that individual, the
 14 individual knowledge that they're
 15 providing, not necessarily a company
 16 or a government position.
 17 BY MR. BECKER:
 18 Q. And what's your basis for
 19 believing that that is what the members of
 20 the committee believe?
 21 A. Just my experience.
 22 Q. What experience are you
 23 referring to?
 24 A. My experience with working with
 25 technical committees.

Page 49

1 experience in sitting in the meetings
 2 and observing the individual members
 3 contribute to the development of the
 4 standards.
 5 BY MR. BECKER:
 6 Q. What about those contributions
 7 of those members gave you that impression?
 8 MR. FEE: Objection. Calls for
 9 a legal conclusion. Compound.
 10 THE WITNESS: I'm not thinking
 11 of any one example. I'm just thinking
 12 over time in all of my different
 13 committees and all the different
 14 meetings that I've attended, to me it
 15 appears that people are contributing
 16 off the cuff spontaneously in the
 17 development of the standard.
 18 BY MR. BECKER:
 19 Q. When they participate, do
 20 members of the federal government use their
 21 federal government issued e-mail addresses?
 22 MR. FEE: Objection. Compound.
 23 Calls for speculation.
 24 THE WITNESS: They may or they
 25 may not.

Page 54

1 BY MR. BECKER:
 2 Q. What is it about off-the-cuff
 3 or spontaneous contributions that you think
 4 means that these individuals are
 5 participating in their individual capacity
 6 and not as federal government employees?
 7 MR. FEE: Objection. Calls for
 8 a legal conclusion.
 9 THE WITNESS: Just my belief
 10 based on what I'm observing that I
 11 think it's a very spontaneous
 12 conversation, people providing
 13 contributions based on what they
 14 believe, not necessarily what their
 15 company believes.
 16 BY MR. BECKER:
 17 Q. Are individuals who
 18 participate -- excuse me.
 19 Are federal government
 20 employees who participate in ASTM committees
 21 or task groups classified differently than
 22 other individuals who participate in those
 23 committees or task groups?
 24 MR. FEE: Objection. Vague.
 25 THE WITNESS: I'm not sure what

Page 55

1 you mean by "differently."
 2 BY MR. BECKER:
 3 Q. Is there a specific
 4 classification that's given to government
 5 employees who participate in the development
 6 of standards under ASTM?
 7 A. They're given a classification
 8 just as all other members are.
 9 Q. And what is that classification?
 10 A. It could either be a producer,
 11 user, general interest, depending upon the
 12 scope of the committee.
 13 Q. Would a federal government
 14 employee count as a producer?
 15 A. I can't think of a situation
 16 where they would be.
 17 Q. Would a federal government
 18 employee count as a user?
 19 A. They may.
 20 Q. Would a federal government
 21 employee count as a general interest member?
 22 A. They may.
 23 Q. In what circumstances might a
 24 federal government employee count as a user
 25 versus a general interest member?

Page 56

1 A. It depends on the scope of the
 2 committee.
 3 Q. Could you give some examples?
 4 A. On my road and paving
 5 committee, federal highway would be
 6 considered a user.
 7 MR. FEE: We've been going quite
 8 some time. I asked to have a short
 9 break. We're going to take a break
 10 now, no question pending.
 11 MR. BECKER: We can take a
 12 break.
 13 VIDEOGRAPHER: Time is now
 14 11:48. We're going off the video
 15 record.
 16 - - -
 17 (A recess was taken.)
 18 - - -
 19 VIDEOGRAPHER: The time is now
 20 12:02. We're back on the video
 21 record.
 22 BY MR. BECKER:
 23 Q. Mr. Smith, do you have any
 24 additional recollections or other information
 25 that you would like to add in response to any

Page 57

1 of the questions we've discussed so far
 2 today?
 3 A. Relative to our members'
 4 awareness that they're assigning copyrights
 5 to ASTM, I believe you had asked that
 6 question prior to 2003.
 7 Q. Yes.
 8 A. ASTM also has an Intellectual
 9 Property Policy that makes our members aware
 10 of that as well.
 11 Q. And when was ASTM's
 12 Intellectual Property Policy first
 13 instituted?
 14 A. I'm not sure, but I believe it
 15 was in the '90s.
 16 Q. Is there anything else other
 17 than ASTM's Intellectual Property Policy that
 18 you believe contributes to ASTM's belief that
 19 there was an understanding that the copyright
 20 of individuals who participated in the
 21 drafting of ASTM standards was owned by ASTM?
 22 MR. FEE: Objection. Asked and
 23 answered. Are you asking him to
 24 repeat all the other things he
 25 mentioned before or are you excluding

Page 58

1 those?
 2 MR. BECKER: Were there other
 3 things that he mentioned before?
 4 MR. FEE: Oh, yeah. I'll be
 5 honest. Actually I shouldn't say
 6 that. But you're asking him to list
 7 everything he can think of now again?
 8 MR. BECKER: In terms of
 9 documents.
 10 MR. FEE: Oh, documents.
 11 MR. BECKER: I don't think there
 12 was anything else, was there?
 13 MR. FEE: Your prior question
 14 wasn't limited to documents, that's
 15 why I said that.
 16 THE WITNESS: Is it before 2003?
 17 BY MR. BECKER:
 18 Q. Yes.
 19 A. I'm not aware of any other
 20 documents.
 21 Q. Is there anything else that you
 22 have to add to your earlier testimony other
 23 than your mention of the IP Policy?
 24 A. I can't think of anything at
 25 this time.

Page 59

1 - - -
 2 (Exhibit 1285, Intellectual
 3 Property Policy of ASTM, Bates
 4 ASTM103277 - ASTM103284, was marked
 5 for identification.)
 6 - - -
 7 BY MR. BECKER:
 8 Q. I'm handing you what's been
 9 marked as Exhibit 1285. Is this the
 10 Intellectual Property Policy of ASTM that you
 11 had just mentioned?
 12 A. Yes, I believe this is a
 13 version of it.
 14 Q. Are there multiple versions of
 15 the ASTM intellectual property policy?
 16 A. I believe there were at least
 17 two or three.
 18 Q. This says it was approved on
 19 April 28, 1999. Correct?
 20 A. It does say that.
 21 Q. It says that at the top of the
 22 first page and at the bottom of the last
 23 page. Is that correct?
 24 A. That's correct.
 25 MR. FEE: Objection. It says

Page 60

1 adopted on the last page, not
 2 approved.
 3 BY MR. BECKER:
 4 Q. And for the record, this is the
 5 document Bates number ASTM 103277 to
 6 ASTM 103284 titled: "INTELLECTUAL PROPERTY
 7 POLICY OF ASTM." It says at the top of page
 8 Bates number ASTM103277 "Approved 28
 9 April 1999." Is that correct?
 10 A. Yes.
 11 Q. Was this the first edition of
 12 the Intellectual Property Policy of ASTM?
 13 A. I believe there was one prior
 14 to this.
 15 Q. Do you know when the
 16 Intellectual Property Policy of ASTM that
 17 existed prior to this was created?
 18 A. No.
 19 Q. Do you have any idea?
 20 A. I think it was at some point in
 21 the '90s. Maybe mid '90s, but I'm not sure.
 22 Q. Does ASTM have any record of an
 23 Intellectual Property Policy prior to this
 24 one, Exhibit 1285?
 25 A. I'm not sure.

Page 61

1 Q. What did you discuss with Jim
 2 Thomas when you met with him then?
 3 A. I asked Jim about any memory
 4 that he has relative to assignments of
 5 copyright.
 6 Q. And what did he say?
 7 A. Pretty much what I've explained
 8 to you relative to formally getting
 9 documentation from our members on assignment
 10 from 2003 to the present relative to our
 11 renewal forms, membership application forms,
 12 collaboration area. And then prior to that,
 13 Jim's recollection and feelings were that
 14 copyright assignment from our members was a
 15 very basic understanding that our members had
 16 and our staff have had, the sole purpose they
 17 come to an ASTM meeting is to develop a
 18 standard that's going to result in an ASTM
 19 approved standard with a logo on it that's
 20 copyrighted.
 21 Q. Did Mr. Thomas identify any
 22 basis for his belief that copyright
 23 assignment from ASTM members was a very basic
 24 understanding, as you described it, that ASTM
 25 members had with the purpose of developing an

Page 94

1 ASTM standard?
 2 A. Can you explain?
 3 Q. Let me rephrase that. Did
 4 Mr. Thomas identify any basis for his belief
 5 that ASTM members had an understanding that
 6 their drafts would be -- that the copyright
 7 for their drafts would be held by ASTM?
 8 A. I think his basis was on the
 9 fact that we've never had a member that has
 10 really questioned, that we can recall, or
 11 challenged ASTM copyrighting something.
 12 Another basis being that we sell our
 13 standards and our members are some of our
 14 biggest customers, so they're buying the
 15 standards from us. Jim Thomas has provided
 16 numerous presentations at different committee
 17 meetings announcing about this lawsuit and
 18 what the ramifications potentially could be.
 19 How it could affect our business model and
 20 how we want to maintain our low entry for
 21 participation, \$75 membership, no meeting
 22 fees, and we sell our resulting standards so
 23 that we can support our operations. And the
 24 members, based on the presentations that I've
 25 seen, have embraced that concept.

Page 95

1 Q. Did Jim Thomas say all of that
 2 to you? When I say "all of that," I'm
 3 referring to your previous statement that you
 4 attributed to Jim Thomas, were all of those
 5 statements from Jim Thomas?
 6 MR. FEE: Objection. Compound.
 7 THE WITNESS: Jim has told me
 8 and I have seen Jim do these
 9 presentations.
 10 BY MR. BECKER:
 11 Q. When you spoke with Jim Thomas
 12 on Tuesday, did he say that a member has
 13 never challenged the copyright assertions by
 14 ASTM?
 15 A. Yes.
 16 Q. And when you met with Jim
 17 Thomas on Tuesday, did he say that the fact
 18 that ASTM sells standards to its members is a
 19 basis for why there may be an understanding
 20 that by ASTM members, that their
 21 contributions would be copyrighted by ASTM?
 22 A. He had indicated that the fact
 23 that we sell the standards back to our
 24 members is probably a real good indication
 25 that there's a basic understanding from our

Page 96

1 members that we are copyrighting the material
 2 that they contribute.
 3 Q. Did Jim Thomas say anything
 4 else to you when you met with him on Tuesday?
 5 MR. FEE: Objection. Vague.
 6 THE WITNESS: I can't think of
 7 anything else specific that he said.
 8 BY MR. BECKER:
 9 Q. Did you ask Jim Thomas any
 10 questions when you met with him on Tuesday?
 11 A. No, I don't think I asked him
 12 any questions. I think the meeting was
 13 basically to discuss copyright assignment.
 14 And I don't know if -- it was more of a
 15 discussion, I don't think we had -- I had
 16 questions. I mean, I didn't need to ask
 17 questions. It was a discussion.
 18 Q. A moment ago you referred to
 19 the \$75 fee. Do ASTM members -- excuse me,
 20 let me rephrase.
 21 Do individuals have to pay ASTM
 22 a fee to participate in the standard drafting
 23 process?
 24 MR. FEE: Objection. Asked and
 25 answered.

Page 97

1 THE WITNESS: They have to pay
 2 \$75 to be a member, but they don't
 3 have to pay \$75 to participate. So an
 4 individual can participate without
 5 paying ASTM.
 6 BY MR. BECKER:
 7 Q. What are the differences that
 8 individuals who are members of ASTM enjoy in
 9 their participation in the standard drafting
 10 process versus individuals who are not
 11 members?
 12 MR. FEE: Objection. Vague.
 13 THE WITNESS: They get to --
 14 free volume of standards and they get
 15 to vote. When it's on the ballots,
 16 they get to cast votes. Nonmembers do
 17 not.
 18 BY MR. BECKER:
 19 Q. When you say "on the ballots,"
 20 what ballots are you referring to?
 21 A. On the technical standards.
 22 Q. Are those ballots for voting up
 23 or down on the revision or creation of
 24 particular standards?
 25 A. Correct.

Page 98

1 Q. Have you had any other
 2 communications with Jim Thomas about your
 3 deposition today other than the meeting you
 4 had with him on Tuesday?
 5 A. No.
 6 Q. And have you had any
 7 communications with Marge Cassidy in
 8 preparation for your deposition today other
 9 than the meeting that you had with her?
 10 A. No.
 11 Q. You said you met with John
 12 Pace, the vice president of publications, as
 13 well in preparation for your deposition
 14 today. Correct?
 15 A. Uh-huh.
 16 Q. What did you discuss with
 17 Mr. Pace?
 18 A. Any knowledge that he would
 19 have relative to the assignment of copyright
 20 from our members.
 21 Q. What did Mr. Pace say?
 22 A. He didn't provide any input.
 23 He didn't have any knowledge.
 24 Q. Did you discuss any other
 25 issues with Mr. Pace at that meeting?

Page 99

1 A. No.
 2 Q. When was that meeting?
 3 A. That meeting was yesterday.
 4 Q. So Mr. Pace provided no
 5 information to you on the subject of
 6 copyright by individuals to ASTM?
 7 A. No.
 8 MR. FEE: Objection. Vague.
 9 BY MR. BECKER:
 10 Q. A moment ago you referred to
 11 presentations by Jim Thomas. Can you give
 12 any specific -- can you tell me about any
 13 specific presentations by Jim Thomas that you
 14 think address issues of copyright ownership
 15 by ASTM?
 16 A. I can't recall any
 17 presentations that he did specific on that
 18 subject.
 19 Q. What presentations were you
 20 referring to?
 21 A. At ASTM conferences where we
 22 have breakfast meetings with all of the
 23 individuals attending that meeting, are
 24 invited to a breakfast meeting. And we hold
 25 them in four different committee weeks; in

Page 100

1 January, April, May and June of every year.
 2 I've heard Jim Thomas talk about what I said
 3 at those breakfast meetings.
 4 Q. Do you recall on what dates
 5 Mr. Thomas spoke about those issues at
 6 breakfast meetings?
 7 A. I can't provide specific dates.
 8 Q. Do you have general dates as in
 9 this year, last year or the year prior?
 10 A. I believe it was this year was
 11 mentioned. And it was probably last year as
 12 well.
 13 Q. Do you recall Mr. Thomas
 14 mentioning anything on this subject prior to
 15 last year?
 16 A. I can't say for sure.
 17 Q. Are these breakfast meetings
 18 recorded in any way?
 19 A. No.
 20 Q. Are there any minutes kept of
 21 the breakfast meetings?
 22 A. No, but we have annual -- our
 23 annual meeting -- we may have minutes from
 24 our annual meeting, but I'm not sure. I
 25 think we might have slides actually,

Page 101

1 presentation slides that are available for
 2 our annual meetings.
 3 Q. You said you also meet with
 4 Phil Lively, the vice president of
 5 technology. Is that correct?
 6 A. Yes.
 7 Q. When did you meet with him?
 8 A. I met with Phil yesterday.
 9 Q. What did you speak with Phil
 10 Lively about yesterday?
 11 A. About copyright assignments for
 12 members to ASTM.
 13 Q. And what did Phil Lively tell
 14 you?
 15 A. About his involvement and help
 16 with having the language that we talked about
 17 earlier on the membership application screens
 18 and the membership renewal screens and the
 19 collaboration area screen and the work item
 20 registration screens.
 21 Q. When you say, "the language
 22 that we talked about earlier," are you
 23 referring to language that ASTM believes
 24 assigns copyright from individuals to ASTM?
 25 MR. FEE: Objection. Calls for
 Page 102

1 a legal conclusion.
 2 THE WITNESS: The language that
 3 we talked about that is on the
 4 membership applications, yes. That
 5 the members acknowledge when they're
 6 either registering a work item or
 7 joining as a new member or renewing
 8 their membership or opening up a
 9 collaboration area that assigns all of
 10 their past, present and future
 11 contributions to ASTM standards --
 12 into ASTM standards to ASTM.
 13 BY MR. BECKER:
 14 Q. What was Mr. Lively's
 15 involvement in the language that you are
 16 referring to?
 17 MR. FEE: Objection. Vague.
 18 THE WITNESS: He helped us with,
 19 from a technology standpoint, getting
 20 that language up onto our Web site,
 21 onto the screens.
 22 BY MR. BECKER:
 23 Q. So you're saying that
 24 Mr. Lively was involved in the -- Mr. Lively
 25 did not draft the language, but Mr. Lively
 Page 103

1 helped create the electronic version of the
 2 forms that appear on the ASTM Web site. Is
 3 that what you're saying?
 4 MR. FEE: Objection. Compound.
 5 THE WITNESS: I'm not sure what
 6 exactly you mean by that, but
 7 essentially he was able to accomplish
 8 getting the language up onto the
 9 screens so that the members can
 10 acknowledge the statement during the
 11 process.
 12 BY MR. BECKER:
 13 Q. Did Mr. Lively draft any of the
 14 language on the membership application or
 15 renewal forms or any of the other forms that
 16 you're describing?
 17 MR. FEE: Objection. Compound.
 18 THE WITNESS: I don't believe
 19 so.
 20 BY MR. BECKER:
 21 Q. What did Mr. Lively tell you
 22 about the work that he did related to
 23 copyright assignments?
 24 A. Just that he could remember
 25 helping with putting the information up on
 Page 104

1 the Web screens, and he could remember when
 2 he was a staff manager back in the very
 3 beginning time, I think it was early '80s
 4 when he was a staff manager, and kind of
 5 reiterating what I had previously said about
 6 there being an understanding that our members
 7 understand that their contributions to ASTM,
 8 is well understood that we're going to
 9 copyright that material.
 10 Q. Did Mr. Lively provide any
 11 basis for his statement that there was an
 12 understanding in the early '80s that ASTM
 13 would copyright the material provided by
 14 individuals that was incorporated into the
 15 standard drafts?
 16 A. Can you repeat that question?
 17 Q. Yes. Did Mr. Lively provide
 18 any basis for his statement that there was an
 19 understanding in the early '80s that ASTM
 20 would copyright the material provided by
 21 individuals that was incorporated into the
 22 standard drafts?
 23 A. No. I think it was just his
 24 belief just as it was my belief.
 25 Q. Did you discuss anything else
 Page 105

1 of any organizations typically sign up for
 2 organizational memberships?
 3 MR. FEE: Objection. Vague.
 4 Beyond the scope of his designation.
 5 THE WITNESS: I don't know.
 6 BY MR. BECKER:
 7 Q. Can organizational members be
 8 members of technical committees?
 9 A. Yes. As a matter --
 10 MR. FEE: There's no question
 11 pending.
 12 BY MR. BECKER:
 13 Q. I'm sorry, what were you about
 14 to say?
 15 A. I believe all organizational
 16 members are members of technical committees.
 17 Q. Have any organizational members
 18 executed copyright assignments for ASTM?
 19 A. Not to my knowledge. I'm
 20 sorry, can you repeat that question?
 21 Q. Yes. Have any organizational
 22 members executed copyright assignments for
 23 ASTM?
 24 A. Through the membership
 25 applications that we talked about earlier,

Page 166

1 through the renewal applications that we
 2 talked about earlier, if they're involved in
 3 a collaboration area, they would make an
 4 assignment, and if they registered a work
 5 item, they would make an assignment.
 6 Q. So those are the same -- the
 7 same assignment language that would relate to
 8 individual members you're saying would also
 9 relate to organizational members when
 10 organizational members sign up for
 11 membership?
 12 A. Correct.
 13 Q. How do organizational members
 14 participate in technical committees?
 15 A. The same way as participating
 16 members, individual members.
 17 Q. Can you elaborate on that?
 18 MR. FEE: Objection. Vague.
 19 THE WITNESS: I don't think I
 20 can. There's no difference.
 21 BY MR. BECKER:
 22 Q. Do organizational members
 23 designate an individual to participate on
 24 their behalf?
 25 MR. FEE: Objection. Asked and

Page 167

1 answered.
 2 THE WITNESS: No. Organizations
 3 designate a member, an employee to
 4 participate on technical committees.
 5 BY MR. BECKER:
 6 Q. What's the difference between
 7 what you just said and an organizational
 8 member designating an individual to
 9 participate on technical committees on its
 10 behalf?
 11 MR. FEE: Objection.
 12 Mischaracterizes his testimony to the
 13 extent it purports to summarize it.
 14 You can answer.
 15 THE WITNESS: An organizational
 16 member is an individual, it's not the
 17 organization. So the organization
 18 designates a member, an employee to be
 19 a member to represent it on a
 20 technical committee.
 21 BY MR. BECKER:
 22 Q. When you say the organization
 23 designates an employee to be a member to be a
 24 representative on a technical committee, when
 25 you say representative, do you mean a

Page 168

1 representative of that organization?
 2 A. Maybe.
 3 Q. Does ASTM have any knowledge as
 4 to whether organizational members, when they
 5 designate an individual to participate in a
 6 technical committee, whether those
 7 organizations are designating that individual
 8 on the organization's behalf?
 9 MR. FEE: Objection. Vague.
 10 May call for a legal conclusion.
 11 THE WITNESS: I think it varies.
 12 I think organizational -- again,
 13 organizations that choose to support
 14 ASTM through an organizational
 15 membership designate an individual to
 16 participate on a technical committee.
 17 That individual may be contributing to
 18 the content of ASTM standards as an
 19 individual even as an organizational
 20 member, not necessarily representing
 21 the organization's -- the
 22 organizational views.
 23 BY MR. BECKER:
 24 Q. For organizational memberships,
 25 does the organization itself typically pay

Page 169

1 the \$400 fee?
 2 MR. FEE: Objection. Calls for
 3 speculation.
 4 THE WITNESS: I don't know for
 5 sure. Not necessarily. But probably
 6 in most cases, probably.
 7 BY MR. BECKER:
 8 Q. Do you know of any instance
 9 when a person indicated that he or she
 10 disagreed with his or her organization's
 11 position with respect to an action on a
 12 technical committee?
 13 A. No.
 14 Q. Do you know of any instance
 15 when an individual indicated that he or she
 16 was specifically speaking on his or her own
 17 behalf as apart from the organization that he
 18 or she is part of?
 19 A. No.
 20 Q. Are any U.S. federal agencies
 21 organizational members of ASTM?
 22 A. I don't know.
 23 Q. Who would know if any federal
 24 agencies are organizational members of ASTM?
 25 MR. FEE: Objection. Calls for

Page 170

1 speculation. Also beyond the scope of
 2 his designation.
 3 THE WITNESS: We have an
 4 organizational member directory on the
 5 Web site.
 6 BY MR. BECKER:
 7 Q. And where on the Web site is
 8 that organizational member directory located?
 9 A. I think it's on the membership
 10 page.
 11 - - -
 12 (Exhibit 1292, Check, Bates
 13 ASTM049368, was marked for
 14 identification.)
 15 - - -
 16 BY MR. BECKER:
 17 Q. I'm handing you what's been
 18 marked as 1292. This is the document
 19 produced by plaintiffs as Bates number
 20 ASTM049368.
 21 Do you recognize this document?
 22 A. No.
 23 Q. Do you have any reason to
 24 believe that this document produced by ASTM
 25 is not authentic?

Page 171

1 MR. FEE: Objection. This is
 2 beyond the scope of his designation.
 3 THE WITNESS: No.
 4 MR. BECKER: For the record, I
 5 don't believe that this is beyond his
 6 designation as this concerns an
 7 organizational membership renewal.
 8 MR. FEE: I don't think he was
 9 designated to authenticate checks from
 10 2013, but we'll agree to disagree.
 11 BY MR. BECKER:
 12 Q. Does this document indicate to
 13 you that the Department of Consumer Affairs
 14 from the State of California had paid for an
 15 organizational membership renewal with ASTM?
 16 MR. FEE: Objection. Calls for
 17 speculation. Beyond the scope of his
 18 designation.
 19 THE WITNESS: I guess you could
 20 assume that. I don't know for sure.
 21 BY MR. BECKER:
 22 Q. Do you have any reason for
 23 thinking this -- that's not what this
 24 document shows?
 25 MR. FEE: Same objections.

Page 172

1 THE WITNESS: No, no reason not
 2 to believe.
 3 - - -
 4 (Exhibit 1293, 2011 Membership
 5 renewal invoices, Bates ASTM086030 -
 6 ASTM086031, was marked for
 7 identification.)
 8 - - -
 9 BY MR. BECKER:
 10 Q. I'm handing you what's been
 11 marked as Exhibit 1293. This is the document
 12 produced by plaintiffs as ASTM086030 to
 13 086031. Can you tell me what this document
 14 is?
 15 A. It is a 2011 membership renewal
 16 invoice.
 17 Q. It is a different 2011
 18 membership renewal invoice on each side.
 19 Correct?
 20 A. Yeah. For different persons,
 21 yeah.
 22 Q. And these persons are employees
 23 of NIST. Is that correct?
 24 MR. FEE: Objection. Calls for
 25 speculation. Beyond the scope of his

Page 173

1 designation.
 2 THE WITNESS: It says here
 3 they're from NIST.
 4 BY MR. BECKER:
 5 Q. NIST is a federal agency.
 6 Correct?
 7 MR. FEE: Same objections.
 8 THE WITNESS: I believe. Sorry.
 9 I believe so.
 10 BY MR. BECKER:
 11 Q. And they both give their NIST
 12 e-mail addresses. Is that correct?
 13 MR. FEE: Objection. Calls for
 14 speculation. Beyond the scope of his
 15 designation. You can answer.
 16 THE WITNESS: The e-mail
 17 addresses are on this piece of paper.
 18 BY MR. BECKER:
 19 Q. And the e-mail addresses say
 20 @nist.gov. Correct?
 21 A. Yes.
 22 Q. And the addresses that they
 23 provide are for NIST. Correct?
 24 MR. FEE: Objection. Calls for
 25 speculation. Beyond the scope of his

Page 174

1 designation.
 2 THE WITNESS: Yes, the NIST
 3 address is on these pieces of paper.
 4 BY MR. BECKER:
 5 Q. And did -- the credit card
 6 information and payer is the same for both
 7 renewal invoices. Correct?
 8 MR. FEE: Objection. Beyond the
 9 scope of his designation.
 10 THE WITNESS: It appears that
 11 the names are the same.
 12 BY MR. BECKER:
 13 Q. And that name appears to be
 14 Aruella Kuehl, K-U-E-H-L. Aruella is spelled
 15 A-R-U-E-L-L-A -- excuse me, that's Arvella,
 16 A-R-V-E-L-L-A.
 17 MR. FEE: Objection. Beyond the
 18 scope of his designation.
 19 BY MR. BECKER:
 20 Q. Is that correct?
 21 MR. FEE: Same objection.
 22 THE WITNESS: If that's -- yeah,
 23 that's the way you want to spell it.
 24 BY MR. BECKER:
 25 Q. Could you, please, indicate

Page 175

1 where on these renewal invoices, if anywhere,
 2 language exists that would assign any
 3 copyright that Charles E. Gibson or Benjamin
 4 K. Tsai, the individuals listed on these
 5 membership renewal invoices, might have
 6 granted to ASTM?
 7 MR. FEE: Objection. Calls for
 8 a legal conclusion. Compound. You
 9 can answer if you know.
 10 THE WITNESS: No, there's
 11 language in the middle of both pages
 12 beginning with "You agree...."
 13 BY MR. BECKER:
 14 Q. Is that where it says, "You
 15 agree, by your participation in ASTM and
 16 enjoyment of the benefits of your annual
 17 membership, to have transferred and assigned
 18 any and all interest you possess or may
 19 possess, including copyright, in the
 20 development or creation of ASTM standards or
 21 ASTM IP to ASTM. For additional information,
 22 please see the ASTM IP Policy, available at
 23 www.astm.org"?
 24 A. Yes.
 25 Q. For these membership renewal

Page 176

1 invoices, are individuals required to check
 2 any box showing that they have read and
 3 understand the provision that I just read out
 4 loud?
 5 MR. FEE: Objection. Vague.
 6 Compound.
 7 THE WITNESS: I don't see here
 8 where there's a box to check off.
 9 BY MR. BECKER:
 10 Q. For the membership renewal
 11 invoices, are the members required to sign
 12 anywhere on the renewal invoice?
 13 MR. FEE: Same objections.
 14 THE WITNESS: I don't see
 15 anywhere else other than the signature
 16 for where the credit card information
 17 is.
 18 BY MR. BECKER:
 19 Q. And if an individual pays by
 20 some other means that doesn't require a
 21 credit card, would it not be necessary to
 22 sign this membership renewal invoice at all
 23 in order to get a membership renewal?
 24 MR. FEE: Objection. Calls for
 25 speculation. Form.

Page 177

1 THE WITNESS: I don't know. I
 2 guess you could sign a check. The
 3 only other way you could pay is
 4 through a check, so you could sign a
 5 check.
 6 BY MR. BECKER:
 7 Q. It also lists electronic
 8 payments. Correct?
 9 A. Yes.
 10 Q. So if somebody were to provide
 11 an electronic payment, then they would not
 12 need to sign anywhere on this form. Is that
 13 correct?
 14 MR. FEE: Objection. Calls for
 15 speculation.
 16 THE WITNESS: I suppose.
 17 BY MR. BECKER:
 18 Q. Is there any means through the
 19 membership renewal invoice that ASTM ensures
 20 that it has the understanding and assent of
 21 the individual renewing his or her membership
 22 that any copyright he or she has in the
 23 development or creation of ASTM standards is
 24 to be assigned to ASTM?
 25 MR. FEE: Objection. Vague and

Page 178

1 confusing. Calls for speculation.
 2 Calls for a legal conclusion.
 3 THE WITNESS: Through the
 4 original membership application,
 5 through the work item registration
 6 process, and through the collaboration
 7 registration process.
 8 BY MR. BECKER:
 9 Q. My question was with regards to
 10 the 2011 membership renewal invoice. I'll
 11 read it again.
 12 Is there any means through the
 13 membership renewal invoice that ASTM ensures
 14 that it has the understanding and assent of
 15 the individual renewing his or her membership
 16 that any copyright he or she has in the
 17 development or creation of ASTM standards is
 18 to be assigned to ASTM?
 19 MR. FEE: Objection to form.
 20 Vague and confusing. Compound. Calls
 21 for speculation and calls for a legal
 22 conclusion.
 23 THE WITNESS: Within the 2011
 24 membership renewal invoice, the only
 25 thing that is there is this language

Page 179

1 that we read.
 2 BY MR. BECKER:
 3 Q. And my question is, is there
 4 any means through the membership renewal
 5 invoice that ASTM ensures that it has the
 6 understanding and assent of the individual
 7 who is renewing his or her membership that
 8 any copyright he or she has in the
 9 development or creation of ASTM standards is
 10 to be assigned to ASTM?
 11 MR. FEE: Same objections. Plus
 12 asked and answered.
 13 THE WITNESS: Plus what?
 14 MR. FEE: Asked and answered.
 15 THE WITNESS: Same answer.
 16 BY MR. BECKER:
 17 Q. It's a yes or no answer.
 18 MR. FEE: No. Answer it however
 19 you want to answer it.
 20 THE WITNESS: Within the 2011
 21 membership renewal invoice, there is
 22 this clause that we feel is -- informs
 23 the members that they're assigning
 24 their copyright to us within their
 25 participation at ASTM.

Page 180

1 BY MR. BECKER:
 2 Q. How does ASTM know that a
 3 member has read that clause?
 4 A. We don't.
 5 Q. How does ASTM know that a
 6 member agrees with that clause?
 7 MR. FEE: Objection to the
 8 extent it calls for a legal
 9 conclusion. Also calls for
 10 speculation. You can answer.
 11 THE WITNESS: We don't know for
 12 sure.
 13 - - -
 14 (Exhibit 1294, Organizational
 15 Membership Directory, was marked for
 16 identification.)
 17 - - -
 18 BY MR. BECKER:
 19 Q. I'm handing you what's been
 20 marked as Exhibit 1294. It's a document
 21 titled: "Organizational Membership
 22 Directory." This is two separate printouts
 23 combined. It is the A to K listing and the L
 24 to Z listing. It's something -- it's over
 25 100 pages long.

Page 181

1 THE WITNESS: They make
 2 contributions at the meetings.
 3 BY MR. BECKER:
 4 Q. And do those contributions end
 5 up in the final approved standards?
 6 MR. FEE: Objection. Vague.
 7 THE WITNESS: I don't -- I can't
 8 say specifically.
 9 BY MR. BECKER:
 10 Q. What kind of contributions do
 11 they provide at these meetings?
 12 MR. FEE: Objection. Vague.
 13 THE WITNESS: Oral contributions.
 14 BY MR. BECKER:
 15 Q. Do they provide any written
 16 contributions?
 17 MR. FEE: Objection. Vague.
 18 THE WITNESS: They may through
 19 the balloting process.
 20 BY MR. BECKER:
 21 Q. Do they vote on standard drafts
 22 or revisions?
 23 MR. FEE: Objection. Form.
 24 THE WITNESS: They may. They
 25 have the opportunity to.

Page 186

1 - - -
 2 (Exhibit 1295, E-mail chain with
 3 attachment, Bates ASTM025633 -
 4 ASTM025640, was marked for
 5 identification.)
 6 - - -
 7 BY MR. BECKER:
 8 Q. I'm handing you what's been
 9 marked as Exhibit 1295.
 10 Could you, please, take a
 11 moment to try to put the pages for the
 12 previous exhibit back in the same order that
 13 they were provided to you, if possible?
 14 MR. BRIDGES: I'll do that.
 15 Hand them to me, I'll do that.
 16 THE WITNESS: I think that's the
 17 order.
 18 BY MR. BECKER:
 19 Q. Do you recognize this document
 20 that has been provided to you as
 21 Exhibit 1295? It is Bates number ASTM025633
 22 to 025640.
 23 A. No.
 24 Q. Are you copied on this e-mail
 25 that's Exhibit 1295?

Page 187

1 A. Yes.
 2 Q. Did you ever receive this
 3 e-mail that's Exhibit 1295?
 4 A. I may have.
 5 Q. Do you have any reason to think
 6 that if you had -- that you did not receive
 7 this e-mail produced by ASTM that has your
 8 name listed under the cc line?
 9 A. No.
 10 Q. Do you have any reason to
 11 believe that this document provided by ASTM
 12 is not authentic?
 13 MR. FEE: Objection. Calls for
 14 a legal conclusion.
 15 THE WITNESS: I have no idea.
 16 BY MR. BECKER:
 17 Q. Is that a yes or a no?
 18 A. I don't know. I don't see any
 19 reason why it wouldn't be.
 20 Q. If you turn to the second page,
 21 it says -- this is an e-mail from Sarah
 22 Petre, P-E-T-R-E, to Jeff Grove that says --
 23 in which you are cc'd at dsmith@astm.org. Is
 24 that correct?
 25 A. Yes.

Page 188

1 Q. And it says, "Jeff: Attached
 2 is a summary of all the potentially relevant
 3 standards related to the UE's efforts that
 4 focus on the environmental footprint of
 5 products and services. This list is more
 6 over inclusive. I also included a list of
 7 the EPA members that participate in E50 or
 8 E60." Is that correct?
 9 A. That's what it says.
 10 Q. Then if you turn to Bates
 11 number ASTM025637, the second paragraph from
 12 the top says, "The following representatives
 13 from EPA participate on the relevant ASTM
 14 committees...," and then lists a number of
 15 individuals. Is that correct?
 16 A. Yes.
 17 Q. Do you know any of these
 18 individuals that are listed?
 19 A. Yes.
 20 Q. Which individuals do you know?
 21 A. I know Deb Goldblum. I know
 22 Sven-Erik Kaiser. And I know Patricia
 23 Overmeyer.
 24 Q. Who is Deborah Goldblum?
 25 A. She works in the EPA. It's --

Page 189

1 marked for identification.)
 2 - - -
 3 BY MR. BECKER:
 4 Q. I'm handing you what's been
 5 marked as Exhibit 1300. Could you, please,
 6 identify this document?
 7 A. It says at the top "Laboratory
 8 Inspection Program," but it would appear to
 9 be a membership application.
 10 Q. I'll note that this document is
 11 produced by ASTM as ASTM067024. Is there any
 12 mention of copyright assignment or ASTM's IP
 13 Policy on this document?
 14 MR. FEE: Objection to form.
 15 THE WITNESS: I don't see that
 16 language on here, no.
 17 - - -
 18 (Exhibit 1301, Membership
 19 applications, Bates ASTM066871,
 20 ASTM069213, ASTM069058, ASTM080176,
 21 ASTM061450, ASTM063146, ASTM063147,
 22 ASTM065682 & ASTM066345, was marked
 23 for identification.)
 24 - - -
 25 BY MR. BECKER:

Page 210

1 Q. I'm handing you what's been
 2 marked as Exhibit 1301. This is a
 3 compilation of documents that were provided
 4 by ASTM as single pages. It is one example
 5 from each year from which ASTM has provided a
 6 membership application starting with the 2007
 7 membership application and ending with the
 8 2014 membership application. And the Bates
 9 numbers are ASTM066871, ASTM069213,
 10 ASTM069058, ASTM080176, ASTM061450,
 11 ASTM063146, ASTM063147, ASTM065682 and
 12 ASTM066345.
 13 Are these the ASTM membership
 14 application forms for the years 2007 through
 15 2014?
 16 MR. FEE: Objection to the
 17 extent the witness has cherry picked
 18 pages of membership applications that
 19 were produced to you; to form as well,
 20 and compound.
 21 THE WITNESS: These are versions
 22 of the application from these years.
 23 BY MR. BECKER:
 24 Q. Were there multiple versions of
 25 the ASTM membership applications for these

Page 211

1 respective years, 2007 through 2014?
 2 MR. FEE: Objection to form.
 3 THE WITNESS: There probably
 4 was, yes.
 5 BY MR. BECKER:
 6 Q. How do you know that?
 7 A. Well, because I know our
 8 applications, we have applications that have
 9 the language that we spoke about earlier that
 10 was on, was it 1293, Exhibit 1293? We have
 11 copies of membership applications that have
 12 that language on there.
 13 Q. Exhibit 1293 is a membership
 14 renewal invoice. Correct?
 15 A. Yes.
 16 Q. And a membership renewal
 17 invoice is different from a membership
 18 application. Correct?
 19 A. Yes.
 20 Q. So when you say that there are
 21 different versions, do you mean that there is
 22 different versions of the membership
 23 applications for each year or that there is a
 24 membership application and there also is a
 25 membership renewal invoice --

Page 212

1 MR. FEE: Objection. Form.
 2 BY MR. BECKER:
 3 Q. -- for each year?
 4 A. We have membership applications
 5 for these years that have that language from
 6 Exhibit 1293 on them.
 7 Q. How do you know that there are
 8 membership applications for all of the years
 9 2007 through 2014 that have the same language
 10 that is from the 2011 membership renewal
 11 invoice Exhibit 1293?
 12 MR. FEE: Objection to form.
 13 THE WITNESS: Because I believe
 14 we put the language on the renewal
 15 forms and the application forms at the
 16 same time.
 17 BY MR. BECKER:
 18 Q. Why would there be membership
 19 applications that do not have the language
 20 that you're referring to? And to -- let
 21 me -- hold on. Let me clarify.
 22 By the language that you're
 23 referring to on Exhibit 1293, you're
 24 referring to the purported copyright
 25 assignment language that starts with "You

Page 213

1 agree. By your participation in ASTM...."
 2 Correct?
 3 A. Yes.
 4 MR. FEE: Hold on. Objection to
 5 form.
 6 THE WITNESS: Sorry.
 7 MR. FEE: It's compound. Calls
 8 for a legal conclusion.
 9 THE WITNESS: The language that
 10 I'm talking about is on Exhibit 1293
 11 that begins with "You agree, by your
 12 participation...."
 13 BY MR. BECKER:
 14 Q. Why do you believe that ASTM
 15 put the language that you're referring to on
 16 the renewal forms and the application forms
 17 at the same time?
 18 A. That's what I recall.
 19 Q. Recall from what?
 20 MR. FEE: Objection. Vague.
 21 THE WITNESS: Just what I
 22 remember.
 23 BY MR. BECKER:
 24 Q. Do you know when ASTM first
 25 used the language that you're referring to

Page 214

1 from Exhibit 1293?
 2 A. Not exactly sure.
 3 Q. Do you have any idea as to what
 4 year ASTM first started using that language
 5 that appears on Exhibit 1293?
 6 A. I thought it was in about 2005.
 7 Q. Do you have any way to confirm
 8 when ASTM began using that language that was
 9 featured on Exhibit 1293?
 10 MR. FEE: Objection. Vague.
 11 THE WITNESS: Not right here,
 12 now.
 13 BY MR. BECKER:
 14 Q. How would you go about
 15 confirming that?
 16 A. I would ask our general counsel.
 17 Q. Is there any other way that you
 18 would confirm that?
 19 A. Not right now.
 20 Q. Is there anyone who would know
 21 other than ASTM's general counsel when the
 22 copyright assignment language that you're
 23 referring to from 1293 was first used by ASTM
 24 on membership forms?
 25 A. I'm not sure.

Page 215

1 Q. How many different forms of
 2 membership application existed in 2007?
 3 A. I don't know.
 4 Q. Do you know how many different
 5 forms of membership application ASTM had for
 6 the year 2008?
 7 A. No.
 8 Q. Do you know how many forms of
 9 membership application ASTM had for the year
 10 2009?
 11 A. No.
 12 Q. Do you know how many forms of
 13 membership application ASTM had for 2010?
 14 A. No.
 15 Q. How about for 2011?
 16 A. No.
 17 Q. Or 2012?
 18 A. No.
 19 Q. Or 2013?
 20 A. No.
 21 Q. Or 2014?
 22 A. No.
 23 Q. Do you know why ASTM has
 24 different membership application forms?
 25 MR. FEE: Objection. To the

Page 216

1 extent that your answering that
 2 question would disclose
 3 attorney-client communications, you
 4 shouldn't disclose that. You can
 5 answer otherwise.
 6 THE WITNESS: No. My experience
 7 has been that if we go to a very
 8 focused individual conference, there
 9 may be a -- it could be the staff
 10 manager prepares an application for
 11 that particular committee and did not
 12 use the most current application.
 13 BY MR. BECKER:
 14 Q. Is there a difference between
 15 ASTM membership application forms and ASTM
 16 committee membership application forms?
 17 MR. FEE: Objection. Vague.
 18 THE WITNESS: We have a type of
 19 membership that's called a
 20 participating membership where you
 21 join technical committees. And then
 22 we also have informational members
 23 that just joined ASTM but they do not
 24 join a particular technical committee.
 25 But I'm not aware of a difference

Page 217

1 BY MR. BECKER:
 2 Q. On the next page, ASTM063147,
 3 it has different language concerning the ASTM
 4 Intellectual Property Policy than the 2012
 5 membership application that we were just
 6 discussing. Is that correct?
 7 MR. FEE: Hold on one second.
 8 You can answer.
 9 THE WITNESS: Yes, that language
 10 is different.
 11 BY MR. BECKER:
 12 Q. The language that's on
 13 ASTM063147 is similar to the language that's
 14 on Exhibit 1293, the 2011 membership renewal
 15 invoice. Is that correct?
 16 MR. FEE: Objection. Vague.
 17 THE WITNESS: Yep, that looks
 18 correct. Slightly different.
 19 BY MR. BECKER:
 20 Q. Why is this language different
 21 for the 2012 committee membership application
 22 than for the 2012 membership application?
 23 MR. FEE: Objection. To the
 24 extent that would require you to
 25 disclose attorney-client

Page 222

1 communications, you shouldn't do so.
 2 If you can answer otherwise, go ahead.
 3 THE WITNESS: My perspective is
 4 that they're the same thing. They're
 5 both intended for an individual to
 6 join a particular committee.
 7 BY MR. BECKER:
 8 Q. Why is the copyright -- you say
 9 they're the same thing, the copyright
 10 assignment language?
 11 MR. FEE: Same objection and
 12 instruction.
 13 THE WITNESS: No, I believe the
 14 form is the same thing. It serves the
 15 same purpose. It's an application so
 16 an individual can join the technical
 17 committee.
 18 BY MR. BECKER:
 19 Q. And my question was about the
 20 actual language that ASTM believes concerns
 21 copyright assignment. Why is there a
 22 difference in the language concerning ASTM's
 23 IP Policy on ASTM063146 as opposed to the
 24 language concerning ASTM's IP Policy on
 25 ASTM063147?

Page 223

1 MR. FEE: Objection to form. I
 2 also object to the extent it calls for
 3 attorney-client communications. You
 4 shouldn't disclose any communications
 5 between you and counsel, but you can
 6 answer otherwise.
 7 THE WITNESS: I believe the
 8 language that is at the top of
 9 ASTM063146 was language that we used
 10 prior to the language that we used
 11 that's contained on ASTM063147.
 12 BY MR. BECKER:
 13 Q. But if you then turn the page
 14 to ASTM065682, that's a 2013 membership
 15 application, and it has the same language
 16 concerning the ASTM Intellectual Property
 17 Policy as on ASTM063146. Correct?
 18 A. That's what it looks like.
 19 Q. If you turn the page to the
 20 following page, the 2014 membership
 21 application also has that same language.
 22 Correct?
 23 A. Yes.
 24 Q. So ASTM has continued to use
 25 this language into 2014?

Page 224

1 MR. FEE: Objection. Vague.
 2 THE WITNESS: That's what it
 3 would appear to me.
 4 BY MR. BECKER:
 5 Q. Who knows how many different
 6 versions exist for the membership
 7 applications during each year from 2007 to
 8 2014?
 9 A. I don't know if anybody knows.
 10 Q. Why is that?
 11 MR. FEE: Objection. Calls for
 12 speculation.
 13 THE WITNESS: My experience as
 14 being a staff manager is I don't think
 15 people think about the version of an
 16 application that's being used. I
 17 think it's viewed as a tool that
 18 enables an individual to join a
 19 technical committee.
 20 BY MR. BECKER:
 21 Q. Who creates the membership
 22 applications such as the 2014 membership
 23 application ASTM066345?
 24 A. I'm not sure who creates it.
 25 Maybe our customer relations. Maybe it's our

Page 225

<p>1 I just want to say that Mr. Smith has 2 been available to be deposed since 3 10:00 a.m. this morning. It's now 4 7:00. We have about 55 minutes left. 5 We're not staying past 8:00. So if 6 you're going to take any other breaks, 7 it better be short. That was a 8 20-minute break and I think a complete 9 waste of time. Go ahead. 10 BY MR. BECKER: 11 Q. Mr. Smith, I've handed you 12 what's marked as Exhibit 1311. This is a 13 document produced by ASTM as 003501 to 3522. 14 Could you, please, identify it? 15 A. It says, "RECORD RETENTION 16 POLICY." 17 Q. Is this ASTM's record retention 18 policy? 19 A. Yes, I believe it is. 20 Q. Have you -- did you review 21 ASTM's record retention policy in preparation 22 for the deposition today? 23 A. I reviewed it very briefly. 24 Q. Do you know what category under 25 the record retention policy that membership</p> <p style="text-align: right;">Page 258</p>	<p>1 of Records," section III. 2 - - - 3 (Exhibit 1312, 11/21/08 E-mail 4 with attachment, Bates ASTM088320 - 5 ASTM088325, was marked for 6 identification.) 7 - - - 8 BY MR. BECKER: 9 Q. I'm handing you what's been 10 marked as Exhibit 1312. This is the document 11 produced by ASTM as ASTM088320 to ASTM088325. 12 It is an e-mail with an attachment that says, 13 "ASTM International Author/Copyright Owner 14 Agreement." Is this attachment a correct 15 copy of the ASTM International 16 Author/Copyright Ownership Agreement? 17 MR. FEE: Objection. Vague as 18 to time. Beyond the scope of the 19 designation as well. 20 THE WITNESS: I'm not sure. 21 BY MR. BECKER: 22 Q. Who would know whether this 23 attachment is a correct copy of the ASTM 24 International Author/Copyright Ownership 25 Agreement?</p> <p style="text-align: right;">Page 260</p>
<p>1 application forms would qualify as? 2 MR. FEE: Objection. It's 3 beyond the scope of his designation. 4 THE WITNESS: Are you referring 5 to any particular pages? 6 BY MR. BECKER: 7 Q. Yes. If you look at ASTM 3502 8 and 3503, it says, "Types of Records." That 9 includes "Temporary Records," "Final Records" 10 and "Permanent Records." And then it also 11 has B is -- section B, "Types of Records That 12 have Legal or Regulatory Periods of 13 Retention," "Accounting and Corporate Tax 14 Records," "Corporate Records," "Employment 15 and Employee Records," "Bank Records," and 16 "Legal Records." 17 A. I don't know what category 18 membership application would fall under, 19 would just -- I'm not sure. 20 Q. Do you know what category the 21 ASTM IP Policy would fall under? 22 MR. FEE: Objection. Beyond the 23 scope. 24 THE WITNESS: No, I don't know. 25 I'm not very familiar with the "Types</p> <p style="text-align: right;">Page 259</p>	<p>1 MR. FEE: Objection. Beyond the 2 scope. 3 THE WITNESS: I would have to 4 read it first to possibly give you an 5 answer. 6 Our publications department 7 might be able to tell you whether or 8 not this is the correct 9 Author/Copyright Owner Agreement since 10 it's a journal paper, relevant to a 11 journal paper. 12 - - - 13 (Exhibit 1313, Web site 14 screenshots, Bates ASTM001792 - 15 ASTM001800, was marked for 16 identification.) 17 - - - 18 BY MR. BECKER: 19 Q. I'm handing you what's been 20 marked as Exhibit 1313. This document was 21 produced by ASTM with Bates number ASTM001792 22 to 1800. What is this document? 23 A. This looks like it is 24 screenshots from our Web site for how an 25 individual would renew their membership.</p> <p style="text-align: right;">Page 261</p>

1 that I've provided here as Exhibit 1315?
 2 MR. FEE: Same objections, plus
 3 lack of formation -- or foundation.
 4 Sorry.
 5 THE WITNESS: I'm not aware of
 6 whether there was or there was not.
 7 - - -
 8 (Exhibit 1316, Regulations
 9 Governing ASTM Technical Committees,
 10 was marked for identification.)
 11 - - -
 12 BY MR. BECKER:
 13 Q. I'm handing you what's been
 14 marked as Exhibit 1316. Could you, please,
 15 tell me what this document is?
 16 A. The front page says the
 17 "REGULATIONS GOVERNING ASTM TECHNICAL
 18 COMMITTEES."
 19 Q. What are the Regulations
 20 Governing ASTM Technical Committees?
 21 A. It's essentially this entire
 22 document if it's all included here.
 23 Q. Does it appear to be all
 24 included there?
 25 A. I'd have to go through it, but

Page 266

1 it could. Looks like it.
 2 Q. What is the purpose of the
 3 Regulations Governing ASTM Technical
 4 Committees?
 5 MR. FEE: Objection. Beyond the
 6 scope. Vague.
 7 THE WITNESS: Technical
 8 committees follow the regulations and
 9 develop member standards.
 10 BY MR. BECKER:
 11 Q. Do you use the Regulations
 12 Governing ASTM Technical Committees in the
 13 course of your work with ASTM?
 14 A. Yes.
 15 Q. How do you use them?
 16 A. As staff people, we advise our
 17 technical committees on the regulations so
 18 that they -- the regulations can be followed
 19 in the development of their standards.
 20 Q. Do staff members do other
 21 things to assist the members of the technical
 22 committees?
 23 MR. FEE: Objection. Vague.
 24 THE WITNESS: Yes.
 25 BY MR. BECKER:

Page 267

1 Q. What do staff members do to
 2 assist the members of technical committees?
 3 MR. FEE: Objection. Vague.
 4 THE WITNESS: General
 5 assistance. Provide them with advice
 6 on regulations, on our form and style
 7 manual. We have interlaboratory study
 8 program that assists our members. A
 9 variety of things. I don't know if
 10 there's anything specific that you
 11 want me to focus on.
 12 BY MR. BECKER:
 13 Q. Does -- how does ASTM staff
 14 members assist individual -- assist technical
 15 committee members in the drafting or revision
 16 of standards?
 17 MR. FEE: Objection. Vague.
 18 THE WITNESS: We have -- we
 19 provide them with editorial
 20 assistance, so we'll provide editorial
 21 help within the documents. Our
 22 interlaboratory study program is
 23 responsible for organizing round-robin
 24 studies for collecting the data and
 25 doing the number crunching in order to

Page 268

1 produce precision statements. Our ILS
 2 team will produce the research reports
 3 which are referenced in the standard.
 4 We will help -- we have a graphics
 5 department that will create graphics
 6 for the standards, for committee
 7 members. We have an up-front editor
 8 that provides a great deal of
 9 assistance if we have a draft that
 10 needs to be put into proper ASTM form
 11 and style. We provide them with
 12 assistance on language for caveats
 13 that are placed in the ASTM standards.
 14 BY MR. BECKER:
 15 Q. Anything else?
 16 A. We provide an awful lot of
 17 assistance, but nothing else that comes to
 18 mind at this particular time.
 19 Q. When you say editorial
 20 assistance, what do you mean by that?
 21 A. Grammatical things. We'll
 22 inform members if they have mandatory
 23 language in a non-mandatory section, that
 24 that's outside the form and style policy. Or
 25 vice versa, if they have non-mandatory

Page 269

1 language in a mandatory section, we'll
 2 provide assistance in tweaking that language
 3 so that it's within the form and style
 4 guidelines.
 5 Q. Anything else in terms of
 6 editorial assistance other than grammatical
 7 assistance?
 8 A. We could take a document and
 9 place it and organize it so that it has the
 10 relevant sections as defined in the form and
 11 style manual.
 12 Q. Do you mean to reorganize a
 13 draft standard, is that what you're saying?
 14 A. Yes.
 15 Q. What are -- excuse me.
 16 Anything else in terms of
 17 editorial assistance?
 18 A. Our editors will also take a
 19 document that's been approved through our
 20 balloting process, if it's a new standard,
 21 they'll put it into publication format and
 22 work with the technical contacts to make sure
 23 that everything looks good prior to
 24 publication.
 25 Q. When you say they put it into

Page 270

1 publication format, does that involve any
 2 changes to the content of the draft standard?
 3 MR. FEE: Objection. Vague.
 4 THE WITNESS: It involves taking
 5 what was balloted in the Word format
 6 and placing it into our XML format
 7 that we use for producing PDFs.
 8 BY MR. BECKER:
 9 Q. Is that a no?
 10 MR. FEE: Objection. You can
 11 answer the question however you like.
 12 You don't have to answer it yes or no.
 13 THE WITNESS: Did you ask me is
 14 that a no?
 15 BY MR. BECKER:
 16 Q. Yeah.
 17 A. What was -- can you repeat the
 18 original question?
 19 Q. The question was, when you say
 20 you put it into publication format, does that
 21 involve any changes to the content of the
 22 draft standards?
 23 MR. FEE: Objection. Vague.
 24 THE WITNESS: It could,
 25 editorial changes, yes.

Page 271

1 BY MR. BECKER:
 2 Q. Is that the same grammatical
 3 changes that you were referring to before?
 4 MR. FEE: Objection.
 5 Mischaracterizes his testimony.
 6 Vague.
 7 BY MR. BECKER:
 8 Q. I'm sorry, what did you say?
 9 A. The editors could work with the
 10 technical contacts to incorporate editorial
 11 changes, grammatical or reorganization of
 12 content.
 13 Q. Who are the technical contacts?
 14 A. Who are they?
 15 Q. Yeah.
 16 A. They are individuals that take
 17 the lead in developing a new standard or in
 18 developing a revision to an existing
 19 standard.
 20 Q. Are those volunteers or are
 21 those employees of ASTM?
 22 MR. FEE: Objection. Vague.
 23 Calls for a legal conclusion.
 24 THE WITNESS: They're
 25 volunteers.

Page 272

1 BY MR. BECKER:
 2 Q. What did you mean when you said
 3 precision statements?
 4 A. Precision statements are
 5 included in test methods.
 6 Q. What are precision statements?
 7 A. Precision statements include
 8 statements on repeatability and reproducibility.
 9 Q. What do you mean by that?
 10 A. For a test method, a statement
 11 of repeatability would be a laboratory taking
 12 the ASTM test method and running the test in
 13 the laboratory several times. And they take
 14 the results of that test and they see how
 15 close each iteration is. And if the results
 16 are very close, then that would indicate good
 17 precision. If it's -- if the results are not
 18 close, then that would indicate poor
 19 precision. So that's what repeatability is.
 20 Then reproducibility is at least six labs
 21 doing the same thing as what I just described
 22 as that one lab. And then the
 23 reproducibility is a statement that analyzes
 24 the results from all six or more labs.
 25 Q. Do the same precision

Page 273

1 statements appear in different standards?
 2 A. In test methods.
 3 Q. For test methods they do?
 4 A. Yes.
 5 Q. What is the work that the
 6 graphics department does?
 7 MR. FEE: Objection. Vague.
 8 THE WITNESS: Graphics, I don't
 9 know exactly everything that they do,
 10 but they will take figures that are
 11 perhaps old from years ago and we will
 12 use them in our technology, update
 13 them to make them more user friendly.
 14 BY MR. BECKER:
 15 Q. Are these figures that were
 16 created by committee members or how are these
 17 figures created that the graphics department
 18 would update?
 19 MR. FEE: Objection to form.
 20 THE WITNESS: I would assume by
 21 the committee members.
 22 BY MR. BECKER:
 23 Q. Do members -- do committee
 24 members vote on the changes that -- or
 25 additions that you just described?

Page 274

1 MR. FEE: Objection.
 2 Mischaracterizes his testimony. Vague
 3 and ambiguous.
 4 THE WITNESS: Yes.
 5 BY MR. BECKER:
 6 Q. Do committee members vote on
 7 the final versions of ASTM standards?
 8 A. I'm not sure what you mean by
 9 "final versions."
 10 Q. Do committee members vote on
 11 ASTM standards, on the final appearance of
 12 ASTM standards?
 13 MR. FEE: Objection. Vague.
 14 THE WITNESS: The final
 15 appearance, the published format?
 16 BY MR. BECKER:
 17 Q. Yes.
 18 A. No.
 19 Q. Do ASTM committee members vote
 20 on the content that appears in the final form
 21 of ASTM standards?
 22 MR. FEE: Objection. Vague.
 23 THE WITNESS: The content that
 24 is balloted and approved through our
 25 consensus process is not changed

Page 275

1 significantly when it's transformed
 2 into the published version.
 3 BY MR. BECKER:
 4 Q. When you say it's not changed
 5 significantly, what do you mean?
 6 A. There could be editorial
 7 changes. So that's a service that our
 8 editors perform. When they're putting it
 9 into the published version, they will work
 10 with the technical contact to incorporate any
 11 editorial changes that may have been agreed
 12 upon by the committee.
 13 Q. You mentioned caveats in ASTM
 14 standards. What are those?
 15 A. There are caveats that are in
 16 our form and style manual.
 17 Q. Are those -- what exactly are
 18 the caveats in the form and style manual?
 19 MR. FEE: Objection. Vague.
 20 THE WITNESS: I wouldn't be able
 21 to name all of them for you, but there
 22 are caveats related to the use of
 23 units, so the standard will -- the --
 24 there will be a caveat that will
 25 identify the use of units within a

Page 276

1 particular standard. We have certain
 2 safety caveats and hazardous caveats.
 3 I think we have a caveat that deals
 4 with mercury being used in the
 5 standard. I'm sure there are some
 6 others.
 7 - - -
 8 (Exhibit 1317, Participating
 9 Membership Applications, Bates
 10 ASTM064686 - ASTM064692, was marked
 11 for identification.)
 12 - - -
 13 BY MR. BECKER:
 14 Q. I'm handing you what's been
 15 marked as Exhibit 1317. This document has
 16 been produced by ASTM as ASTM064686 to 64692.
 17 What is this document?
 18 A. This looks like a copy of an
 19 old application that was downloaded and saved
 20 from our Web site and that was filled out by
 21 hand. Best guess.
 22 - - -
 23 (Exhibit 1318, E-mail chain with
 24 attachment, Bates ASTM087493 -
 25 ASTM087497, was marked for

Page 277

1 identification.)
 2 - - -
 3 BY MR. BECKER:
 4 Q. I'm handing you what's been
 5 marked as Exhibit 1318. Does this exhibit
 6 appear to show an individual who was
 7 attempting to renew his application,
 8 membership application with ASTM by phone --
 9 A. I'd have to read it.
 10 Q. -- and e-mail?
 11 A. [Reviewing document.] Looks
 12 like, based on what I'm reading here, they
 13 were trying to renew the membership by phone,
 14 but it doesn't say that it actually happened.
 15 Q. Can ASTM members renew their
 16 membership by phone or e-mail?
 17 A. They could. It's not -- I
 18 don't think it's very common, but they could.
 19 - - -
 20 (Exhibit 1319, 2011 ASTM
 21 International Committee Membership
 22 Application, Bates ASTM061183, was
 23 marked for identification.)
 24 - - -
 25 BY MR. BECKER:

Page 278

1 Q. I'm handing you what's been
 2 marked as Exhibit 1319, document produced by
 3 ASTM as Bates number ASTM061183. What is
 4 this document?
 5 A. It says, "2011 ASTM...Committee
 6 Membership Application."
 7 Q. Does this document appear to
 8 have a line crossed through the language
 9 concerning the ASTM IP Policy?
 10 MR. FEE: Objection. The
 11 document speaks for itself.
 12 THE WITNESS: I can't say that
 13 that's a line or whether that's an
 14 indicator towards the individual's
 15 account number.
 16 - - -
 17 (Exhibit 1320, How To Standards
 18 Writing 101 New Standards, was marked
 19 for identification.)
 20 - - -
 21 BY MR. BECKER:
 22 Q. I'm handing you what's been
 23 marked as Exhibit 1320. What is this
 24 document?
 25 A. I'm not sure. It says

Page 279

1 Standards Writing 101 How To [as read]. It
 2 looks like something that was written in
 3 Standardization News back in 2000.
 4 Q. Does this document accurately
 5 reflect the way that standards were developed
 6 at ASTM in approximately March of 2000?
 7 MR. FEE: You're going to have
 8 to read the whole document to answer
 9 that question.
 10 THE WITNESS: This was, I
 11 believe, a way that an individual
 12 could request the development of a new
 13 standard.
 14 BY MR. BECKER:
 15 Q. So there were other ways that
 16 an individual could request the development
 17 of a new standard as of March 2000?
 18 A. Yeah, they could make a request
 19 from the subcommittee or by the subcommittee
 20 chairman.
 21 - - -
 22 (Exhibit 1321, How Standards are
 23 Developed article, was marked for
 24 identification.)
 25 - - -

Page 280

1 BY MR. BECKER:
 2 Q. I'm handing you what's been
 3 marked as Exhibit 1321. This document was
 4 printed from the ASTM Web site at
 5 www.astm.org/MEMBERSHIP/standardsdevelop.HTML.
 6 What is this document?
 7 A. It looks like maybe an article.
 8 MR. FEE: Objection. Lack of
 9 foundation.
 10 THE WITNESS: Maybe an article
 11 we have on our Web site that helps
 12 provide guidance for our members.
 13 BY MR. BECKER:
 14 Q. Do you know what a US TAG ISO
 15 list is?
 16 A. A US --
 17 Q. US TAG ISO list.
 18 A. United States Technical
 19 Advisory Group ISO list, I don't know if that
 20 refers to the list of members that are
 21 serving on the technical advisory group.
 22 - - -
 23 (Exhibit 1322, 8/13/08 E-mail,
 24 Bates ASTM073852, was marked for
 25 identification.)

Page 281

<p>1 IP Policy or assignments? 2 MR. BECKER: Object as to form. 3 THE WITNESS: There is 4 additional language. This document 5 identifies membership renewal Web 6 screenshots for different types of 7 members. So I identified page 2, and 8 then there's also additional language 9 on page ASTM001796 as well as 10 ASTM001798. And I believe that's it. 11 MR. FEE: I have no other 12 questions. 13 Do you have any other questions 14 or is he done? 15 MR. BECKER: No, no redirect. 16 MR. FEE: Great. Thank you. 17 THE WITNESS: Thanks. 18 VIDEOGRAPHER: The time is now 19 7:57. This concludes the videotape 20 deposition of Dan Smith. 21 - - - 22 (Witness excused.) 23 - - - 24 (Deposition concluded at 7:57 25 p.m.)</p> <p style="text-align: right;">Page 290</p>	<p>1 I declare under penalty of perjury 2 under the laws that the foregoing is 3 true and correct. 4 5 Executed on _____, 20____, 6 at _____, _____. 7 8 9 10 11 _____ 12 DANIEL SMITH 13 14 15 16 17 18 19 20 21 22 23 24 25</p> <p style="text-align: right;">Page 292</p>

PREVIOUS REGISTRATION Has registration for this issue, or for an earlier version of this particular issue, already been made in the Copyright Office?

- Yes No If your answer is "Yes," why is another registration being sought? (Check appropriate box) ▼
a. This is the first published version of an issue previously registered in unpublished form.
b. This is the first application submitted by this author as copyright claimant.
c. This is a changed version of this issue, as shown by space 6 on this application.

5

If your answer is "Yes," give: Previous Registration Number ▼ Year of Registration ▼
TX 1-846-702 1986

DERIVATIVE WORK OR COMPILATION Complete both space 6a & 6b for a derivative work; complete only 6b for a compilation.

- a. Preexisting Material Identify any preexisting work or works that this work is based on or incorporates. ▼

1986 Annual Book of ASTM Standards Section 02 Volume 02.01

6

- b. Material Added to This Work Give a brief, general statement of the material that has been added to this work and in which copyright is claimed. ▼

Compilation of previous published text plus additional text.

See instructions before completing this space.

MANUFACTURERS AND LOCATIONS If this is a published work consisting preponderantly of nondramatic literary material in English, the law may require that the copies be manufactured in the United States or Canada for full protection. If so, the names of the manufacturers who performed certain processes, and the places where these processes were performed must be given. See instructions for details.

Names of Manufacturers ▼ Places of Manufacture ▼
Waverly Press, Inc. Easton, MD

7

REPRODUCTION FOR USE OF BLIND OR PHYSICALLY HANDICAPPED INDIVIDUALS A signature on this form at space 10, and a check in one of the boxes here in space 8, constitutes a non-exclusive grant of permission to the Library of Congress to reproduce and distribute solely for the blind and physically handicapped and under the conditions and limitations prescribed by the regulations of the Copyright Office: (1) copies of the work identified in space 1 of this application in Braille (or similar tactile symbols); or (2) phonorecords embodying a fixation of a reading of that work; or (3) both.

- a Copies and Phonorecords b Copies Only c Phonorecords Only

NOTE

Under the law, the "author" of a "work made for hire" is generally the employer, not the employee (see instructions). For my part of this work that was made for hire "Yes" in the space provided, give the employer (or their person for whom the work was prepared) as "Author" of my part, and leave the space for date of birth and death blank.

Subject: Re: special libraries

Thanks so much for this tip ... I am actually in Missouri as we speak, but won't be heading through Kansas City until Friday, and they are unfortunately closed for the holidays. But, I will definitely give them a ring.

The Illinois State Library and the Linda Hall Library appear to be the only two in the U.S. with a decent collection of these technical standards from organizations such as ANSI, ASTM, and UL. While many of these standards have a strong copyright interest, there is a subset of these that have been incorporated by reference into the Code of Federal Regulations. Since those standards have become law of the land, and since the courts have ruled that those standards that have been incorporated as law are not subject to copyright, I'm trying to figure out how to make these standards more broadly available for the public to read.

Thanks again for the tip. Perhaps we could do a phone call or I could stop by the Exploratorium to meet you and explain what we're trying to do? I'm based in Sebastopol, about an hour north of you and get to the city frequently.

Best regards,

Carl

Subject: Project Update #1: Public Safety Codes of the World: Stand Up For Safety! by Carl Malamud, Public.Resource.Org

Project Update #1: 106 New ASTM Standards Converted

Posted by Carl Malamud, Public.Resource.Org

The work we're doing to rekey standards is part of a long-standing process we've put in place, starting with the California building codes and moving on to over 1,000 standards so far that span the globe. Just today, I added HTML versions of 106 standards from ASTM to our directory of standards required by U.S. federal law. These standards are particularly important because many of these are out-of-date although still required by federal law and there are no readily available version of these documents on the net or in public libraries around the country.

You can really see the difference between the original HTML and the rekeyed HTML:

- A47 is the 1968 standard for Standard Specification for Malleable Iron Castings. It is required by law in the OSHA standards for storage and handling of anhydrous ammonia. Here's the [PDF version](#). Compare that to the [HTML version](#).
- The U.S. Coast Guard requires by law the use of ASTM A333: Standard Specification for Seamless and Welded Steel Pipe for Low-Temperature Service. Here's the [PDF version](#). Compare that to the [HTML version](#).

One of the hopes as we move beyond the rekey stage is that we can do more than simply recover text, but can start adding true value. For example, rekeying the mathematical formulas into MATHML, adding section ID headers so you can permalink not only the standard but a subsection of the standard, and converting the graphics to vector format.

We'll have another 100 or so ASTM standards done in a couple of weeks, plus there is a queue of several hundreds standards from India that have been converted into HTML and are undergoing QA.

We do get some pushback from time to time from organizations that think legally-mandated standards shouldn't be made available, but we fight hard for our right to read, know, and speak the law. Read what our lead firm, the Electronic Frontier Foundation,

21/12/15
(10/11/15) AM

has to say in their post yesterday entitled "The Law Belongs To Everyone, We Tell Standards Organizations." Some of the best intellectual property lawyers in the United States are standing firmly with us on this fundamental right to know the laws by which we govern ourselves. I hope you'll stand with us. Thank you for your support.

Project Update #8: A Prayer for Our Democracy

Posted by Carl Malamud, Public.Resource.Org ♥ Like

ASCII to ASCII, disk to disk, data thou art and data thou shalt return.

Today, I published 130 more ASTM standards that have been rekeyed into HTML. We have posted a total of 328 ASTM files as scans from PDF and 256 are now available as open HTML. They are available for open access without restriction from our servers. These are a few of these laws with which we have chosen to govern ourselves:

- ASTM D86 (2007): Standard Test Method for Distillation of Petroleum Products at Atmospheric Pressure, as required by the EPA in 40 CFR 1065.710.
- ASTM D129 (1964): Standard Test Method for Sulfur in Petroleum Products (General Bomb Method) as required by the EPA in 40 CFR 60.106(j)(2).
- ASTM D257 (1991): Standard Test Method for DC Resistance of Conductance of Insulating Materials as required by the Rural Utilities Service, Department of Agriculture at 7 CFR 1755.860(e)(5).
- ASTM D323 (1958): Standard Test Method for Vapor Pressure of Petroleum Products (Reid Method) as required by OSHA in 29 CFR 1910.106(a)(30).
- ASTM D412 (1968): Standard Test Methods for Vulcanized Rubber and Thermoplastic Elastomers-Tension as required by the Food and Drug Administration in 21 CFR 801.410(d).
- ASTM D413 (1982): Standard Test Method for Rubber Property-- Adhesion to Flexible Substrate as required by the Coast Guard in 46 CFR 160.055-3.
- ASTM D445 (1972): Standard Test Method for Kinematic Viscosity of Transparent and Opaque Liquids as required by the FDA in 21 CFR 177.1430(c)(2).
- ASTM D756 (1956): Standard Practice for Determination of Weight and Shape Changes of Plastics Under Accelerated Service

21/5/15
00000000

- CFR 571.209 S5.2(b).
- ASTM D781 (1971): Standard Test Methods for Puncture and Stiffness of Paperboard and Corrugated and Solid Fiberboard as required by the Department of Housing and Urban Development in 24 CFR 3280.304(b)(1).
 - ASTM D1056 (1973): Standard Specification for Flexible Cellular Materials Sponge or Expanded Rubber as required by the National Highway Safety Administration in 49 CFR 571.213.
 - ASTM D2156 (1965): Method of Tests for Smoke Density in Flue Gases from Distillate Fuels as required by the Department of Energy in 10 CFR 430 Subpart B.
 - ASTM D4268 (1993): Standard Test Method for Testing Fiber Ropes as required by the Coast Guard in 33 CFR 164.74(a)(3)(i).

The rule of law is the secular underpinning of our society. John Adams, in "A Dissertation on the Canon and the Feudal Law" said that for democracy to succeed, we must all know and speak the laws. He said:

"Let the public disputations become researches into the grounds and nature and ends of government, and the means of preserving the good and demolishing the evil. Let the dialogues, and all the exercises, become the instruments of impressing on the tender mind, and of spreading and distributing far and wide, the ideas of right and the sensations of freedom.

In a word, let every sluice of knowledge be opened and set a-flowing."

For our democracy to succeed, we must all be scanners. ASCII to ASCII, disk to disk. Data thou art and data thou shalt return.

When I started to publish federal law, I sent the ASTM and 9 other

I continue publishing the laws of our land. Let every sluice of knowledge be set a-flowing. Thanks for your support.
